CAPACITY MARKET RULES FOR 2003**
SUBJECT AREA(S): **Rules and guidance relating to capacity auctions,
bilateral transactions in capacity, capacity offers
and conversion schemes**
ATTACHMENTS: Electronic copies only
ACTION POINTS: **For information**

Summary

The rules for the 2003 capacity transfer season have now been finalised and are attached. Following consultation with the market, the rules remain substantially unchanged from those in force in 2002. Such changes as have been made, other than those of a purely administrative nature, are described below.

The Auction Rules, Bilateral Arrangements Rules, Capacity Offer Rules and Conversion Rules are attached to this bulletin in electronic form only. All the rules, together with a guide to the auctions and bilateral arrangements in 2003, will also be available on our website at <http://www.lloyds.com/index.asp?ItemId=4233>. Hard copy can be printed off by users as and when required. This arrangement for the promulgation of rules was introduced three years ago.

Capacity season timetable

Tables of prescribed dates for capacity offers and conversion schemes this year are set out in Appendix 1 of the respective rules. The timetable governing the conduct of the auctions and bilateral arrangements in 2003 is set out in Appendix 1 of the Auction Rules.

Following consultation with the market, it has been decided to hold auctions in 2003 as follows;

- Auction 1 9 & 10 September
- Auction 2 23 & 24 September
- Auction 3 7 & 8 October
- Deceased Names Auction 9 & 10 December

Auctions and bilateral arrangements

The main changes to the rules governing the auctions and bilateral arrangements this year are as follows;

- changes to the auction timetable and consequential amendments;
- a minor change to the rules governing bilateral arrangements whereby representatives of parties to a proposed bilateral arrangement will be required to be available to the Auction Office between 2 pm and 4.30 pm on Day 2 of the relevant auction in order to provide, if necessary, a withdrawal or revision notice (see paragraph 6.7 of the Bilateral Arrangement Rules); and
- an amendment to Form B attached to the Auction Rules (Instructions and Authority to Tender /Subscribe) giving the form “evergreen” status unless the member signing it indicates otherwise.

Capacity offer and conversion rules

No changes of substance have been made this year to either the Capacity Offer or Conversion Rules. In both cases the tables of prescribed dates have been amended and, that apart, a few other changes have been made of a “housekeeping” nature.

Tax treatment of individual members on conversion

On 9 April 2003 HM Government announced that it intends to bring forward legislation in the Finance Bill 2004 to allow individual members of Lloyd’s to carry forward unused tax losses from their individual membership when they convert to underwriting through certain limited liability vehicles. It is also considering the position with regard to capital gains tax reliefs. The precise form of any new legislation and the operative date for any new tax provisions are not yet known. Members and their advisers should, however, be aware of this intention.

The operation of tax depends on personal circumstances and members are strongly advised to take their own tax advice on the financial consequences of any conversion.

3(4) The Auction Official shall be entitled to dispense with, in whole or in part, or modify the application of these Rules (either unconditionally or subject to conditions) in such cases and by reference to such circumstances as he considers

appropriate.

4 **Holding of Auctions**

- 4(1) A series of Auctions in respect of each syndicate shall be held on the dates referred to in the first column of Appendix 1 and, in the case of any particular syndicate, on such further date or dates as the Auction Official may in his discretion authorise, where the Relevant Agent shall have given its consent in writing.
- 4(2) An additional Auction in respect of the prospective participations of Qualifying Members who die on or after 1 September 2003, together with any other prospective participation in respect of any syndicate which the Auction Official may in his discretion authorise pursuant to Rule 4(1) and to which the Relevant Agent has given its written consent, shall be held on 9 December and 10 December 2003. The Auction Official may at his discretion modify these Rules in respect of that additional Auction, in which case he shall publish no later than 31 October 2003 to all Issuers a statement as to the extent to which these Rules are so modified.

5 **Qualifying Orders**

To qualify for inclusion in any Auction, an Order must:

- a) be submitted by a person who is permitted to do so under Rule 6(1);

8 **Procedure for submission of Orders**

8(1) Subscription Orders and Tender Orders shall be submitted to the Auction Office electronically, or in such other form or by such other means as the Auction Official may agree.

8(4) A Subscription Order shall specify the premium (the "Subscriber's Premium") which the Subscriber is willing to pay in respect of each £1 of Subscribed Capacity.

8(6) An Order shall specify an amount of Tendered Capacity or Subscribed Capacity equal to £1 or an integral multiple of £1.

8(7) The person submitting an Order shall sign and submit by fax (or by such other means as the Auction Official may agree) to the Auction Office, between 9.00am and 1.00pm on Day One of an Auction or between 10.00am and 2.00pm on Day Two of an Auction, an Auction Control Sheet in respect of the electronic file in which the Order is submitted and the Auction Official shall cause the time at which each Auction Control Sheet is received at the Auction Office to be recorded electronically.

8(8) The time at which the Auction Official shall treat an Order as having been received is the recorded time of receipt of the relevant Auction Control Sheet (the "Relevant Time").

- 8(9) The Auction Official shall cause there to be sent to the relevant Issuer an acknowledgement of receipt of an Auction Control Sheet, stating the Relevant Time.
- 8(10) An Issuer may only submit an Order between 9.00am and 2.00pm on the same Day One of an Auction or between 10.00am and 3.00pm on the same Day Two of an Auction as the relevant Auction Control Sheet was submitted to the Auction Office under Rule 8(7).

9 **Significant Participations**

- 9(1) In the circumstances specified in Rule 9(2), a Subscription Order may only be submitted if the Relevant Agent has given his consent by completing, signing and submitting to the Auction Official Part I of a Form C.
- 9(2) The circumstances referred to in Rule 9(1) are where the amount of the prospective participation specified by a corporate candidate in the Subscription Order, when taken together with each prospective participation allocated to the corporate candidate pursuant to all Subscription Orders previously submitted by or on behalf of that candidate in 2003, would account for more than 3% of the Relevant Capacity of the Relevant Syndicate.

10 **Publication of Orders**

The Auction Official shall cause there to be made available electronically, or by such other means as the Auction Official may agree, before 8.00am on each Day Two of an Auction and 9.00am on the working day after Day Two of each Auction, such details as the Auction Official may determine of the Orders submitted in respect of each syndicate.

11 **Revision of Orders**

The person submitting an Order may submit electronically in a form prescribed by the Auction Official, or by such other means or in such other form as the Auction Official may agree, a notice (a "Revision Notice") revising a Subscription Order or, as the case may be, a Tender Order by specifying a higher Subscriber's Premium or, as the case may be, a lower Floor Limit, but subject to Rule 12, may not cancel or otherwise alter an Order after it shall have been submitted. The Relevant Time attributable to a revised Order shall be the time at which any Revision Notice delivered in respect of that Order is marked as received by the Auction Official and not the Relevant Time originally attributed to the Order. A Revision Notice may be submitted on any Day One or Day Two of an Auction.

12 **Rollover of Orders**

- 12(1) The person submitting an Order may state or make a statement (a "Rollover Statement") in the place indicated for this purpose in the electronic file submitted to the Auction Office, or in such other manner as the Auction Official may agree, that it wishes any part of the Order which is not satisfied in the Auction in respect of which it is submitted to be rolled over into following Auctions in the manner

specified in Rule 12(2).

12(2) Subject to Rule 12(3):

- a) where an Order submitted in either Auction 1 or 2 in respect of which an Issuer has made a Rollover Statement and has not subsequently given a Withdrawal Notice pursuant to Rule 12(3)(a), has not been satisfied or has been satisfied only in part the Order shall, to the extent that it has not been satisfied, be rolled over into the next following Auction, and if not satisfied in full in that Auction shall, to the extent not satisfied, be rolled over into the next following Auction and so on up to and including Auction 3;
- b) the person submitting an Order in respect of which a Rollover Statement has been made and no Withdrawal Notice has subsequently been given pursuant to Rule 12(3)(a) and which is still not satisfied in full after having been rolled over into Auction 3, shall be notified within 2 working days of the last day of Auction 3 of the extent to which the Order was not satisfied.

12(3) a) The person submitting an Order may by 2.00pm on Day Two of the Auction into which the Order is to be rolled over (the "Following Auction"), submit electronically in a form prescribed by the Auction Official or by such other means or in such other form as the Auction Official may agree a notice (a "Withdrawal Notice") dis-applying the rollover provisions in Rules 12(1) and (2) in respect of all (but not part only) of an Order, so that all of the Order is withdrawn from the following Auction and each subsequent Auction.

b) An Order will not be rolled over pursuant to Rules 12(1) and (2) where the person submitting that Order has not paid in full any amounts for which he is liable under Rule 18 in respect of any earlier Auction.

c) An Order will not be rolled over pursuant to Rules 12(1) and (2) where prior to the Following Auction a pre-emption offer pursuant to paragraph 2 of the Pre-emption Byelaw is made in respect of the Relevant Syndicate or the Relevant Agent has given notice of a proposed reduction in the syndicate allocated capacity of the Relevant Syndicate pursuant to paragraph 5 of the Pre-emption Byelaw.

13 **Allocation of Capacity**

13(1) The Subscription Orders submitted in any Auction in respect of a particular syndicate shall be ranked in order of their respective Subscriber's Premiums with the Subscription Order specifying the highest Subscriber's Premium ranking first in order of priority.

13(2) Any Subscription Orders specifying the same Subscriber's Premium shall be ranked according to the Relevant Time attributable to those Orders with the Order attributed the earliest Relevant Time being accorded priority.

specifying the lowest Floor Limit ranking first in order of priority.

- 13(4) Any Tender Orders specifying the same Floor Limit shall be ranked according to the Relevant Time attributable to those Orders with the Order attributed the earliest Relevant Time being accorded priority.
- 13(5) Each Order shall be satisfied up to the amount of the Available Capacity, if any. In these Rules, the term Available Capacity means:
- a) in relation to a Subscription Order, the amount of Tendered Capacity tendered in the relevant Auction at a Floor Limit less than or equal to the Subscriber's Premium specified in the Subscription Order after each Subscription Order ranking higher in order of priority shall have been satisfied; and
 - b) in relation to a Tender Order, the amount of Subscribed Capacity subscribed in the relevant Auction at a Subscriber's Premium higher than or equal to the Floor Limit specified in the Tender Order after each Tender Order ranking higher in order of priority shall have been satisfied.
- 13(6) The premium payable by a Subscriber in respect of any Order satisfied pursuant to Rule 13(5) shall be the Subscriber's Premium specified in that Subscription Order.
- 13(7) The premium per £1 of capacity to be paid to a Tenderer in respect of any Order satisfied pursuant to Rule 13(5) shall be an amount equal to:

A
B

where:

A = the aggregate of the amounts payable by all Subscribers whose Subscription Orders for prospective participations in the Relevant Syndicate tendered in the relevant Auction have been satisfied.

B = the total amount of prospective participations in the Relevant Syndicate which has been successfully allocated in the relevant Auction.

14 **Publication of Results**

The Auction Official shall cause there to be made available electronically in a form prescribed by the Auction Official or by such other means or in such other form as the Auction Official may agree before 9.00am on the working day after Day Two of an Auction details of the allocation of prospective participations pursuant to the Auction which shall include those details specified in Appendix 2.

15 **Fees**

- 15(1) Subject to Rule 15(5), a fee of a fixed amount prescribed by the Auction Official (inclusive of VAT) shall be payable by an Issuer in respect of each Subscription Order submitted.

- 15(2) An additional fee shall be payable by an Issuer in respect of each Subscription Order submitted which is satisfied in whole or in part. The amount of the fee shall be equal to a percentage figure prescribed by the Auction Official multiplied by the total amount of prospective participations acquired on satisfaction in whole or in part of the relevant Subscription Order.
- 15(3) For each Revision Notice or Withdrawal Notice submitted in respect of a Subscription Order, the relevant Issuer shall pay a fee of a fixed amount (inclusive of VAT) prescribed by the Auction Official.
- 15(4) A fee shall be payable by an Issuer in respect of each Tender Order submitted which is satisfied in whole or in part. The amount of the fee shall be equal to a percentage figure prescribed by the Auction Official multiplied by the total amount of prospective participations surrendered on satisfaction in whole or in part of the relevant Tender Order.
- 15(5) Where an Issuer makes a Rollover Statement in respect of a Subscription Order, no fee shall be payable by that Issuer under Rule 15(1) in respect of that Subscription Order if, pursuant to Rule 12(3)(c), it is not rolled over.

16 **Relevant Arrangements**

The allocation of a person's prospective participation pursuant to the satisfaction in whole or part of any Tender Order shall take precedence over any agreement to surrender or otherwise dispose of such prospective participation made by that person under a Relevant Arrangement, regardless of the time at which such agreement is made.

17 **Permitted Bilateral Arrangements**

Any Orders which are not satisfied in the Auction may be satisfied either in whole or in part by a party to a permitted bilateral arrangement in accordance with conditions and requirements made pursuant to the Bilateral Arrangements Byelaw (No. 4 of 1999).

18 **Settlement**

- 18(1) The Auction Official shall no later than the date specified in the second column of Appendix 1 (the "Statement Date") cause there to be issued to each Issuer a statement as to the net amount (the "Net Amount") payable or receivable by that Issuer in respect of the Orders submitted by it in the Auctions specified in the first column of Appendix 1 immediately adjacent to that date (the "Relevant Auctions"). The Net Amount ("NA") shall be calculated as follows:

$$NA = A - B - C - D - E - F$$

Where:

A = the aggregate amount of all premiums receivable pursuant to Tender Orders submitted by that Issuer in the Relevant Auctions.

B = the aggregate amount of all premiums payable pursuant to Subscription Orders submitted by that Issuer in the Relevant Auctions.

C = the fixed amount prescribed by the Auction Official pursuant to Rule 15(1) (but subject to Rule 15(5)) multiplied by the number of Subscription Orders submitted by that Issuer in the Relevant Auctions.

D = the fixed amount prescribed by the Auction Official pursuant to Rule 15(3) multiplied by the number of Revision Notices and/or Withdrawal Notices submitted by the Issuer in the Relevant Auctions.

E = an amount equal to the percentage figure prescribed by the Auction Official pursuant to Rule 15(2) multiplied by the total amount of prospective participations acquired on satisfaction in whole or in part of Subscription Orders submitted by that Issuer in the Relevant Auctions.

F = an amount equal to the percentage figure prescribed by the Auction Official pursuant to Rule 15(4) multiplied by the total amount of prospective participations surrendered on satisfaction in whole or in part of Tender Orders submitted by that Issuer in the Relevant Auctions.

- 18(2) Where the Net Amount is a negative amount, it is referred to below as a Debit Amount and the statement as a Debit Statement and, where it is a positive amount, it is referred to below as a Credit Amount and the statement as a Credit Statement.
- 18(3) Each Issuer in receipt of a Debit Statement shall cause the Debit Amount to be credited in cleared funds to the Lloyd's Auction Settlement Account no later than close of business on the relevant debit date specified in the third column of Appendix 1 (the "Relevant Debit Date").
- 18(4) Subject to Rules 18(5) and 18(6), the Auction Official shall cause the Credit Amount payable to each Issuer in receipt of a Credit Statement to be credited to the relevant account (the "Issuer's Account") specified in the Declaration in Form A submitted by that Issuer in cleared funds no later than close of business on the relevant credit date specified in the fourth column of Appendix 1 (the "Relevant Credit Date").
- 18(5) If any Debit Amount is not paid in full by the Relevant Debit Date, the Auction Official shall only be obliged to pay in respect of any Credit Statement an amount (the "Actual Credit Amount") equal to:

$$A \times \frac{(C - B)}{C}$$

Where :

A = the Credit Amount specified in the Credit Statement

B = the aggregate of any Debit Amounts which have not been credited to the Lloyd's Auction Settlement Account in cleared funds by the Relevant Debit Date

C = the aggregate of all Credit Amounts.

