

**FROM:** Head of Taxation, Taxation Department  
**LOCATION:** 86/441  
**EXTENSION:** 5228  
**DATE:** 4 June 2001  
**REFERENCE:** TAX/PW/ln/Y2557  
**SUBJECT:** LLOYD'S REINSURANCES - US FEDERAL EXCISE TAX (CEDED)

**ATTACHMENTS:** Lists of exempt non-US companies  
**ACTION POINTS:** Up-date lists  
**DEADLINE:** Effective immediately

### Background

1. The payment of FET by Lloyd's is governed by a Closing Agreement between Lloyd's and the US Internal Revenue Service. Liability to FET occurs when reinsurance is ceded to a non-US insurer that is not exempt ("protected") from FET under the terms of an Income Tax Treaty. It is determined for underwriters as a whole by a formula set out in the Closing Agreement.
2. At present the following countries have treaties with the US which in varying degrees waive the excise tax on premiums paid to insurers and reinsurers resident in the treaty country:

Cyprus	Ireland	Spain
Finland	Israel	Switzerland
France	Italy	Sweden
Germany	Mexico	United Kingdom
Hungary	Netherlands	
India	Romania	

In addition, all former Soviet Union countries except the Russian Federation and Kazakhstan are still covered by the former treaty with the USSR.

3. This bulletin updates the details where reinsurance is ceded to
  - UK insurance companies
  - non-UK and non-US insurance companies
  - US insurers.

#### UK Insurance Companies

4. I attach the most recent Inland Revenue list of UK insurance companies that are eligible for exemption from US Federal Excise Tax on insurance and reinsurance premiums. This list certifies that the companies were resident in the UK for the three months ended 31 December 2000, and supersedes the list issued with Market bulletin Y2356 of 8 August 2000.
5. UK branches of non-UK companies must either be on the Inland Revenue list to qualify for exemption or be the branch office (not subsidiary) of a foreign company that is itself eligible for exemption. In respect of UK Pools each individual company in the pool must be tested for exemption.

#### Overseas Insurance Companies

6. Also attached is an up-dated list of exempt overseas insurance companies that we understand are currently regarded by the US Internal Revenue Service as being exempt from FET. This supersedes the list issued with Market bulletin Y2324 dated 20 June 2000.
7. This list also includes advice on dealing with reinsurance ceded to US insurers. Companies incorporated in the US are exempt. US branches of non-US companies are exempt either if the premiums are taxed as effectively connected US income, or if they are a branch of an exempt insurer.
8. Any other company that claims exemption from FET should be drawn to my attention immediately in writing and must not be treated as an exempt reinsurer until it is accepted as such in writing by Taxation Department.

This Market bulletin is being sent to all managing agents and Lloyd's brokers for the guidance of those concerned with the placing of Lloyd's syndicate reinsurances. It is also being sent to Lloyd's corporate members and their tax advisers for the guidance of those concerned with member level reinsurances.

Any queries arising from this Market bulletin should be addressed to Peter Walk on Lloyd's extension 5477.
