We have been asked to clarify that market bulletin Y2983 of 3 February 2003 concerned the company Horace Holman & Co Ltd (Lloyd's broker 499 HHI, 666 HRH and 846 ABC), and not Holman Insurance Brokers Ltd (Lloyd's broker 669 MMC). The two companies are not in any way connected. Both companies are accredited Lloyd's brokers.

By way of background information, Horace Holman & Co Ltd was formed in 1984 as a consequence of the divestment provisions in the 1982 Lloyd's Act, following a management buy-out of some of the business from John Holman & Sons Ltd.

John Holman & Sons Ltd was formed in 1850 and is a sister company to Holman Insurance Brokers Ltd.