- 18(6) A Participant who is not himself an Issuer shall, subject to Rule 18(7), be entitled to receive from or, as the case may be, liable to pay to an Issuer an amount equal to:

Where:

T = the aggregate amount of all premiums receivable pursuant to Tender Orders submitted on behalf of that Participant by that Issuer in the Relevant Auctions

S = the aggregate amount of all premiums payable pursuant to Subscription Orders so submitted

F = the amount payable under terms agreed with the Issuer in respect of Auction Fees in respect of Orders so submitted.

- 18(7) Where the amount determined in accordance with Rule 18(6) is positive, it is referred to below as the Individual Credit Amount of the relevant Participant.
- 18(8) If any Debit Amount is not paid in full by the Relevant Debit Date, an Issuer in receipt of a Credit Statement shall only be obliged to pay to a Participant on whose behalf he has submitted a Tender Order a part of that Participant's Individual Credit Amount equal to:

$$I \times \frac{(A - S)}{A}$$

Where:

I = the Individual Credit Amount

A = the aggregate of all Individual Credit Amounts payable by that Issuer

S = the amount by which the Actual Credit Amount paid to that Issuer is less than the Credit Amount.

- 18(9) Subject to Rule 18(15), the Individual Credit Amount, or such part of the Individual Credit Amount as shall be payable in accordance with Rule 18(8), shall be the only amount to which any Participant shall be entitled.
- 18(10) Subject to Rule 18(11), Lloyd's shall hold the benefit of amounts standing to the credit of the Lloyd's Auction Settlement Account and amounts receivable in respect of Debit Statements on trust for the benefit of those Participants on whose behalf Tender Orders shall have been submitted which have been satisfied in whole or in part.
- 18(11) Lloyd's shall be entitled to deduct an amount equal to the aggregate of all Auction Fees from the amount standing to the credit of the Lloyd's Auction Settlement Account before distributing the balance in accordance with Rule 18(4).
- 18(12) Subject to Rule 18(15), neither Lloyd's, nor the Auction Official, shall have any liability to any Issuer in receipt of a Credit Statement or any Participant in respect of the difference between the amount specified in that Credit Statement and the amount payable in accordance with Rules 18(5), 18(8) and 18(16).
- 18(13) Interest at a rate equal to 3% above the base rate of National Westminster Bank Plc from time to time shall be payable on each Debit Amount from the Relevant Debit Date until the date on which payment is actually received in full.

- 18(14) The Auction Official shall cause there to be made available electronically or by some other means the name of any Issuer who fails to credit to the Lloyd's Auction Settlement Account the Debit Amount payable by that Issuer in cleared funds by the Relevant Debit Date.
- 18(15) If any Debit Amount is not paid in full by the Relevant Debit Date, the Auction Official shall cause there to be credited to each Issuer's Account by 31 March 2004 an amount equal to:

$$R \times \frac{A}{C}$$

Where A and C have the significance given in Rule 18(5) and R is the amount paid or recovered in respect of any Debit Statement after the Relevant Debit Date, together with such interest as shall have accrued thereon.

BILATERAL ARRANGEMENTS (2003) RULES

The Council of Lloyd's in exercise of its powers under section 6(1) of Lloyd's Act 1982, paragraph 2(5) of the Auction Byelaw (No. 14 of 1997) and paragraphs 5 and 8 of the Bilateral Arrangements Byelaw (No. 4 of 1999) hereby prescribes the following conditions and requirements.

1. Citation

These conditions and requirements may be cited as the Bilateral Arrangements (2003) Rules.

2. Interpretation

2(1) Subject to Rule 2(2), except where the context otherwise requires, words and phrases defined in the Bilateral Arrangements Byelaw (No. 4 of 1999) and the Auction Rules 2003 have the same meanings where used in these Rules.

2(2) In these Rules:

- (a) “connected company” means, in relation to a body corporate, any other body corporate which controls or is controlled by or is under common control with that body corporate;
- (b) any reference to a byelaw is a reference to it as already amended and in force from time to time and to any byelaw that re-makes or consolidates, with or without amendment, any such byelaw;
- (c) use of any gender includes the other genders.

3. Validation

3(1) A permitted bilateral arrangement may be validated only on Day Two or the working day after Day Two of an auction and shall not be validated later than 1.00pm on the working day after Day Two of an Auction unless the Auction Official otherwise agrees.

3(2) A permitted bilateral arrangement shall not be validated unless -

- (a) the prospective participation to which the arrangement relates is not less than £250,000;

(b) by 2.00pm (or such later time as the Auction Official may permit) on Day Two of an auction there has been submitted to the Auction Office notice of the proposed arrangement in Form BN (a "bilateral notice") containing a statement signed by or on behalf of each of the parties to the arrangement and giving particulars of -

- (i) the parties to the arrangement, stating which of them is making a participation nomination and/or a second nomination;
- (ii) the syndicate concerned;
- (iii) the amount of prospective participation on the syndicate in respect of which a participation nomination and/or a second nomination is to be made;
- (iv) the price to be paid in respect of each £1 of the prospective participation which is the subject of the arrangement (the "bilateral price");
- (v) such other particulars as the Auction Official may require, whether generally or in relation to the particular arrangement;

and certifying

- (vi) that the only consideration for any participation nomination and any second nomination is cash;
- (vii) that in respect of the syndicate concerned -
 - (aa) no subscription order previously submitted by or on behalf of the party making the participation nomination in any auction during 2003 has been satisfied (in whole or in part);
 - (ab) the party making the participation nomination has not had a participation nomination or a second nomination made in his favour under a permitted bilateral arrangement made during 2003;
 - (ac) no tender order previously submitted by or on behalf of the nominee in any auction during 2003 has been satisfied (in whole or in part); and
 - (ad) the nominee has not previously made during 2003 a participation nomination under a permitted bilateral

arrangement;

- (viii) that, to the extent the proposed arrangement involves the making of a second nomination, the person making the second nomination is entitled to do so under the Second Nomination Byelaw and, in particular, paragraph 2(5) of that byelaw;
 - (ix) that neither party to the proposed arrangement is in possession of any Relevant Information which has not been made publicly available; and
 - (x) where a party to the proposed arrangement is resident in a jurisdiction other than the United Kingdom, that all local laws (including any applicable securities laws) have been and will be complied with;
- (c) the prospective participation on the syndicate concerned of the person making any participation nomination is not less than the amount of the prospective participation that is subject to the arrangement or, where the party making any participation nomination and any second nomination is doing so on behalf of the estate of someone who has died, the prospective participation on the syndicate concerned of the deceased person would, but for his death, be not less than the amount of the prospective participation that is subject to the arrangement;
- (d) the nominee has complied with his funding obligations under Rule 5(1); and
- (e) where the nominee is a corporate candidate and the prospective participation to which the proposed arrangement relates is, on its own or when taken with each other prospective participation allocated to the corporate candidate pursuant to all bilateral notices previously submitted by or on behalf of that candidate in 2003, more than 3% of the Relevant Capacity, the consent of the managing agent of the syndicate concerned has been given by that managing agent completing, signing and submitting to the Auction Official Part I of Form C to the Auction Rules.
- 3(3) For the purposes of Rule 3(2)(a) -
- (a) an arrangement made in respect of prospective participations through a single MAPA shall be treated as a single arrangement and the respective amounts of those prospective participations shall be aggregated in determining whether the condition specified in that Rule is fulfilled;
 - (b) save where one party to the arrangement is a connected company of the

managing agent of the syndicate concerned, an arrangement made by a members' agent on behalf of members for whom it acts as such in respect of the prospective participations of those members shall be treated as a single arrangement and the respective amounts of those participations shall be aggregated in determining whether the condition specified in that Rule is fulfilled;

(c) the amount of any prospective participation satisfied by a party to the proposed arrangement pursuant to Rule 6 below shall be taken into account in determining whether the condition specified in Rule 3(2)(a) is fulfilled.

3(4) Notwithstanding Form BN, the Auction Official may prescribe any form, whether electronic or otherwise, to be used for the submission of any notice or information to the Auction Office for the purposes of this Rule 3.

3(5) No later than 9.00am (or such later time as the Auction Official may permit) on the working day after Day Two of an Auction the Auction Official shall cause there to be published electronically in a form prescribed by him, or by such other means as he may agree, particulars of any permitted bilateral arrangement which has been validated, including those particulars submitted under Rule 3(2).

4. **Fees**

4(1) A fee of £10 (inclusive of VAT) shall be payable by each party by whom or on whose behalf a bilateral notice is submitted.

4(2) An additional fee shall be payable by each party to a permitted bilateral arrangement in respect of each arrangement which is validated. The amount of the fee shall be equal to 0.05% of the amount of prospective participation acquired (in the case of a nominee) or in respect of which any participation nomination and any second nomination is made (in the case of the party making any participation nomination and any second nomination).

4(3) A fee of £75 (inclusive of VAT) shall be payable by each party by whom or on whose behalf a withdrawal notice pursuant to Rule 6 is submitted.

5. **Unsatisfied auction orders**

5(1) Where a bilateral notice concerns the same syndicate as that specified in any unsatisfied tender orders and the bilateral price specified in that notice exceeds the respective floor limits of those unsatisfied orders -

- (a) subject to the following provisions of this Rule 5, a nominee shall satisfy those tender orders in priority to the prospective participation which is the subject of the proposed arrangement;
- (b) the bilateral notices, if there is more than one, shall be ranked in order of their respective bilateral prices with the notice specifying the highest bilateral price ranking first in order of priority;
- (c) any bilateral notices, if there is more than one, specifying the same bilateral price shall be ranked equally and, subject to Rules 5(1)(d) and 5(1)(e), any orders shall be satisfied pro rata to the amount of the prospective participations specified in the respective notices;
- (d) the unsatisfied tender orders shall be ranked in order of their respective floor limits with the tender order specifying the lowest floor limit ranking first in order of priority;
- (e) any unsatisfied tender orders specifying the same floor limit shall be ranked according to the Relevant Time attributable to those orders with the tender order attributed the earliest Relevant Time being accorded priority;
- (f) the price per £1 of prospective participation to be paid to the tenderer in respect of any tender order satisfied by a nominee shall be an amount equal to:

$$\frac{A}{B}$$

where:

A = the aggregate of the amounts payable by all nominees for prospective participations to which the tender order relates; and

B = the total amount of prospective participations to which the tender order relates which have been satisfied by the nominees.

5(2) Where a bilateral notice concerns the same syndicate as that specified in any unsatisfied subscription orders and the bilateral price specified in that notice is less than the respective subscriber's premium of those unsatisfied subscription orders -

- (a) subject to the following provisions of this Rule 5, a party making a participation nomination and/or second nomination shall satisfy those subscription orders in priority to the prospective participation which is the subject of the proposed arrangement;

- (b) the bilateral notices, if there is more than one, shall be ranked in order of their respective bilateral prices with the notice specifying the highest bilateral price ranking first in order of priority;
 - (c) any bilateral notices, if there is more than one, specifying the same bilateral price shall be ranked equally and, subject to Rules 5(2)(d) and 5(2)(e), any orders shall be satisfied pro rata to the amount of the prospective participations specified in the respective notices;
 - (d) the unsatisfied subscription orders shall be ranked in order of their respective subscriber's premium with the subscription order specifying the highest subscriber's premium ranking first in order of priority;
 - (e) any unsatisfied subscription orders specifying the same subscriber's premium shall be ranked according to the Relevant Time attributable to those orders with the subscription order attributed the earliest Relevant Time being accorded priority;
 - (f) the price to be paid by a subscriber in respect of any subscription order satisfied by a party making a participation nomination and/or a second nomination shall be the subscriber's premium.
- 5(3) For the avoidance of doubt, nothing in this Rule 5 shall oblige or entitle a party to a proposed arrangement to, as the case may be, acquire a prospective participation or make any participation nomination and any second nomination which, in aggregate, is in excess of the amount specified in that party's bilateral notice.
- 5(4) No later than 4.30pm (or such later time as the Auction Official may permit) on Day Two of an auction the Auction Official shall cause there to be published electronically in a form prescribed by him, or by such other means as he may agree, to each party to whom Rules 5(1) and 5(2) apply particulars of any prospective participations allocated in or towards satisfaction of any orders pursuant to this Rule 5.

6. **Withdrawal and revision of notices**

- 6(1) Subject to the following provisions of this Rule 6, no bilateral notice may be withdrawn or altered after it has been submitted.
- 6(2) A bilateral notice may be withdrawn where -
- (a) the amount of the prospective participation which a party to the proposed arrangement may be obliged to, as the case may be, acquire or make any participation nomination and any second nomination in respect of pursuant to

Rule 5, exceeds 15% of the amount of prospective participation specified in the bilateral notice; and

- (b) notice in Form BW is given to the Auction Office by or on behalf of either party to the proposed arrangement of that party's intention to withdraw from the proposed arrangement (a "withdrawal notice") by no later than 4.35pm on Day Two of the relevant auction.
- 6(3) Where a subscription order or a tender order is satisfied in whole or in part by a party to a proposed arrangement pursuant to Rule 5, unless the parties to the proposed arrangement submit a revision notice in accordance with Rule 6(4), the amount of the prospective participation specified in their bilateral notice shall be treated as having been reduced to the extent that that subscription order or tender order has been so satisfied.
- 6(4) Subject to Rules 6(5) and 6(6), where a party to a proposed arrangement has satisfied in whole or in part a subscription order or a tender order pursuant to Rule 5, the parties to the proposed arrangement may submit a notice in Form BR (a "revision notice") revising their bilateral notice by specifying an amount of prospective participation greater than that specified in the bilateral notice.
- 6(5) The amount of prospective participation specified in the revision notice shall not exceed in aggregate the amount specified in the bilateral notice and any amount satisfied pursuant to Rule 5.
- 6(6) A revision notice shall be submitted to the Auction Office by no later than 4.45pm on Day Two of the relevant auction.
- 6(7) In order to give a withdrawal notice or a revision notice in accordance with the requirements of Rule 6(2)(b) and Rule 6(6), the relevant parties shall arrange for duly authorised representatives to be available to the Auction Office (by providing to the Auction Office direct phone and fax lines) between 2pm and 4.30pm on Day Two of the auction. Such notices, in Form BW or Form BR as the case may be, may be faxed by the duly authorised representative to the Auction Office.

7. **Settlement of auction orders**

- 7(1) The Auction Official shall no later than each Statement Date cause there to be issued to each party to a permitted bilateral arrangement who has satisfied any subscription orders or tender orders pursuant to Rule 5 a statement as to the net amount ("the Net Amount") payable or receivable by that party in respect of those orders. The Net Amount ("NA") shall be calculated as follows:

NA = U-V-W-X-Y

Where:

U = the amount of all premiums receivable by that party in respect of subscription orders satisfied under Rule 5.

V = the amount of all premiums payable by that party in respect of tender orders satisfied pursuant to Rule 5.

W = the fee of £10 due pursuant to Rule 4(1).

X = the amount of the fee due pursuant to Rule 4(2).

- 7(2) Where the Net Amount is a negative amount, it is referred to below as a Debit Amount and the statement as a Debit Statement and, where it is a positive amount, it is referred to below as a Credit Amount and the statement as a Credit Statement.
- 7(3) Subject to Auction Rule 18(5) which shall apply *mutatis mutandis*, the Auction Official shall cause the Credit Amount payable to each nominee in receipt of a Credit Statement to be credited to the relevant nominee's Auction Funding Account in cleared funds no later than close of business on the Relevant Credit Date.

PRELIMINARY

INTRODUCTION

- 1 These conditions and requirements are made under the Conversion and Related Arrangements Byelaw (No. 22 of 1996) and may be cited as the Capacity Offer Rules 2003.
- 2 The purpose of these **Rules** is to set out the method by which a **capacity offer** may be made (which may be a **surrender offer**, an **announced auction offer** or a **competing offer**). In respect of a **surrender offer**, a **cash offer** may have a **share alternative** but a **share offer** must have a **cash alternative**. A **competing offer** may only be for cash. The provisions relating to **limited offers**, **unlimited offers**, **increasing offers**, **reducing offers** and **stepped offers** are also set out in these **Rules**.
- 3 As a general principle, a **capacity offer** must be made to all persons entitled to participate in the arrangement which is the subject of that offer. However, it is possible for certain exclusions to be made.
- 4 When a **managing agent** wishes to effect a **minority buy-out** he must comply with these **Rules** as well as with the **Major Syndicate Transactions Byelaw**. A **mandatory offer** must be made by a **member** who has acquired the right to participate in a **syndicate** for the next following **year of account** with a **member's syndicate premium limit** not less than 75 per cent. of the **syndicate allocated capacity** for the next following **year of account**. A **mandatory offer** is also required to be made in other circumstances specified in the **Mandatory Offer Byelaw**. A **mandatory offer** must be made in accordance with these **Rules** and the **Mandatory Offer Byelaw**.
- 5 A **formal offer** may be subject to conditions but an **announced auction offer** must be made in an **auction** in accordance with the **Auction Byelaw** and **Auction Rules** and therefore cannot generally be subject to any conditions.
- 6 The **Council** has made these **Rules** to stipulate:-
 - (1) the requirements relating to the persons to whom a **capacity offer** may be made;
 - (2) the requirements relating to the different types of **capacity offer**;
 - (3) the conditions, requirements and procedures which must be complied with in connection with the promotion of a **capacity offer** and/or the issue of any documentation in connection with a **capacity offer** and/or the acceptance of a **capacity offer**;
 - (4) the qualifying criteria for a person who seeks to act as a sponsor and the responsibilities of such a person; and
 - (5) the qualifying criteria for a person who seeks to act as an offeror and the responsibilities of such a person.
- 7 All references in these **Rules** to the promotion of a **capacity offer** shall include:-
 - (1) issuing or causing to be issued any **advertisement** inviting a person to accept or participate in a **capacity offer** or containing information calculated to lead directly or indirectly to a person doing so; or

(2) advising or procuring a person to accept or participate in a **capacity offer**.

8 Appendix I sets out the **prescribed dates** for 2003.

9 In general, the **Conversion Official** no longer requires submission of a formal legal opinion concerning the making of a **capacity offer** in any jurisdiction. However, where an **offeror** proposes to offer securities to **US persons** (either by way of a **share offer** or a **share alternative**) a legal opinion will be required. An **offeror** is responsible for ensuring compliance with local laws (including securities laws) in all jurisdictions. **Lloyd's** accepts no responsibility or liability in this regard. **Offerors** are recommended to consult overseas lawyers who have appropriate experience. Appendix II contains a list of overseas law firms/lawyers from whom **Lloyd's** has taken advice from time to time and who may therefore be considered to be familiar with the issues involved. None of these law firms/lawyers is obliged to provide advice but **Lloyd's** has no objection to advice being given by them. By including these law firms/lawyers on the list, **Lloyd's** is not, however, recommending their services.

INTERPRETATION

The **Conversion Official** shall be entitled, in his absolute discretion, to determine all questions of interpretation relating to these **Rules** and any such decision of the **Conversion Official** shall be final. The **Conversion Official** shall also be entitled to dispense with (in whole or in part) or modify the application of these **Rules** (either unconditionally or subject to conditions) in such cases and by reference to such circumstances as he considers appropriate.

The **Conversion Official** shall be entitled, in his absolute discretion, to impose any condition on a **sponsor** or an **offeror** or in relation to any **capacity offer** which he considers appropriate in the interests of protecting **Lloyd's**.

These **Rules** shall include each of the Appendices and any document referred to in these **Rules** as being in the **prescribed form**. The **Conversion Official** shall be entitled to prescribe the form of documents or other additional documents or requirements referred to in these **Rules** and to amend such documents, additional documents or requirements from time to time. Any additions or amendments to any documents or requirements which are of general application and which are prescribed from time to time will be issued in, or referred to in, **Lloyd's Market Bulletins**.

SECTION 1

GENERAL PRINCIPLES

Scope of this section

This section sets out certain general principles which must be observed by any person undertaking any activity which is regulated by the **Rules**. It sets out the particular activities which are regulated by the **Rules** and certain provisions relating to the making of a **capacity offer** which may be a **surrender offer**, a **competing offer** or an **announced auction offer**. An offer may be a **limited offer** or an **unlimited offer** and/or may be an **increasing offer** or a **reducing offer** or a **stepped offer**. However, an **announced auction offer** cannot be a **reducing offer** or a **stepped offer**. A **formal offer** can be either a **surrender offer** or a **competing offer** but cannot be an **announced auction offer**. Failure to carry out these responsibilities may result in the **Conversion Official** taking any of the steps, applicable to a sponsor, referred to in paragraph 2(3)(b)(ii).

[Date]

Dear Sir

- 1 We refer to the capacity offer to be made by [insert name of promoter of the relevant capacity arrangement] to [insert a description of those persons to whom the offer will be made eg: those persons who underwrite on syndicates [] for the current year of account/those persons who participate on MAPA [] etc] ("the target persons"). We act as sponsor in relation to the capacity offer and, in order to facilitate the posting of a document containing the offer ("the [offer document/circular]") to the target persons, we require Lloyd's to provide us with the names and addresses of the target persons ("the information").
- 2 In consideration of Lloyd's making the information available to us, we unconditionally and irrevocably undertake to Lloyd's as follows:-
 - (a) We will keep the information confidential and ensure that it is not disclosed without the prior written consent of Lloyd's to any person other than to those of our employees to whom the information is required to be disclosed for the purpose of posting the [offer document/circular]. We may, however, disclose any of the information which we are required to disclose by law, judicial order or by any self regulating or similar organisation to whose rules we are subject.
 - (b) We will procure that each person to whom the information or any of it is disclosed is made aware of the terms of this undertaking and complies with its terms as if they were party to it.
 - (c) We will not copy or use all or any part of the information for any purpose other than to facilitate the posting of the [offer document/circular] and we acknowledge that neither we, nor any third party on whose behalf we act, shall be entitled to any right or licence in respect of the information. Accordingly, we will, upon demand at any time and, in any event, within three working days after the date on which the [offer document/circular] is posted:
 - (i) return or procure the return to Lloyd's of all copies, extracts or other reproductions (in whole or in part) of documents containing or reflecting the information without keeping copies thereof;

- (ii) erase and destroy all data from any computer, word processor or other device in our possession, custody or control containing or reflecting any of the information; and
 - (iii) confirm to Lloyd's in writing that we have fully complied with our obligations under paragraphs 2(c)(i) and 2(c)(ii).
- (d) We will indemnify Lloyd's against any loss, damage or expense incurred by it as a result of any breach of the terms of this undertaking.

If any provision of this undertaking shall for any reason be unenforceable, the remainder of this undertaking shall nevertheless remain in full force and effect. This undertaking shall be governed by and construed in accordance with English law and we hereby irrevocably submit to the non-exclusive jurisdiction of the English Courts.

Yours faithfully

The Auction Rules prescribe certain conditions and requirements in relation to the subscribing and tendering of prospective participations in an auction. **YOU SHOULD CONSULT YOUR MEMBERS' AGENT AS TO THE ACTION YOU SHOULD TAKE IF YOU INTEND TO TENDER YOUR PROSPECTIVE PARTICIPATION IN RESPONSE TO THE ANNOUNCED AUCTION OFFER[S].**

(b) Include a statement that this document should be read in conjunction with:-

- (i) the syndicate business forecast [*of each syndicate*], which can be obtained free of charge from your members' agent; and
 - (ii) the Auction Rules.
-

10 **Key features**

Set out in summary the following information or indicate where in the document such information appears:-

- (a) the names of the sponsor, the offeror (and, if the offeror is a connected company of a managing agent, the name of that managing agent) and, if different, the name of the person liable to pay the consideration;
- (b) details of the announced auction offer proposed to be made (including the auction(s) in which the proposed announced auction offer will be made);
- (c) if the announced auction offer is to be a limited offer or an unlimited offer, this fact must be stated and the implications summarised;
- (d) if the announced auction offer may be an increasing offer, this fact must be stated and the implications summarised;
- (e) the taxation effects of surrendering or otherwise disposing of prospective participations for cash;
- (f) details of a helpline (if any) for enquiries about the proposed announced auction offer;

- (g) any other information that is material to any person receiving this document in determining whether or not to tender their prospective participation in response to the announced auction offer.

Include a statement that:

Although this document contains information about the position of [*insert details of syndicate(s)*], persons receiving this document should be aware that further information including the relevant syndicate business forecasts, which may affect their decision to tender their prospective participation in response to the announced auction offer, may become available after the date of this document and before the [*relevant auction (include auction number and date)*]. Such persons are advised to contact their members' agent to ensure that they receive all such further information before tendering their prospective participation in response to the announced auction offer.

11 **Timetable**

Provide an expected timetable setting out the key dates affecting the proposed announced auction offer and including details of the auction timetable.

12 **Risk and other factors**

The following statements must, where applicable, be included. Reference must be made in the derogation letter to any statements which are not included together with an explanation as to their omission.

- (a) There is no obligation on [*the offeror*] to provide a formal valuation or justification of the consideration being offered under the proposed announced auction offer.
- (b) The announced auction offer proposed to be made will be for prospective participations on [*syndicate*] (which are subject to any pre-emptions or de-emptions for the following year of account). If a person entitled to tender a prospective participation does not successfully tender it in response to the announced auction offer or otherwise transfer it and does not take up any pre-emption right, then the amount of such increase will drop back to the [*offeror/managing agent*] for nil value.
- (c) It is open to anyone who is a member of the syndicate or otherwise entitled to make a second nomination to enter the auction in which it is proposed to make the announced auction offer, even if the announced auction offer cannot be made to them as a result of the operation of their local securities laws. As a result it is possible that the announced auction offer (where it is for less than 100 per cent. of syndicate allocated capacity) may be fully satisfied without you having transferred any prospective participation.
- (d) If you transfer any prospective participation through an auction in response to the announced auction offer, you may receive more than the offer price under the announced auction offer for it - you can ensure you do not receive less by inserting the offer price under the announced auction offer as the minimum you want to receive when you tender any prospective participation (this is referred to in the Auction Rules as the "floor limit").
- (e) You should be aware that auction fees of £[*insert figure*] per cent. will be levied on any prospective participation you transfer through the auction. This will reduce the proceeds you receive as will any charge your members' agent may impose.

(f) You should be aware that any proceeds due to you under the announced auction offer will become assets of the premiums trust fund. As such, they can generally only be released to you in accordance with the release mechanisms in the premiums trust deed. For practical purposes, you will, therefore, only receive these proceeds if you have assets at Lloyd's sufficient in value under the relevant release of funds requirements to enable the auction proceeds to be released to you.

(g) In the case of a mandatory offer:-

[*The offeror*] is required to make [*the announced auction offer*] at not less than the higher of the highest price paid by it (or the highest price paid by any associate (within the meaning of the Mandatory Offer Byelaw) of it) for prospective participations which are the subject of [*the announced auction offer*] in the period beginning on [*specify date*] and ending on [*specify date*].

13 **Extensions and variations**

State whether the announced auction offer can be extended or varied.

14 **Taxation**

 - (ab) only where that person is acting for the benefit of the estate of someone who has died, be able to dispose of the whole or part of the prospective participation by any other means permitted by Lloyd's from time to time;

- (i) amended as appropriate, a statement to the effect that the managing agent(s) of the

syndicate(s) in respect of which any announced auction offer is proposed to be made is not acting in any capacity as agent for any person in relation to [*the announced auction offer*], whether under the standard managing agent's agreement or otherwise.

- (k) details of the highest price paid since the beginning of the last year of account by the offeror and any associate of the offeror for the surrender of (or making of a participation nomination or a second nomination in respect of) the whole or part of a person's prospective participation on the syndicate(s) in respect of which the announced auction offer is proposed to be made.

PRELIMINARY

INTRODUCTION

- 1 These conditions and requirements are made under the Conversion and Related Arrangements Byelaw (No. 22 of 1996) and shall be cited as the Conversion Rules 2003.
- 2 The purpose of these **Rules** is to set out the method by which an **individual member** of **Lloyd's** who is currently undertaking underwriting business at **Lloyd's** may transfer that underwriting business to a **corporate member**. The requirements for membership applicable to a **corporate member** are set out in the **Membership and Underwriting Requirements**. An **individual member** who transfers his underwriting business to a **corporate member** will, as part of the conversion process, be required to resign from **Lloyd's**. It is therefore expected that any **prospective participation** which he may have on any **syndicate** which is not accepted by the **successor vehicle(s)** may be sold in an **auction**, surrendered or transferred by any other means permitted by **Lloyd's** from time to time or will drop back to the relevant **managing agent** for nil value. A **conversion scheme** which offers partial conversion of an **individual member's prospective participations**, may only be made if the **Conversion Official** is satisfied that the **conversion scheme** will allow significant additional benefits to accrue to the **participants**.
- 3 The **Council** has made these **Rules** to stipulate:-
 - (1) the requirements relating to **individual members** who may wish to, or be invited to, participate in a **conversion scheme** or a **private arrangement**;
 - (2) the conditions, requirements and procedures which must be complied with in connection with the promotion of a **conversion scheme** to **individual members** and/or the issue of any documentation in connection with a **conversion invitation** to **individual members** and/or the acceptance of such **conversion invitation** by **individual members**;
 - (3) the qualifying criteria for a person who seeks to act as a **sponsor** of a **conversion scheme** or **private arrangement** and the responsibilities of such a person; and
 - (4) the qualifying criteria for a person who seeks to act as a **promoter** of a **conversion scheme** and the responsibilities of such a person.
- 4 The provisions contained in sections 1 to 13 of these **Rules** apply to a **conversion scheme** which is promoted to two or more **individual members** to participate in an arrangement with the same or different **successor vehicle(s)** in substantially similar terms. Section 14 sets out the particular provisions which apply in respect of a **private arrangement** and a **promoted private arrangement**.
- 5 All references in these **Rules** to the promotion of a **conversion scheme** shall include:-
 - (1) issuing or causing to be issued any **advertisement** inviting an **individual member** to participate in a **conversion scheme** or containing information calculated to lead directly or indirectly to any **individual member** doing so; or
 - (2) advising or procuring an **individual member** to participate in a **conversion scheme**.

- 6 Appendix I sets out the **prescribed dates** for 2003.
- 7 In general, the **Conversion Official** no longer requires submission of a formal legal opinion concerning the making of a **conversion invitation** in any jurisdiction. However, where it is proposed that **US individual members** be invited to accept securities, a legal opinion will be required. A **promoter** is responsible for ensuring compliance with local laws (including securities laws) in all jurisdictions. **Lloyd's** accepts no responsibility or liability in this regard. **Promoters** are recommended to consult overseas lawyers who have appropriate experience. Appendix II contains a list of overseas law firms/lawyers from whom **Lloyd's** has taken advice from time to time and who may therefore be considered to be familiar with the issues involved. None of these law firms/lawyers is obliged to provide advice but **Lloyd's** has no objection to advice being given by them. By including these law firms/lawyers on the list Lloyd's is not, however, recommending their services. Appendix II also contains a summary of certain issues which may be relevant to a **promoter** proposing to make a **conversion invitation** to **members** resident or domiciled outside the United Kingdom.
- 8 On 9 April 2003 HM Government announced that it intends to bring forward legislation in the Finance Bill 2004 to allow individual members of Lloyd's to carry forward unused tax losses from their individual membership when they convert to underwriting through certain limited liability vehicles. It is also considering the position with regard to capital gains tax reliefs. The precise form of any new legislation, and the operative date for any new tax provisions, are not yet known. Members and their advisers should however, be aware of this intention.

The operation of tax depends on personal circumstances, and members are strongly advised to take their own tax advice on the financial consequences of any conversion.

INTERPRETATION

The **Conversion Official** shall be entitled, in his absolute discretion, to determine all questions of interpretation relating to these **Rules** and any such decision of the **Conversion Official** shall be final. The **Conversion Official** shall also be entitled to dispense with (in whole or in part) or modify the application of these **Rules** (either unconditionally or subject to conditions) in such cases and by reference to such circumstances as he considers appropriate.

The **Conversion Official** shall be entitled, in his absolute discretion, to impose any condition on a **sponsor** or a **promoter** or in relation to any **conversion scheme** or **private arrangement** which he considers appropriate in the interests of protecting **Lloyd's**.

These **Rules** shall include each of the Appendices and any other document referred to in these **Rules** as being in the **prescribed form**. The **Conversion Official** shall be entitled to prescribe the form of documents or other additional documents or requirements referred to in these **Rules** and to amend such documents, additional documents or requirements from time to time. Any additions or amendments to any documents or requirements which are of general application and which are prescribed from time to time will be issued in, or referred to in, Lloyd's Regulatory or Market Bulletins.

SECTION 1

GENERAL PRINCIPLES

Scope of this section

This section sets out certain general principles which must be observed by any person undertaking any activity which is regulated by the **Rules**. It sets out the particular activities which are regulated by the **Rules**, the types of **conversion schemes** which may be promoted and the **individual members** to whom a **conversion invitation** may be made. This section also sets out certain general principles relating to the issue of **conversion advertisements** as well as provisions relating to the submission of documents to the **Conversion Official**. This section sets out the charges which may be made by the **Council** and gives the **Conversion Official** power, in certain circumstances, to refuse an application made under the **Rules**.

1(1) Regulated activities

(a) These **Rules** regulate the following activities:-

- (i) promoting a **conversion scheme**;
- (ii) making or procuring the issue of a **conversion invitation** and a **PPA document**;
- (iii) making arrangements with a view to any **individual member** participating in a **conversion scheme** or a **private arrangement**;
- (iv) advising or offering to advise any **individual member** on the merits of participating in a **conversion scheme** or a **private arrangement**; and
- (v) procuring an **individual member** to participate in a **conversion scheme** or a **private arrangement**.

(b) No person who is, or has agreed to be, subject to the **Rules** may undertake any of the activities referred to in paragraph 1(1) other than in accordance with the **Rules**.

(c) Any activities regulated by the **Rules** which relate to **US individual members** or **individual members** resident in other jurisdictions (other than the United Kingdom) must be undertaken in accordance with the requirements contained in Appendix II and any additional requirements issued by **Lloyd's** from time to time.

1(2) Types of conversion schemes

The **Conversion Official** will, subject to paragraph 1(3)(b), only consider an application for approval under the **Rules** which relates to a **conversion scheme**:-

- (a) under which it is proposed that an **individual member** will (subject to acceptance of his application to participate in such **conversion scheme**):-
 - (i) cease to carry on any underwriting business at **Lloyd's**; and

- (ii) resign from **Lloyd's**; and
- (b) which comprises:-
 - (i) an **interavailability arrangement**, which utilises the appropriate prescribed trust deeds referred to in Appendix III; or
 - (ii) a **reverse interavailability arrangement** which utilises such prescribed documents and which satisfies such requirements as may be prescribed by the **Conversion Official** from time to time; or
 - (iii) a **transition arrangement** which utilises such prescribed documents and which satisfies such requirements as may be prescribed by the **Conversion Official** from time to time; or
 - (iv) a **swap arrangement** which is linked with an arrangement of the type referred to in paragraph 1(2)(b)(i), (ii) or (iii).

1(3) **Prospective participations**

- (a) An **individual member** may only participate in a **conversion scheme** or **private arrangement** in respect of that **individual member's prospective participation**.
- (b) A **conversion invitation** or **private arrangement** in respect of part only of that **individual member's prospective participations** may only be made if the **Conversion Official** is satisfied that the **conversion scheme** or **private arrangement** will allow significant additional benefits to accrue to the **participant(s)**.
- (c) An **individual member** to whom a **conversion invitation** is made (or who participates in a **private arrangement**) may (save as referred to in paragraph 1(3)(d) below) following his acceptance of such **conversion invitation** (or upon implementation of the **private arrangement**) make a **participation nomination** and/or **second nomination** in respect of the whole or part of his aggregate **prospective participations**.
- (d) An **individual member** to whom a **conversion invitation** is made (or who participates in a **private arrangement**) may NOT transfer his **prospective participation**:-
 - (i) if, for any reason, he has ceased to be a **member** of the relevant **syndicate**; or
 - (ii) (subject to any conditions or requirements to the contrary imposed or made by the **Council** under paragraph 11B of the **Agency Agreements Byelaw**) if his membership of the relevant **syndicate** is to terminate at the end of the **year of account** during which the **conversion invitation** is made (or the **private arrangement** is implemented) pursuant to a notice given by the **managing agent** of the relevant **syndicate** under clause 11.6 of the **standard managing agent's agreement** unless he has also received an invitation to participate in that **syndicate** for the next following **year of account**; or

- (iii) if his membership of the relevant **syndicate** is to terminate at the end of the relevant **year of account** pursuant to a notice given by the **member** pursuant to clause 11.5 of the **standard managing agent's agreement** unless the **managing agent** gives its written consent to the transfer of any such **prospective participation** after the **prescribed date** in any **year of account**.
- (e) For the purposes of paragraph 1(3)(d), an **individual member**:-
 - (i) of a **syndicate** for the **year of account** during which the **conversion invitation** is made (or a **private arrangement** implemented); and
 - (ii) whose participation in that **syndicate** is to terminate at the end of that **year of account** pursuant to a notice of the kind referred to in paragraph 1(3)(d)(ii); and
 - (iii) who has received an invitation from the **managing agent** to participate in another **syndicate** for the **year of account** following the **year of account** during which the **conversion invitation** is made (or a **private arrangement** implemented)

shall be deemed to be a **member** of the latter **syndicate** for the **year of account** during which the **conversion invitation** is made (or a **private arrangement** implemented).

1(4) **Equal treatment of members**

No **sponsor** or **promoter** (or any **connected company** or **associate** of any such **sponsor** or **promoter**) shall furnish any material information to any **individual member** concerning a **conversion scheme** which it is sponsoring or promoting unless such information is furnished to all **individual members** to whom such **conversion scheme** has been, or is proposed to be, made available.

1(5) **Confidentiality**

- (a) A person who is, or who has agreed to be, subject to the **Rules** must not, subject to paragraph 1(5)(c), disclose any information (other than information of a general nature) concerning any proposed **conversion scheme** to any person (other than to a professional adviser instructed to assist in the development and implementation of such **conversion scheme**) prior to the **Conversion Official** approving an **application in principle** in relation to such **conversion scheme** pursuant to section 5.
- (b) A person who is, or who has agreed to be, subject to the **Rules** must, subject to paragraph 1(5)(c), keep details of all dealings with **Lloyd's** and/or the **Conversion Official** in relation to matters covered by the **Rules** confidential unless the **Conversion Official** agrees in writing to the form and content of any disclosure.
- (c) Paragraphs 1(5)(a) and (b) shall not apply to any information which is within the public domain and shall not prevent the disclosure of any information which any person is required to make by law or in accordance with the rules of any

regulatory body (including any stock exchange).

- (d) **Lloyd's** is bound by the provisions of paragraphs 3 and 4 of the Information and Confidentiality Byelaw (No. 21 of 1993) in respect of all information obtained pursuant to any provisions of the **Rules**.

1(6) **Issuing conversion advertisements**

- (a) Part III of Appendix II;
- (b) **promoters** should consult US counsel about the legal implications of making a **conversion invitation** to **US individual members**; and
- (c) where the **promoter** proposes to invite **US individual members** to accept securities, a legal opinion from US counsel in the form satisfactory to the **Conversion Official** and addressed to **Lloyd's** must be submitted to **Lloyd's** in accordance with section 8.

1(8) **Independent advice**

When a **members' agent** proposes to advise or make arrangements with a view to an **individual member** participating in a **conversion scheme** (irrespective of whether that **member's agent** is the **promoter** of such **conversion scheme** or whether that **members' agent** has been appointed by the **individual member** under an agreement in the terms of the **standard members' agent's agreement** (or will be so appointed in the following **year of account** if the **conversion scheme** is implemented)) the **members' agent** must observe the Lloyd's Code for Members' Agents: Responsibilities to Members, as amended from time to time.

- (b) The **Conversion Official** may refuse to review any documentation which does not comply with paragraph 1(9)(a) or which he considers is not of a standard which is appropriate for review.

1(10) **Refusal to consider a conversion scheme**

The **Conversion Official** may refuse, in his absolute discretion, an application under the **Rules** which relates to a **conversion scheme**. In particular, no application will be considered if he is of the view that:-

- (b) any **sponsor** or **promoter** is not complying, or has not complied, with the **Rules** or with any particular condition imposed upon it by the **Conversion Official**; or

- (b) References to costs and disbursements incurred by **Lloyd's** and to be paid or reimbursed by any person are to such costs and disbursements net of such amount as **Lloyd's** shall determine it can recover or obtain credit for under the value added tax rules for crediting input tax against output tax.

SECTION 2

COMPLIANCE AND ENFORCEMENT

Scope of this section

This section contains rules regarding compliance with, and enforcement of, the **Rules**. It also sets out the sanctions which may be imposed against a person who is in breach of the **Rules**.

2(1) Compliance with the Rules

- (a) All underwriting agents, connected companies or associates of any underwriting agent and members must comply with the **Rules**. Sponsors and promoters must comply with, and ensure that any conversion scheme which they either sponsor or promote complies with, and is promoted in accordance with, the **Rules**.
- (b) **Sponsors** and **promoters** must provide to the **Conversion Official** without delay:

7(3) Form and content of invitation documents

- (a) An **invitation document** must:-
 - (i) be in the format out in Appendix XI and include the statements which are prescribed therein;
 - (ii) contain such other information as **individual members** to whom the **conversion invitation** is directed and their professional advisers would

reasonably require and reasonably expect to find there for the purpose of making an informed assessment of:-

- (b) Irrespective of whether a prospectus is required to be published pursuant to the **POS Regulations**, where a **conversion scheme** involves the issue of **unlisted securities** to an **individual member**, the **invitation document** shall, in addition to containing the information required by the **Rules**, also contain the information which would be required by the **POS Regulations**, if such a prospectus were so required.
 - (c) The **Conversion Official** may require that prominence be given in the **invitation document** to important information in such manner as he considers appropriate.
 - (d) **Promoters** should discuss with the **Conversion Official** as early as possible the conditions, if any, to which the **conversion invitation** is proposed to be subject.
 - (e) The information to be included in an **invitation document** by virtue of paragraph 7(3)(a)(ii) shall be such information as is required by such paragraph which is within the knowledge of any person responsible for the **invitation document** or which it would be reasonable for him to obtain by making enquiries.
 - (f) In determining what information is required to be included in an **invitation document** by virtue of paragraph 7(3)(a)(ii) regard shall be had:-
 - (i) to the nature of any securities and the issuer of those securities; and
 - (ii) to the nature of the **individual members** likely to consider the acquisition of such securities; and
 - (iii) to the fact that certain matters may reasonably be expected to be within the knowledge of professional advisers of any kind which those

individual members may reasonably be expected to consult; and

7(5) **Derogation**

If any information required by this section 7 or Appendix X or elsewhere in the **Rules** is not applicable and no equivalent information is available, it need not be included in the **invitation document** provided the **Conversion Official** is informed in writing (by a **derogation letter**) and the **Conversion Official** approves the contents of such **derogation letter**.

7(6) **Delay in issuing an invitation document**

- (a) If an **invitation document** relating to a particular **conversion scheme** is not issued before the 42nd **business day** following the issue of the first **initial advertisement** relating to that **conversion scheme**, or, if earlier, before the 25th **business day** before the first day of the last **auction** in which **individual members** could tender their **prospective participations**, the **promoter** shall give written notice to each of the **individual members** to whom the **invitation document** would otherwise have been sent:-
 - (i) as to whether, in its reasonable opinion, the **conversion scheme** is likely to be implemented; and
 - (ii) giving details of the dates of any remaining **auctions**.
- (b) Where an **advertisement** relating to a particular **conversion scheme** has been issued and the **promoter** believes that there is no reasonable prospect of that

conversion scheme being implemented in substantially the form advertised, the **promoter** shall forthwith:-

- (i) notify the **Conversion Official** in writing thereof;
- (ii) notify each of the **individual members** to whom the **advertisement** was sent in writing thereof; and
- (iii) make an announcement to such effect, in such terms and in such manner as may be approved by the **Conversion Official**.

7(7) **Approval process**

- (a) The first draft of any **invitation document** (together with a **derogation letter** (if applicable)) must be submitted to the **Conversion Official** no later than the **prescribed date**.
- (b) The **Conversion Official** will use reasonable endeavours to provide preliminary comments on the first draft of an **invitation document** (and any related **derogation letter**) not more than 7 **business days** after the documentation has been submitted to him. The **Conversion Official** will use reasonable endeavours to provide comments on any subsequent draft document not more than 5 **business days** after submission.
- (c) If so requested by the **Conversion Official**, the **sponsor** and **promoter** shall attend meetings at Lloyd's to discuss any requirements or conditions which the **Conversion Official** may:-

This section sets out the requirements of the **Rules** which apply to **private arrangements** and **promoted private arrangements**.

A **private arrangement** is an arrangement where an **individual member**, either on his own or together with other **individual members** who are members of his family transfers his, or they each transfer their, unlimited liability underwriting business to a specially formed **corporate member** or **SLP**. A **private arrangement** may also involve the members of an **employee group** who wish to convert to a **corporate member** or **SLP**. It is not anticipated that any form of public advertising or other promotion relating to a **private arrangement** will take place. However, a **members' agent** will be permitted to make **individual members**, for whom it acts as a **members' agent**, aware of the availability of this type of arrangement. No **application in principle** in relation to a **private arrangement** need be made and only limited documentation need be submitted to the **Conversion Official**.

Promoted private arrangements are arrangements which are substantially similar in nature which are offered to a number of **individual members** allowing them each to transfer their unlimited liability underwriting business to separate specially formed **corporate members** or **SLPs**. Although the **Rules** relating to issuing **advertisements** apply to the promotion of a **promoted private arrangement** it is not anticipated that any **invitation document** will be issued in relation to such an arrangement since the implementation of such an arrangement will take place on a case by case basis. It is however anticipated that the **sponsors/promoters** of a **promoted private arrangement** will wish to issue a **PPA document**. Approval to the implementation of a **promoted private arrangement** must also be obtained from the **Conversion Official** before a **PPA document** may be issued.

PART II

CERTAIN ISSUES WHICH MAY BE RELEVANT

Below is a summary of certain issues in relation to conversion invitations in certain overseas jurisdictions.

The information set out below is not intended to summarise comprehensively the position in the relevant jurisdiction or to constitute definitive legal advice. It is the primary responsibility of the promoter and its advisers to ensure compliance with overseas securities laws and all other relevant legislation in the jurisdiction concerned. Therefore, Lloyd's accepts no responsibility or liability in this regard.

- 1** There appear to be no additional securities law requirements in the following jurisdictions:

Greece	United Arab Emirates
France	Brunei
Sweden	

2 **Guernsey**

The document will be deemed to be a "prospectus" under Guernsey law. Therefore, under normal circumstances, regulatory consent will be required prior to circulation. An exemption from such a requirement is available if the documents are in the same terms and in the same class as the documents circulated in the UK in accordance with the Companies Act 1985 and the Financial Services and Markets Act 2000. If it is possible to obtain such an exemption, there will be no requirement to (i) file/register the documents with any regulatory authority, or (ii) comply with any contents/disclosure/approval requirements.

3 **South Africa**

The issue of the invitation document should not infringe any local securities law and there should be filing/registration requirements provided the conversion invitation cannot be construed as an offer to the public. However, certain exchange controls exist.

A South African member will need to obtain the prior approval of the South African Exchange Control Authority ("ECA") before accepting the conversion invitation. At the time the member was admitted as an individual member of Lloyd's, he may also have had certain conditions imposed on him by the ECA which relate to his ability to act as an individual member and these special conditions (if any) would also need to be considered on a case-by-case basis.

4 **New Zealand**

There should be no additional securities law issues provided the conversion invitation falls within the Securities Act (Lloyd's of London) Exemption Notice 1997. The requirements of this legislation should be relatively easy to satisfy.

5 **Israel**

The issue of the invitation document should not infringe any securities law and there

should be no filing/registration requirements. There are, however, certain exchange control requirements.

6 Jersey

If the conversion invitation is made in Jersey on identical terms to the conversion invitation made in the UK and the promoter or successor vehicle has no “relevant connection” with Jersey, there should be no additional securities law requirements.

7 Isle of Man

Legal advice as to whether a conversion invitation complies with Isle of Man laws should be sought in each case.

8 Norway

Subject to certain exchange control reporting requirements, there should be no problem with a conversion invitation involving securities if it is made to fewer than 50 members, but prospectus requirements will apply if it is made to more than 50 members.

9 Hong Kong

There appear to be no securities law problems if a conversion invitation is addressed to sufficiently few members (the number is unclear: a conversion invitation to five members has in the past been permissible). However, once the conversion invitation is open to more than a limited number of members, additional securities law requirements will apply.

10 Bangladesh

It is understood that local securities laws do apply but that these are relatively easy to satisfy.

11 Ireland

It is likely that a conversion invitation which satisfies UK requirements will comply with the Irish regime. However, additional requirements etc. may be relevant and legal advice should be sought.

12 Australia

The promotion of any conversion scheme in Australia and the promotion in Australia of any other type of scheme which involves offers of (or invitations to make offers for) “securities” which are shares or debentures in an activity which is heavily regulated and, subject to certain exclusions, requires a prospectus. For more information, please refer to the Market Bulletin headed “Conversion - Australian Names” which Lloyd’s issued in April 1998.

13 Canada

A member may convert via a private arrangement which involves transferring his underwriting capacity to his own limited liability company without any additional Canadian securities law requirements. If the scheme does not involve a distribution of

securities other than the issue of shares in a private company to the Canadian member it should be exempt from the prospectus and dealer registration requirements of provincial securities laws by virtue of the “private company exemption”.

An offer to Canadian members to enter into a collective conversion scheme involving the issue of securities would be subject to Canadian securities law and the prospectus and dealer registration requirements. Certain exemptions may be available and therefore legal advice should be sought.

PART III

ADDITIONAL US REQUIREMENTS

Conversion schemes raise a number of complex issues under the US federal and state securities law. The marketing of conversion schemes to US individual members is summarised below although this analysis is subject to change.

- Conversion schemes can only be offered to US individual members who are “accredited investors”.
- Any marketing or promotion of conversion schemes in the United States must be conducted on a basis consistent with a “private placement”. This means that it must not involve use of generalised advertising, “cold-calling” or other methods of solicitation inconsistent with a private placement. No “general solicitation” is permitted. Information regarding conversion schemes cannot be placed on an unrestricted website – appropriate steps must be taken to restrict access by US persons to those who have “prequalified”.
- Advertisements relating to conversion schemes in publications such as *One Lime Street* which circulate in the United States must carry a statement approved by Lloyd’s indicating that the scheme is not being publicly offered in the United States or to US persons.
- The marketing or promotion of conversion schemes by members’ agents and other promoters to US individual members with whom they (and the broker-dealers whom they employ) have no prior relationship raises special issues. While Lloyd’s may determine to permit such marketing and promotion on the basis that the solicitation of existing US individual members should not be deemed to constitute a “general solicitation”, such permission must be sought. In any case, members’ agents and other promoters involved in such solicitation should obtain legal advice from US counsel on the issues raised.
- Invitation documents relating to conversion schemes circulated in the United States or to US individual members will need to be prepared with United States disclosures standards in mind. This will mean that, in particular, risk factors will need to be described prominently (near the front of the document) clearly and in great detail.
- The offer and sale to US individual members, or in the United States, of securities to be issued pursuant to a conversion scheme must be made through broker-dealers registered with the United States Securities and Exchange Commission and in the appropriate states.
- Securities issued to US individual members will need to be legended to indicate that they have not been registered under the United States Securities Act of 1933, as amended, or

applicable state law, and to bar transfers in the United States or to US persons (except for “regular way” transactions on the London Stock Exchange). Invitation documents will also need to bear an appropriate legend.

- Neither the “offerors” of securities to be issued pursuant to a conversion scheme - an expression which in this context should be deemed to include the promoters, sponsors, members’ agents and others encouraging US individual members to consider conversion schemes - nor their employees are permitted to receive transaction-based compensation in respect of offers or sales of securities to US individual members or made in the United States. Receipt of such compensation could raise issues under both broker-dealer and investment adviser legislation in the United States.
- Lloyd’s reserves the right not to approve certain types of conversion schemes for offer in the United States or to US individual members if it appears to Lloyd’s that they will or may prejudice Lloyd’s position in the United States.
- Promoters of conversion schemes will be required to obtain United States legal advice as to whether such schemes and marketing plans raise issues under other federal and state securities laws, such as the US Williams Act (regulating tender offers), the US Investment Company Act of 1940 and the US Investment Advisers Act of 1940. They will need to consult with Lloyd’s concerning their plans for compliance with these laws.
- The promoters of a conversion scheme will be required to obtain a legal opinion from US counsel, acceptable to Lloyd’s, that the offering of the conversion scheme in the United States in accordance with the invitation document complies with all applicable federal and state securities (including insurance securities) laws.

Those interested in developing conversion schemes either for US individual members or to be offered in the United States should note that Lloyd’s is still reviewing the position and may extend its requirements. These could include, for example, the provision of a representation and warranty or indemnity and a further (post-completion) legal opinion.

Lloyd's market

Statements in the following terms and in the following order:-

Lloyd's background

Lloyd's business trading record and prospects

- (1) Syndicates at Lloyd's underwrite insurance risks worldwide, with the core markets being in the United Kingdom and North America and in the marine, non-marine, aviation, large commercial and reinsurance sectors.
- (2) Under Lloyd's three year accounting system, its most recently declared results are in respect of the [*insert year*] year of account. Whilst overall results from Lloyd's syndicates were profitable from 1968 to 1987, significant losses were incurred in the five years of account between 1988 and 1992, before Lloyd's returned to profitability in the 1993 year of account, with a further improvement in 1994. [*Insert details re further years*]. The summary results for the five most recently reported years of account were as follows:-

Year	Underwriting Profit/(loss) £m	Results after Personal expenses* £m
1991	(1,993)	(2,048)
1992	(824)	(1,193)
1993	670	225
1994	1,662	1,095
1995	1,602	1,149
1996	735	606
1997	163	(209)
1998	(777)	(1,065)

Reconstruction and renewal

- (3) The Reconstruction and Renewal Plan culminated in the publication by Lloyd's of a

settlement offer document in July 1996.

- (4) The key elements of the settlement offer document were: (i) the reinsurance of all general business liabilities allocated to 1992 and prior years of account into Equitas; (ii) a settlement offer to individual members in respect of 1992 and prior liabilities of around £3.2 billion; (iii) the establishment of a New Central Fund and “firebreak” to separate the old liabilities reinsured by Equitas; and (iv) the settling of litigation involving members, their agents and others. By reinsuring these into Equitas, Lloyd’s syndicates should have no further exposure to general business liabilities for policies written prior to 1993, assuming Equitas is adequately funded and remains solvent.
- (5) The settlement offer document was sent to all individuals who could benefit from it and was accepted by approximately 95 per cent. of them. Equitas received unconditional authorisation from the Department of Trade and Industry in September 1996. The directors of Equitas stated in Equitas’ audited accounts to [*31 March 1997 (or give more recent date and adapt wording as appropriate)*] that at [*date of report*] they did not believe that Equitas’ assets were insufficient to meet all liabilities in full.

The auctions

- (6) The introduction of auctions in 1995 provided a means of access to syndicates for all members and the opportunity for existing members to realise value for prospective participations when resigning from a syndicate or reducing their level of participation. This development built on the right to a proportionate share in any increase in syndicate capacity from one year to the next (granted in the 1994 and 1995 syndicate pre-emption byelaws) and the rights of security of tenure (ie: the right to remain on any given syndicate) in respect of syndicate participations (conferred by the amendments made to the Agency Agreements Byelaw and the standard agency agreements).

Corporate capital at Lloyd’s

- (7) Until 1994, all members of Lloyd’s underwrote insurance business with unlimited personal liability. In 1993, Lloyd’s introduced new rules which, with effect from 1 January 1994, permitted bodies corporate for the first time to participate in underwriting insurance at Lloyd’s. This type of capital, which has become known as corporate capital, provided £1.6 billion of premium capacity in the 1994 year of account, equivalent to 15 per cent. of Lloyd’s overall capacity in that year. For the 2003 year of account, corporate capital supports £12.6 billion of premium capacity, 87% of Lloyd’s overall capacity.
- (8) Since the initial Lloyd’s rule changes in 1993, Lloyd’s has permitted increased flexibility in the manner in which corporate capital can support underwriting at Lloyd’s. This has contributed to the development of dedicated vehicles and the emergence of corporate syndicates. Dedicated vehicles are corporate members which exclusively support one or more of the syndicates managed by a particular managing agency, while a corporate syndicate is a syndicate with a single corporate member.

Control of corporate members

- (9) A person may not be a “controller” of a corporate member without the prior written consent of the Council of Lloyd’s. In summary, a controller is any person who holds 10 per cent. or more of the economic or voting rights of a corporate member, whether directly or indirectly, or in accordance with whose directions the directors of a corporate member are accustomed to act. Controllers are obliged to complete a questionnaire on

“Fitness and Propriety”. Lloyd’s will examine the reputation and financial standing of controllers to ensure they meet its “fit and proper” requirements.

- (10) Lloyd’s also retains the right to ask for financial guarantees, letters of support or subordination undertakings from controllers of corporate members.

Capital Requirements

- (11) The minimum capital requirements for all members is set at 40% of their respective overall premium limit (OPL) (with the exception of members writing 85% or more direct UK motor business for whom the minimum capital requirement is 35%). Individual members only may reduce their net funds at Lloyd’s requirement by up to 20% of that requirement where the member has net eligible means of not less than £350,000. The net funds at Lloyd’s may not, however, be reduced below 35% of allocated premium limit. Therefore, if *[insert name of successor vehicle]* is to have the same OPL as participants, it may have to have more FAL than the participants would otherwise be obliged to have.

Subject to the absolute minimum FAL requirements set out in paragraph *[(16A)]*, *[insert name of successor vehicle]*’s minimum capital requirement will be the greater of 40% of its OPL and its risk assessed capital (RAC) requirement. In satisfying its RAC requirement, *[insert name of successor vehicle]* must deduct from its FAL any interavailable FAL that have been “earmarked” to satisfy the RAC requirements relating to the participants pre-conversion underwriting portfolios. Individual members should seek advice from their members’ agent if they have concerns about this.

Subscriptions, fees and contributions

- (12) Corporate members are required to pay the following subscriptions, fees and contributions:
- (a) Annual subscriptions which finance Lloyd’s central costs at a rate, in *[insert year]*, of a maximum of *[insert percentage figure]* per cent. of overall premium limit.
 - (b) Central Fund contributions at a rate, in *[insert year]*, of *[insert percentage figure]* per cent. of overall premium limit.
 - (c) Managing agents charge annual fees and profit commissions to members underwriting on their syndicates. Profit commissions are subject to an arrangement (known as a vertical deficit clause), whereby a syndicate’s losses in the preceding 2 years are deducted from current profits for the purpose of computing profit commissions.
 - (d) Members’ agents are subject to an arrangement (known as a horizontal deficit clause) whereby profit commissions are paid on the net result of the member’s participation on all syndicates in respect of which they act as members’ agent.
 - (e) A premium charge of 2 per cent. (1 per cent. for UK motor and life business) on premiums signed to the 1997 and subsequent years of account in 2002 and 2003. This charge was introduced following 11 September 2001 in order to increase the central assets of the Society. It replaced a 1.1 per cent. premium charge which was used to repay a

loan facility that was raised as part of the future market's contribution to the R&R programme following the repayment of the loan in 2001.

All of the above payments are normally made out of premium trust funds on behalf of the corporate member.

Conversion

- (13) In 1994, two mechanisms were identified that would enable conversion: transition and interavailability. Transition first became available for the 1995 year of account and interavailability for the 1996 year of account. Transition involves the successor vehicle reinsuring a converting individual member's open years in return for a premium calculated by reference to the most recent annual solvency statement of the individual member. Interavailability allows an individual member's existing Lloyd's deposit to be used to support both his pre-conversion open years and the future underwriting of the successor vehicle. To date, most conversion schemes have taken advantage of the interavailability mechanism and most have utilised as their successor vehicle either a company incorporated under the United Kingdom Companies Acts or a limited partnership established in Scotland.

Legal proceedings disclosure

- (13A) The Jaffray action, in which certain Names claimed that Lloyd's, between the years 1978 and 1988, made fraudulent misrepresentations which induced those Names to become members of Lloyd's and continue underwriting has been finally decided in favour of Lloyd's. Judgement was given in favour of Lloyd's on 3 November 2000. The Court has recently refused Names permission to amend their pleadings in this action to allege negligent misrepresentation against Lloyd's.

In Australia one Name has commenced proceedings alleging similar claims of fraud as in the Jaffray action and breach of Australian statutes.

Five actions in the United States have been filed against Lloyd's and a number of other defendants in respect of the insurance of slaves. One action has been dismissed subject to appeal.

Part II

Interavailability

- (14) Lloyd's has introduced interavailability in order to provide a convenient mechanism for individual members who wish to convert to underwriting on the basis of limited liability.
- (15) Interavailability allows an individual member to use his Lloyd's deposit to support the underwriting of a successor vehicle in future years whilst at the same time supporting his open years. The member retains a broadly similar beneficial interest in his Lloyd's deposit as before and continues to receive profits and be liable for losses from underwriting years on which he participated as an individual member. Under these arrangements, the successor vehicle does not assume any responsibility for the past underwriting of the converting individual member.
- (16) An individual member who converts his general Lloyd's business through interavailability will need formally to request Lloyd's, as trustee of his existing Lloyd's

deposit, to make all or part of that deposit interavailable to the successor vehicle and to confirm that he regards such a step as being for his benefit. Special Reserve Funds and personal reserve funds are not eligible and any life deposits can only support life business. However, some or all of the individual member's personal reserve funds may be transferred into the relevant individual member's Lloyd's deposit if the necessary steps for this are taken first. This will require an exercise of discretion on the part of his members' agent and the individual member's written consent. A member's Lloyd's deposit, such as cash and equities, may be made interavailable, as may guarantees and letters of credit, subject to the consent of the providing bank or financial institution.

(16A) Under the Membership and Underwriting Requirements:

- (a) FAL made interavailable to a qualifying successor vehicle are exempt for a limited period from some of the more restrictive rules that normally apply to the type and amount of assets that qualify as FAL for a corporate member. The period of exemption will vary depending on the type of asset concerned; and
- (b) a private successor vehicle, in its first year of account only, is required to provide net funds at Lloyd's of whichever is the lowest of:
 - (i) £350,000; or
 - (ii) £100,000 per participant.

Also, [*insert name of successor vehicle*] will be required to comply with the investment criteria applicable to corporate members generally in respect of any additional or replacement assets provided as FAL after the coming into line date for the first year of account of [*insert name of successor vehicle*].

- (17) The Lloyd's deposit to be made interavailable by an individual member will provide security for the underwriting liabilities incurred by the successor vehicle as well as those already incurred by that individual member. Accordingly, an individual member will not normally be able to have his interavailable deposit repaid to him, even after every year of every syndicate of which he was a member has been closed by reinsurance, unless and until substitute security acceptable to Lloyd's has been provided in respect of open years of the successor vehicle or all the successor vehicle's own open and run off years have themselves been closed by reinsurance. The interavailable deposit itself cannot be used directly as substitute security – i.e. an individual member will not be able to transfer his interavailable deposit directly into the [*insert name of successor vehicle*]'s deposit. [This restriction also means that a member will not be able directly to use his interavailable deposit to pay up his loan stock when payment falls due. Therefore, an alternative source of funding may be necessary.]

The Interavailability Deed

- (18) The individual member's Lloyd's Deposit Trust Deed (General Interavailability) (in this and the following paragraphs, the "Interavailability Deed") provides a means for an individual member to use all or part of his Lloyd's deposit to support underwriting by a successor vehicle. The new deposit trust is first established by the individual member. The individual member's existing deposit is then transferred to the new trust by a separate Deed of Release, Advance & Resettlement. The Interavailability Deed provides for the individual member to carry on underwriting entirely through a single corporate

member, or through a number of different corporate members. It is a condition of the conversion scheme that there is no continuation of underwriting on an individual basis.

Principal terms of the Interavailability Deed

- (19) The terms of the Interavailability Deed broadly follow the terms of the existing standard Deposit Trust Deed. However, the deposit is split into separate funds:
- (a) the unappropriated fund which will support only the individual member's past business; and
 - (b) separate specified funds for each or any successor vehicle, which funds will support both the individual member's past business and the future underwriting business of the identified successor vehicle.
- (20) When an individual member participates in an interavailable conversion scheme, the successor vehicle will be required to enter into a deed under which it becomes a party to the Interavailability Deed. This Deed will specify which assets in the individual member's deposit are to support the future underwriting of the successor vehicle and they will become comprised in a special allocated fund, subject to Lloyd's solvency requirements. If any payment is made out of the deposit to meet the liabilities of an individual member, Lloyd's can require the individual member to put an equivalent amount back into the deposit.
- (20A) As with the existing standard deposit trust deed, capital appreciation on assets held in trust pursuant to the terms of the Interavailability Deed will form trust property. If such assets have been made interavailable, such capital appreciation will also support the underwriting of [*insert name of successor vehicle*] as well as the individual member's past business.
- (21) If at any time the unappropriated part of the deposit is not sufficient to meet Lloyd's solvency requirements for the individual member, the funds in the interavailable deposit supporting the business of the successor vehicle may be reduced. This will reduce the successor vehicle's ability to underwrite (because there will be less capital supporting it).
- (22) Once all of an individual member's liabilities have been provided for and any open years closed, the unappropriated part of the deposit can be returned to the individual member. If the liabilities of a particular successor vehicle have also been provided for and any open years closed, the part of the deposit which was supporting the business of that successor vehicle can also be returned to the individual member.
- (23) On the other hand, if the successor vehicle's liabilities are provided for and any open years closed but the individual member has continuing liabilities, the funds will remain in the deposit.

Creation of separate funds for successor vehicle

- (24) Lloyd's, as trustee, must agree to all or part of the deposit being used to support the business of a successor vehicle. As trustee and regulator, Lloyd's has certain duties, both to the individual member and to any Lloyd's creditors of the individual member.
- (25) Lloyd's will need to be satisfied that the allocation of a specified fund which is interavailable for the individual member and a particular successor vehicle is for the

benefit of the individual member. The deed executed by (or on behalf of) the individual member will confirm to Lloyd's that the individual member himself does regard it as being for his benefit. Lloyd's must also be satisfied that the position of the individual member's existing Lloyd's creditors will not be adversely affected in a material way.

- (25A) In particular, Lloyd's, as trustee, may not permit part, or all, of an individual member's Lloyd's deposit to be made interavailable unless it is satisfied at the time that there will be no material disadvantage to the individual member's Lloyd's creditors. In consequence, it may be necessary for part of a member's Lloyd's deposit to be set aside exclusively for the benefit of his creditors. The amount of the set aside is calculated by reference to any net solvency deficiency on an individual member's two naturally open years of account and any unpaid losses or run-off deficiencies. The part of the Lloyd's deposit set aside will form the unappropriated fund and will not be available to support the future underwriting of a successor vehicle. Individual members should consult their members' agent to ascertain whether they will be required to set aside part of their Lloyd's deposit. Details of the set aside calculation are given in paragraph 1.2 of Appendix 3 to Market Bulletin Y2086 issued on 5 July 1999.

Lloyd's deposit provided by way of letter of credit or guarantee

- (26) An alternative version of the Interavailability Deed described above is available for use where the individual member has provided his Lloyd's deposit by way of a letter of credit or guarantee. This alternative version operates for letters of credit or guarantees in a similar way to that described above in relation to cash and equities and contains similar principal terms.
- (27) The individual member will be required to enter into a new security and trust deed (interavailable) or a deed which will vary the terms of his existing Security and Trust Deed so that the funds held under it can be made interavailable. The consent of the institution providing the letter of credit or guarantee will also be required (and may be required each time funds are allocated to a separate fund for a specific successor vehicle). It is not normally necessary to reissue the letter of credit or guarantee.

Part III

Risk factors (interavailability)

The following statements must be set out in any invitation document which relates to an interavailability arrangement. Reference must be made in the derogation letter to any risk warnings which are not included together with an explanation as to their omission.

- (28) The nature of the insurance underwriting business, the regulatory regime applicable to [*insert name of successor vehicle*], the consequences of past years' underwriting losses at Lloyd's and the nature of conversion through interavailability generally, and through [*insert name of successor vehicle*] in particular, will give rise to a number of specific risk factors. The following list is not exhaustive, but is intended to draw individual members' attention to certain aspects of the risks involved in investing in [*insert name of successor vehicle*].

General warning

- (29) The past few years have seen considerable changes at Lloyd's, particularly in the

composition and character of its capital base. It is likely that continuing change will remain a feature of the Lloyd's capital base for the foreseeable future. Such change might involve alterations to the present annual venture basis of participating in syndicates, which could have fundamental implications for both Lloyd's and this conversion scheme, although the Council has no plans to mandate the end of the annual venture. Individual members should bear in mind that any decision to convert to limited liability now will necessarily be made without the benefit of knowing what the effect of these changes may be and without definitive knowledge of the future structure of the Lloyd's capital base.

In this context, there has been a trend in recent years towards continuous aligned capital structures at Lloyd's. In particular, many leading Lloyd's businesses have stated their intention to become integrated Lloyd's vehicles (the Lloyd's equivalent of insurance companies) that would not normally be reliant on any third-party capital. Although, as stated above, the Council has no plans to mandate the end of the annual venture and sees diversity of capital provision as a strength, the Council welcomes continuous capital.

In 1998 the Private Capital Group ('PCG') was set up to investigate ways in which private non-aligned capital may participate in the economic performance of the market without impeding or removing the advantages of integration as seen from the perspective of those managing agents wishing to form or operate ILVs. Although the PCG's proposals have not been taken up by the market, it is possible that they – or a version thereof – could be in future.

Any decision to convert to limited liability should be made after taking into account all relevant factors, including the trend towards continuous capital.

Individual members should seek advice from their members' agent if they have concerns about any of the above.

(29A) *This paragraph has been deleted.*

(29B) Additional risk warnings to be included where the successor vehicle is a Scottish Limited Partnership.

(SLP 1) Leaving a SLP

There are five ways of leaving an SLP:

- i) A Limited Partner may transfer or assign the whole of his interest in an SLP to a third party with the consent of the General Partner and Lloyd's. Lloyd's has set out criteria for the admission of persons as Limited Partners and, therefore, as assignees of a limited partnership interest. Not less than 90 days' prior written notice must be given and all assignments must be effective on 1st January. The amount of consideration payable is a matter to be decided between the Limited Partner and his successor. The successor must provide adequate FAL to replace those of the assigning Limited Partner. Once a full assignment is completed, the assigning Limited Partner will have no further rights or obligations to the SLP although he may remain liable to any other creditors for any remaining liabilities which were incurred prior to the assignment.
- ii) A Limited Partner can give notice to resign from the SLP before 31 July each year

for the subsequent year of account though his Lloyd's Deposit will not be released before all years of account of all syndicates which he has supported have been closed and provided the SLP has sufficient FAL to meet its ongoing requirements. If the SLP has insufficient FAL, release of his Lloyd's Deposit may be protracted. The resigning Limited Partner will also be entitled to an amount equal to the proceeds or deemed value of the capacity sold or deemed disposed of as a consequence of his resignation. During this time the Limited Partner will continue to be entitled to profits from syndicates in respect of the years of account for which the Lloyd's Deposit has been provided and will also be responsible for any calls in respect of losses for which he is responsible in terms of his Commitment to the SLP for the relevant year(s) of account. If the proposed resignation of a Limited Partner would result in there being less than two partners in that SLP (including the General Partner), Lloyd's prior written consent will be required.

- iii) An SLP can cease to underwrite any new insurance business at the end of any year of account by a majority vote of 75% or more of the Limited Partners (weighted relative to their Commitments) to that effect, provided the SLP has given notice to Lloyd's it intends to resign by the prescribed date that year.
- iv) A Limited Partner will cease to be a Limited Partner in the event of his death with effect from 31st December that year provided that he is not the sole Limited Partner. In such circumstances his personal representatives may request from the General Partner the right to transfer the interest of the deceased Limited Partner to any beneficiary (subject always to Lloyd's approval and compliance with Lloyd's requirements applicable to Limited Partners). Where he is the sole Limited Partner, upon his death, the SLP is deemed to be dissolved immediately and the managing agents of the relevant syndicates on which the SLP participates may terminate the managing agent's agreement with the SLP by giving not less than 48 hours notice. In the event that the managing agents give notice, the SLP will be removed from the relevant syndicates with effect from 1 January of that year. In the event that the managing agents do not give notice to terminate, the SLP will remain on the syndicates until the end of that year. In the event of a Limited Partner's sequestration or bankruptcy, insanity, insolvency, receivership or administration, the General Partner may treat the Limited Partner as if he had submitted a notice of resignation.
- v) With the consent of Lloyd's, the interests of all Limited Partners in an SLP may be sold, following a majority vote of 75% or more of the Limited Partners (weighted relative to their Commitments) to that effect.

(SLP 2) Lloyd's Regulatory Rights

Certain rights and undertakings set out in the partnership agreement are specifically granted in favour of Lloyd's and certain rights or actions of Limited Partners and/or the General Partner in an SLP are subject to the prior consent of Lloyd's. In particular, Lloyd's prior consent is required under the Partnership Agreement where:-

- (a) the SLP is to be, or is proposed to be dissolved, whether by operation of law or otherwise. In particular, because an SLP is required to have at least two partners at any given time (one of which must be a general partner), a Limited Partner may not resign where such resignation will result in there being less than two remaining partners (including the General Partner) without obtaining the prior written consent of Lloyd's. A similar restriction exists in relation to the General

Partner. In addition, partners may not apply to a court for dissolution of an SLP (whether under the terms of the Partnership Act 1890 or otherwise) without the prior written consent of Lloyd's;

- (b) a new Limited Partner is to be admitted to the SLP or upon the admission of an assignee as a Limited Partner; and
- (c) any amendments or variations are proposed to be made to the terms of the partnership agreement.

(SLP 3) Funds at Lloyd's – SLPs

In a number of instances a Limited Partner could find himself liable for more than the value of his Commitment for any year of account. First, if a Limited Partner has increased his FAL but calls in respect of an earlier year of account have not been met in full by the FAL provided for the earlier year of account, the additional FAL may be called on to meet the calls on earlier years. Second, if the value of the FAL provided by any Limited Partner exceed his Commitment and the losses of the SLP in any year of account exceed the total Commitments provided, Lloyd's may take the whole of his FAL to meet the call. Third, until the effective date of his resignation, a Limited Partner will, to the extent of his FAL and Partnership Capital, continue to be liable for the debts and obligations of the SLP and, therefore, underwriting losses. Fourth, if the interavailable FAL of one of his fellow Limited Partners has already been called on to meet his own open year losses and such FAL have not been replaced, Lloyd's may take more than a pro rata share of the remaining FAL to meet losses of the SLP.

Following assignment, an assigning Limited Partner may still be liable, to the extent of any Partnership Capital removed by him or by the assignee Limited Partner, for the residual liabilities of the SLP to third party creditors incurred prior to the advertisement and registration of the change.

If, during the continuance of the SLP, a Limited Partner either directly or indirectly draws out or receives back part of his capital contribution to the SLP (which would occur in all situations when a Limited Partner leaves the SLP and is repaid part or all of his Partnership Capital, except in instances of sale or assignation of the Limited Partner's interest in the SLP), the Limited Partner becomes liable to the amount so drawn out or received back.

In addition, if a Limited Partner decreases his Commitment, the release of the proportionate part of the FAL he provided to enable the SLP to underwrite in security for his Commitment may be protracted and until released may be exposed to underwriting losses of the SLP.

(SLP 4) In relation to the SLP structure

There are a number of ways a limited partner in a Scottish limited partnership can, at law, lose his limited liability. First, if a Limited Partner takes part in the management of the SLP, he will lose his limited liability for at least as long as his participation in the management. Second, if the SLP is not registered in accordance with the provisions of the 1907 Act whether initially or with reference to later changes, a Limited Partner is deemed to be a General Partner and, as such, his liability is unlimited. Third, if the Commitment of a Limited Partner or the provision by him of FAL to enable the SLP to underwrite at Lloyd's was deemed to be a capital contribution to the SLP but had not been registered as such in terms of the 1907 Act, the registration of the SLP would be

incorrect and liability of the Limited Partners for the debts of the SLP would be unlimited. Fourth, if it were to be decided by the courts that a General Partner cannot, in terms of the 1907 Act, be a corporate body (although it is common practice for a general partner in a Limited Partnership to be a corporate body), the registration of the SLP would be incorrect and liability of the Limited Partners for the debts of the SLP would be unlimited.

If, by an assignation in part, there would result in more than 19 Limited Partners in any one SLP, the General Partner will not consent to such assignation.

There is no established market in interests in SLPs. A Limited Partner may have difficulty in assigning his interest or in obtaining reliable information about its value. A prospective Limited Partner should consider carefully whether becoming a Limited Partner is suitable for him in the light of his personal circumstances and the financial resources available to him.

If the General Partner is prohibited from acting in that capacity (e.g. if any other SLP of which he is a General Partner becomes insolvent) a new General Partner will need to be appointed or the SLP may need to discontinue underwriting.

Underwriting risks

- (30) The underwriting of insurance is a high risk business and losses can be made as well as profits. In underwriting insurance risks at Lloyd's, [*insert name of successor vehicle*] and all the Lloyd's deposits made interavailable to it will be exposed to the risk of underwriting losses. In the worst case, all [*insert name of successor vehicle*]'s assets and all the Lloyd's deposits made interavailable to it would be used to meet underwriting losses. In this event, although participants would have lost the value of their investment in [*insert name of successor vehicle*] and their Lloyd's deposit (to the extent it was made interavailable), their liability for the underwriting losses of [*insert name of successor vehicle*] would be limited to their investment in [*insert name of successor vehicle*] and the amount of any Lloyd's deposit that they have made interavailable to [*insert name of successor vehicle*] or they have been required to make interavailable to [*insert name of successor vehicle*]. In addition, should any participants choose to pay any requests for funds made by Lloyd's in respect of underwriting losses suffered by [*insert name of successor vehicle*] otherwise than out of their Lloyd's deposit already made interavailable to [*insert name of successor vehicle*], such payment would potentially increase this exposure. Participants however remain liable on an unlimited basis for losses relating to their personal underwriting business.
- (31) Participants should be aware that risks and rewards vary from syndicate to syndicate and the categories of business written by those syndicates. [*Insert name of successor vehicle*]'s syndicate participations will depend in part upon the amount and mix of prospective participations offered to it by individual members under this conversion scheme, although it will not accept prospective participations offered on syndicates that it does not wish to support. In future years of account, the mix of prospective participations will depend on [*insert name of successor vehicle*]'s policy of tendering existing prospective participations and/or subscribing further prospective participations in the auctions or otherwise.
- (32) Notwithstanding the "firebreak" introduced when Lloyd's implemented the Reconstruction and Renewal Plan in 1996, it must be recognised that the ongoing market, including [*insert name of successor vehicle*], will indirectly remain exposed in a number

of ways to 1992 and prior business reinsured by Equitas, including through the application of overseas deposits and the New Central Fund. Ongoing members, including [*insert name of successor vehicle*], may also be exposed to liabilities arising from 1992 and prior years if a reinsurance policy allocated to the 1993 or any subsequent year of account of a syndicate which a member joins had provided reinsurance cover in respect of risks incurred in 1992 or prior years and originally underwritten at Lloyd's.

Lloyd's own 1992 and prior liabilities

- (33) Lloyd's has a number of contingent liabilities in respect of risks under policies allocated to 1992 or prior years of account. If Equitas is unable to pay the 1992 and prior liabilities in full, Lloyd's will be liable to meet any shortfall arising in respect of those policies. The New Central Fund, which can, subject to Lloyd's regulations, issue calls on current underwriting members of Lloyd's (which will include the [*insert name of successor vehicle*]), may be applied for these purposes. Lloyd's also has contingent liabilities under indemnities covering 1992 and prior matters. Lloyd's has provided indemnities in respect of claims against audit firms contributing to the auditors' settlement fund and to certain individuals and advisers. There may also be residual litigation involving Lloyd's, for instance from individual members who have not accepted the settlement offer, through which Lloyd's will potentially have a continuing exposure to claims relating to the 1992 and prior years of accounts.
- (34) The New Central Fund could be exposed indirectly to 1992 and prior business if Equitas' assets were insufficient to meet its liabilities. To the extent that assets of a member underwriting in 1992 or prior years, or on a syndicate which has reinsured 1992 or prior years, are used to discharge 1992 and prior liabilities which Equitas has failed to meet, they will not be available to meet liabilities in respect of 1993 and later years. In such circumstances, Lloyd's may take the view that it is appropriate to apply the New Central Fund to discharge those liabilities.

Overseas deposits

- (35) Regulatory authorities in a number of jurisdictions require the maintenance of local deposits for policyholder protection as a condition of Lloyd's syndicates maintaining their regulatory approval. In the event that Equitas were to fail to meet in full liabilities in respect of 1992 and prior years, certain overseas deposits in place at that time may be subject to regulatory action. In addition, the New Central Fund might, with the consent of members in general meeting, be applied to prevent draw down of such deposits, or to issue good any part of the deposits used to meet liabilities reinsured by Equitas.

Lloyd's regulatory powers

- (36) Permission for the [*insert name of successor vehicle*] to underwrite will be granted for an initial period of five years, subject to meeting all regulatory requirements. Permission thereafter will be conditional upon its meeting the requirements applicable to corporate members at that time.
- (37) The Council has wide discretionary powers to regulate members' underwriting at Lloyd's. It may, for instance, vary the FAL ratio or the investment criteria applicable to FAL. Either might affect the amount of [*insert name of successor vehicle*]'s overall premium limit and consequently the return on an investment in [*insert name of successor vehicle*] in a given year of account.

Investment risks

- (38) Individual members should recognise that the value of the assets comprising their Lloyd's deposit made interavailable to [*insert name of successor vehicle*] may fluctuate and that a fall in their value may affect the level of underwriting permissible by [*insert name of successor vehicle*].
- (39) The [*insert details of securities*] will not be listed and no application has been made to any stock exchange for such a listing. [The [*insert details of securities*] [are [*non*]-transferable]. [There may be no market for [*insert details of securities*]]. An unlisted security is an illiquid investment. The value of an investment may go down as well as up.
- (40) Should [*insert name of successor vehicle*] cease or reduce its underwriting, the subsequent distribution by [*insert name of successor vehicle*] of any capital which would no longer be required as FAL for the purposes of coming into line may be protracted and complicated. It is recommended that participants discuss this matter with their own personal legal and taxation advisers.

Solvency

- (41) There may be an initial solvency strain on [*insert name of successor vehicle*] as a new Lloyd's member. Under the present three year accounting system, [*insert name of successor vehicle*] will receive no underwriting profits until, at earliest, the year [*insert year*]. [*Insert name of successor vehicle*] will receive no investment income in respect of Lloyd's deposits made interavailable, as such income, where applicable, will remain that of the Lloyd's deposit provider. In the meantime, however, [*insert name of successor vehicle*]'s solvency position will be calculated at each year end to ensure that it continues to have sufficient assets to meet its share of the liabilities of syndicates supported by it.
- (42) These factors, together with any cash calls which may be made by a managing agent, may result in [*insert name of successor vehicle*]'s FAL being reduced and hence its overall premium limit coming under pressure during the initial years of membership.

Solvency margin

- (43) In March 1997, the Department of Trade and Industry introduced a new minimum solvency margin for members which took effect for the 31 December 1997 solvency calculation. Under the new requirements, Lloyd's has to demonstrate that each member has sufficient assets to meet his underwriting liabilities plus a solvency margin. This margin is calculated individually for each member, broadly as the greater of 16 per cent. of his total annual premium income or 23 per cent. of his average claims incurred over a three year period. All individual members are required to meet this new solvency margin whether or not they become converting individual members.
- (44) Converting individual members and their successor vehicles will not initially receive a credit in solvency for interavailable Lloyd's deposits. Converting individual members and their successor vehicles will therefore be solvent or in deficit on the strength of their underwriting results and any non-interavailable Lloyd's deposits which they hold.
- (45) The new member level solvency margin will increase the possibility that a converting individual or his successor vehicle will have a deficit. Where a deficit exists Lloyd's will identify the interavailable Lloyd's deposit that has been made available by the converting

member and credit him (or the conversion vehicle as appropriate) with an amount of the interavailable Lloyd's deposit equal to the solvency deficit. Both the converting member and the conversion vehicle may receive such a credit but only to the extent that it is equal to or less than the Lloyd's deposit made interavailable. Where such a credit as been made (particularly to the converting member) there may be implications for the future underwriting of the conversion vehicle. Any allocation of the interavailable deposit will only be made with the prior confirmation of the conversion vehicle.

Mutualisation

- (46) The amount of Lloyd's deposit made interavailable by each participating individual member will be held by Lloyd's in its capacity as trustee of the trusts created by the Interavailability Deed (described above). Where there is a cash call in respect of the Lloyd's obligations of [*insert name of successor vehicle*], Lloyd's may apply [*insert name of successor vehicle*]'s own FAL or Lloyd's deposits which have been made interavailable under this conversion scheme in satisfaction of those obligations in any order and relative amounts as between the participating individual members. Although, in the event of any such cash call, [*insert name of successor vehicle*] will inform Lloyd's of the amount of each participating individual member's Lloyd's deposit which has been used to support the underwriting of [*insert name of successor vehicle*] for each year of account, there can be no guarantee that Lloyd's will apply the Lloyd's deposits in the proportions advised by [*insert name of successor vehicle*] and a participant may have proportionately more or less of his Lloyd's deposits applied in satisfaction of [*insert name of successor vehicle*]'s Lloyd's obligations than his proportion of [*insert details of securities*] allocated to them for any year of account.
- (47) If the interavailable deposit provided by another participant is reduced for any reason and [*insert name of successor vehicle*] then sustains a loss or receives a cash call, the Lloyd's deposits provided by other participants may bear a disproportionate share of that loss or cash call. This is because all Lloyd's deposits made interavailable by participating individual members are available to support the underwriting of [*insert name of successor vehicle*]. The interavailable deposit of another participant may be reduced either due to any part of the interavailable deposit being applied in discharging that participant's own liabilities (including solvency liabilities arising from pre-conversion years of account) as an individual member or due to a fall in the value of any investments comprised within that deposit - this risk is referred to as mutualisation.
- (48) Under the Interavailability Deed, a participating individual member may, if Lloyd's so exercises its discretion, be obliged to pay to Lloyd's as trustee a sum equal to any amount of interavailable Lloyd's deposit applied in discharging the individual member's own preconversion underwriting liabilities. Any profit derived from the underwriting activities of the individual member is charged as security for this obligation and assigned to the trustee.

- (48A) An individual member wishing to convert under [*this conversion scheme*] whose Lloyd's deposit consists, in whole or in part, of assets the value of which may go up or down (e.g. securities) should be aware that:
- (a) if that Lloyd's deposit is made interavailable, any capital appreciation on the value of such assets may also be applied by Lloyd's in satisfaction of [*insert name of successor vehicle*]'s Lloyd's obligations;
 - (b) Except in the case of a member who is a sole participant in a successor vehicle the current guidelines for the partial release of the Lloyd's deposit (the Glass Test) do not permit the release of "surplus" interavailable FAL and therefore, for example, any capital appreciation on assets made interavailable cannot be released back to the individual member until all his open years have closed and [*insert name of successor vehicle*]'s liabilities are provided for in accordance with the release rules; and
 - (c) as a result of any such capital appreciation being available to meet the Lloyd's obligations of [*insert name of successor vehicle*] a participant may have proportionately more of his Lloyd's deposit applied in satisfaction of such obligations than his proportion of [*insert details of securities or loan stock in successor vehicle to be issued*] allocated to him.

For these reasons such individual members may wish to consider substituting such assets for assets the value of which does not fluctuate (e.g. a letter of credit or bank guarantee) and should consult with their members' agent.

It may not be possible for a participant to increase the amount of Lloyd's deposit made interavailable by using existing FAL that has not been made interavailable (ie: the participant's unappropriated fund), in which case any additional FAL would have to be provided from the participant's other personal wealth.

Taxation of syndicate members

- (49) Lloyd's corporate members are taxed in the UK on the profits they derive from syndicates as trading profits, with syndicate losses being relievable as trading losses. The syndicate profits or losses are taken into account for tax purposes in the calendar year following the normal closure date of the year of account. If a syndicate goes into run-off subsequent taxable profits or losses are then taken into account annually until the year of account closes.
- (50) The amount of a syndicate's taxable profit or loss is determined by the managing agent and the Inland Revenue. This figure is apportioned among the syndicate's members and enters into the members' calculations of their taxable profits. On occasion the syndicate's taxable profit may differ from its commercial profit, for example if expenses are disallowed for tax purposes.
- (51) In calculating a corporate member's total taxable profit or loss for an accounting period it is also necessary to take into account non-syndicate income and expenses. These items are taxed according to the account period in which they arise. The member has to make a UK corporation tax return under the self assessment system that takes into account both the syndicate profits or losses as advised by the managing agent and the member-level items.

(51A) *This paragraph has been deleted.*

(52) One member-level adjustment that must be taken into account for tax purposes where applicable affects members that write 4% or more of a syndicate's stamp. This results from legislation which was introduced by section 107 Finance Act 2000 and which in certain circumstances applies a hindsight calculation to the amount of reinsurance to close deducted by such members. If a member participates on a syndicate to the extent of 4% or more, it is therefore possible that its taxable profit for an accounting period relating to its syndicate participation may exceed the profit that is actually distributed to it by the syndicate.

Prospective participations acquired during the year

(52A) Individual members wishing to convert should be aware that they are able to transfer to [*insert name of successor vehicle*] any prospective participation acquired during the year. Individual members should also be aware that a requirement of participating in [*insert name of conversion scheme*] is that they must tender their resignation to Lloyd's. Any prospective participation acquired during the year but not converted will drop back to the managing agent for nil value unless it is disposed of in response to a mandatory offer.

(53) *This paragraph has been deleted.*

MAPA operators

(54) MAPA operators may not issue applications under the terms of [*this conversion scheme*] on behalf of individual members for whom they act unless specifically instructed to do so by that individual member. An individual member wishing to issue an application who has prospective participations held through a MAPA should note that, should his application be accepted, he will be required under the terms of [*this conversion scheme*] to cease underwriting on an unlimited liability basis with effect from the [*insert year*] year of account whether through a MAPA or otherwise. Therefore, an individual member whose application is accepted should give notice to his members' agent, MAPA operator and all relevant managing agents by [*insert notice procedure*].

Miscellaneous

(55) Individual members who convert under [*this conversion scheme*] must tender their resignation to Lloyd's, but will remain as members of Lloyd's until each year of account of each syndicate of which they were members has been closed by reinsurance to close.

(56) Any syndicate losses brought forward from previous years' underwriting of participants will not be available for set off against the syndicate results of [*insert name of the successor vehicle*] in calculating profit commission due under the relevant managing agents' vertical deficit clauses.

(57) Unless a participant's managing agent has otherwise agreed in writing, a participant, who is a member of a syndicate for the year of account in which the conversion invitation is made who has not given notice under clause 11.5 of the standard managing agent's agreement by the last date for giving such notice (*[state what that date is in the relevant year of account]*):

- (a) will be a member of the provisional syndicate for next following year of account; and

- (b) is or will be liable to pay an annual fee for the next following year of account on the basis of his members' syndicate premium limit with which he is entitled to participate on the syndicate for the following year of account if the conversion invitation lapses and the participant is unable to dispose of his participation on that syndicate through the auction process or transferred in accordance with the requirements of Council.
- (58) If an individual member has already given notice to leave a syndicate for the *[insert year]* year of account, that individual member may not be able to transfer his prospective participation on that syndicate to *[insert name of successor vehicle]* without the relevant managing agent's approval.
- (58A) *[Insert name of successor vehicle]* will continue to have insurance obligations even after all its years of account have been closed by reinsurance to close. In order to continue to perform these obligations the *[insert name of successor vehicle]* will be required to stay in existence. It will not be possible to wind up the *[insert name of successor vehicle]* and, in the case of a body corporate, remove it from the register of companies. Accordingly there will continue to be an administrative and financial burden for *[insert name of successor vehicle]* after its membership has ceased, until its insurance obligations have been extinguished including in the case of a body corporate the completion of accounts in accordance with Schedule 9A of the Companies Act 1985. Lloyd's is in discussion with the relevant authorities to try and minimise that burden wherever possible.

Part IV

Reverse interavailability

- (59) Lloyd's introduced standard interavailability to provide a mechanism for individual members who wished to convert to underwriting on a limited liability basis. Reverse interavailability has the same purpose but instead of the individual member's Lloyd's deposit being made interavailable to support the underwriting of *[insert name of successor vehicle]*, the individual member will normally contribute assets to *[insert name of successor vehicle]* and *[insert name of successor vehicle]*'s own Lloyd's deposit is then made reverse interavailable to support the past liabilities of the individual member and the future liabilities of *[insert name of successor vehicle]*. Subject to the individual member's solvency position, this normally means the individual member's own FAL can be released back to him. It should be noted that *[insert name of successor vehicle]* assumes no responsibility for the past underwriting of the converting individual member other than the provision of the particular fund made reverse interavailable to that individual member. The individual member therefore remains personally liable in respect of past years if the reverse interavailable funds and any other FAL of the individual member are exhausted.
- (60) Once all the individual member's open years have closed, the funds made reverse interavailable to him by *[insert name of successor vehicle]* will be held from then on solely for the benefit of *[insert name of successor vehicle]*'s Lloyd's creditors.

The Reverse Interavailability Deed [*The following details will vary depending on the assets involved*]

- (61) The [Lloyd's Security and Trust Deed (Reverse Interavailability)] provides a means for a successor vehicle such as [*insert name of successor vehicle*] to establish individual specified funds of assets which are made reverse interavailable for the benefit of separate converting individual members. In order to establish such a fund for an individual member, the successor vehicle, the individual member and Lloyd's enter into a Deed of Inclusion. This segregates part of the successor vehicle's Lloyd's deposit into a separate "specified fund" which is available to the past Lloyd's creditors of the individual member and the future Lloyd's creditors of the successor vehicle. The amount of this specified fund is normally equivalent to the value of the individual member's existing Lloyd's deposit. This allows Lloyd's in its capacity as trustee of the individual member's existing Deposit Trust Deed or Security and Trust Deed to release the individual member's own Lloyd's deposit back to the individual member.

Principal terms of the Reverse Interavailability Deed

- (62) The terms of the Reverse Interavailability Deed broadly follow the terms of the existing standard corporate member's security and trust deed. However, the deposit is split into separate funds:-
- (a) the unappropriated fund which will support only the successor vehicle's business; and
 - (b) separate specified funds for each or any converting individual member, which funds will support both the converting individual member's past business and the future underwriting business of the successor vehicle.
- (63) When an individual member participates in a reverse interavailable scheme, he will be required to enter into a separate deed known as a Deed of Inclusion by which the individual member becomes a party to the reverse interavailability deed. The Deed of Inclusion will specify which assets in the successor vehicle's Lloyd's deposit are to support the individual member's past underwriting and they will become comprised in a specified allocated fund, subject to Lloyd's solvency requirements. If any payment is made out of the specified fund to meet the liabilities of an individual member, Lloyd's can require the individual member to use any future Lloyd's underwriting profits to make good the amount paid out.
- (64) If at any time the unappropriated part of the deposit (together with any other FAL of the successor vehicle) is not sufficient to meet Lloyd's solvency requirements for the successor vehicle, the funds made reverse interavailable to individual members to support their past underwriting may be reduced. This may mean the individual member will be required to provide further FAL to pass solvency tests.
- (65) Once all of a converting individual member's liabilities have been provided for and any open years closed, the specified fund relating to that particular individual member is returned to the unappropriated fund. If all the successor vehicle's liabilities have also been provided for and any open years closed, then the assets will be returned to the successor vehicle.

Part V

Risk factors (reverse interavailability)

The following statements must be set out in any invitation document which relates to a reverse inter availability arrangement. Reference must be made in the derogation letter to any risk warnings which are not included together with an explanation as to their omission.

General warning

(67) *Insert paragraph (29)*

Underwriting risks

(68) The underwriting of insurance is a high risk business and losses can be made as well as profits. In underwriting insurance risks at Lloyd's, [*insert name of successor vehicle*] will be exposed to the risk of underwriting losses. Where funds are made reverse interavailable by [*insert name of successor vehicle*], in the worst case all [*insert name of successor vehicle*]'s assets and all its Lloyd's deposit made interavailable to participants would be used to meet its underwriting losses. In this event, participants would be required, in respect of their preconversion underwriting business to ensure that sufficient funds were maintained in their non-interavailable Lloyd's Trust Funds. However, the participants would have no further liability in respect of the losses of [*insert name of successor vehicle*].

Overseas deposits

(73) *Insert paragraph (35).*

Lloyd's regulatory powers

(74) *Insert paragraph (36).*

(75) *Insert paragraph (37).*

Investment risks

(76) If the assets comprising the Lloyd's deposit of [*insert name of successor vehicle*] under a

reverse interavailability scheme are liable to fluctuate in value, e.g. if they comprise shares and securities as opposed to guarantees or letters of credit, the level of underwriting permissible by *[insert name of successor vehicle]* may also be affected.

(77) *Insert paragraph (39).*

(78) If applicable, the following statement:-

If *[insert name of successor vehicle]* ceases to underwrite, its FAL will not be repayable to individual members. The *[insert name of successor vehicle]* may resolve to distribute surplus assets to participants. However, the distribution by *[insert name of successor vehicle]* of any capital may be protracted and complicated. It is recommended that participants discuss this matter with their own personal legal and taxation advisers.

Solvency

(79) There may be an initial solvency strain on *[insert name of successor vehicle]* as a new Lloyd's member. Under the present three year accounting system, *[insert name of successor vehicle]* will receive no underwriting profits until, at earliest, *[insert year]*. In the meantime, however, *[insert name of successor vehicle]*'s solvency position will be calculated at each year end to ensure that it continues to have sufficient assets to meet its share of the liabilities of syndicates supported by it.

(80) *Insert paragraph (42).*

Solvency margin

(81) *Insert paragraph (43).*

(82) Reverse interavailable Lloyd's deposits will not generally be credited to converting individual members for the purposes of their annual solvency test as they will be credited to *[insert name of successor vehicle]* and cannot be counted more than once for solvency purposes. Converting individual members will therefore be solvent or in deficit on the strength of their pre-*[insert year]* underwriting results and any FAL which they may retain.

(83) If applicable the following statement:

The new member level solvency margin will increase the possibility that a converting individual member's pre-conversion solvency statement may show a deficit. Where Lloyd's deposits are made reverse interavailable, they will generally be counted for solvency purposes as funds of *[insert name of successor vehicle]*. Lloyd's may, with the agreement of *[insert name of successor vehicle]*, credit the reverse interavailable Lloyd's deposit to the converting individual members and correspondingly reduce *[insert name of successor vehicle]*'s assets for solvency purposes. Where such a credit has been made there may be implications for the future underwriting of *[insert name of successor vehicle]*. [Furthermore, the individual member's entitlement to share in *[insert name of successor vehicle]*'s profits may be reduced or extinguished.

Mutualisation

(84) Under a reverse interavailability scheme, the amount of Lloyd's deposit made reverse interavailable to each participant will be available only to the past Lloyd's creditors of

that participant and the future Lloyd's creditors of *[insert name of successor vehicle]*. Where *[insert name of successor vehicle]* suffers a loss, Lloyd's as trustee and regulator has discretion as to which source of FAL it uses to pay *[insert name of successor vehicles]*'s loss. It is therefore possible that the Lloyd's deposit made reverse interavailable to support the back year underwriting of a particular participant could be drawn down disproportionately to pay *[insert name of successor vehicle]*'s loss in exoneration of the Lloyd's deposit made reverse interavailable to another converting participant. An example might be where the second converting participant had large losses from his personal underwriting which also needed to be paid.

- (85) Where the Lloyd's deposit is being made reverse interavailable to an individual member, (then provided the scheme is acceptable in all respects to Lloyd's) his own deposit will normally be returned to him. Individual members should, however, remember that they remain personally liable for losses arising from business they have already written and may be liable to pay further sums in the event that the Lloyd's deposit made reverse interavailable to them by *[insert name of successor vehicle]* is exhausted.
- (86) Under the reverse interavailability documentation, a participating individual member may, if Lloyd's so exercises its discretion, be obliged to apply any future underwriting profits firstly in repaying to Lloyd's as trustee a sum equal to any amount of reverse interavailable Lloyd's deposit applied in discharging the individual member's own liabilities. Any profit derived from the underwriting activities of the individual member is charged as security for this obligation and assigned to the trustee.

Taxation of syndicate members

- (87) *Insert paragraph (49).*
- (88) *Insert paragraph (50).*
- (89) *Insert paragraph (51).*
- (90) *Insert paragraph (52).*
- (90A) *Insert paragraph (52A).*

Funds at Lloyd's

- (91) If *[insert name of successor vehicle]*'s FAL are diminished because of its reverse interavailable Lloyd's deposit being used to pay an individual member's back year losses, the amount of business which *[insert name of successor vehicle]* can underwrite will also decrease. [The contractual terms of *[insert name of scheme]* provide that the decrease in profits will be borne directly by those participants in respect of whom interavailable Lloyd's deposit have been drawdown.]
- (92) *This paragraph has been deleted.*

MAPA operators

- (93) *Insert paragraph(54).*

Miscellaneous

- (94) *Insert paragraph (55).*
- (95) *Insert paragraph (56).*
- (96) *Insert paragraph (58).*
- (96A) *Insert paragraph (58A).*
- (97) Reverse interavailability, as its name suggests, is a mirror image of ordinary interavailability. Instead of the individual member making his own Lloyd's deposit interavailable to *[insert name of successor vehicle]* to support *[insert name of successor vehicle]*'s underwriting going forward, *[insert name of successor vehicle]* makes its own Lloyd's deposit interavailable to the individual member to support the individual member's past year underwriting going backwards. This normally enables the individual member's own FAL to be released back to him (subject to Lloyd's approval). However, the individual member remains personally liable for any losses accruing from business underwritten by him prior to conversion, and to the extent that the Lloyd's deposit made reverse interavailable to him by *[insert name of successor vehicle]* becomes exhausted or otherwise unavailable, the individual member may still be required to pay further sums in settlement of his own liabilities.

- (c) In the case of qualifying successor vehicles, the permission of *[insert name of successor vehicle]* to underwrite will be granted for an initial period of five years and permission to underwrite thereafter will be conditional upon *[insert name of successor vehicle]* meeting the requirements applicable to it at that time.
- (d) The permission of *[insert name of successor vehicle]* to underwrite may be withdrawn if

LETTER OF CONFIRMATION FROM MEMBERS' AGENT

Form B7

[To be typed on members' agent's letterhead]

Lloyd's

For the attention of: Conversion Official

Dear Sir

Private Arrangements

We act as members' agent for [] ("the Names") who are party to a private arrangement ("the private arrangement") as defined in the Conversion Rules under which they are to transfer their prospective participations to a new corporate member of Lloyd's ("the successor vehicle") and will make part or all of their Lloyd's deposits interavailable to support, amongst other things, the underwriting of the successor vehicle.

We confirm to Lloyd's that:

1. each of the Names has received directly from us and/or from his other professional advisers all such information as he (and his professional advisers) would reasonably require and reasonably expect to receive for the purpose of enabling him (in conjunction with his professional advisers) to make an informed decision as to whether to enter into the private arrangement, which information included (but was not limited to) information regarding the following:-
 - the costs involved in establishing and maintaining the successor vehicle as a corporate member of Lloyd's including an explanation that the successor vehicle will continue to have insurance obligations even after all its years of account have been reinsured to close and must therefore remain in existence and the associated cost consequences of this;
 - an explanation that the Name must remain a member of Lloyd's until each year of account of each syndicate of which he is a member has been closed by reinsurance to close;
 - an explanation that the Lloyd's deposit made available to the successor vehicle will not be repaid to him, even once every year of every syndicate of which he was a member has been closed by reinsurance to close, unless and until substitute security acceptable to Lloyd's has been provided in respect of open years of the successor vehicle or all the successor vehicle's own open and run off years have themselves been closed by reinsurance to close;
 - an explanation that losses brought forward from previous year's underwriting of the Name will not be available for set-off by the successor vehicle under its vertical deficit clause in calculating profit commission due to relevant agents;

- the implications for any future MAPA participation;
 - an explanation that the range of assets acceptable for funds at Lloyds (“FAL”) is more restrictive for corporate members than for individual members;
 - a disclosure that the successor vehicle will be required to put up extra FAL to support the same level of underwriting;
 - an explanation that the successor vehicle will not be permitted to take advantage of the exemptions from accounting requirements under the Companies Acts that apply to a small or medium sized company and that it will (if it is a body corporate) be required to prepare its accounts in accordance with Schedule 9A to the Companies Acts and the cost implications thereof;
 - the tax implications of the private arrangement;
 - the tax regime applicable to the successor vehicle;
 - an explanation of the risks associated with making fluctuating assets interavailable in that any capital appreciation on such assets may be applied to meet the successor vehicle's losses and that currently there is no automatic facility to affect release of any surplus interavailable Lloyd's deposit; and
 - the Names are all either connected individuals or employees of the same underwriting agent.
2. We have at all times observed the Lloyd’s Code for Members’ Agents: Responsibilities to Members.

For and on behalf of
