ACTION POINTS: **All agents to note deadline**
DEADLINE(S): **17 June 2005**

Under paragraph 12 of the Agency Agreements Byelaw (No 8 of 1998) it is a requirement that a central file of underwriting agents' charges be maintained. This task is the responsibility of Members' Services Unit (MSU). Agents should note that the deadline by which they should notify MSU of their proposed charges for the year 2006 is 17 June 2005 as detailed in the Lloyd's Business Timetable.

By the deadline agents are required to confirm that charges remain unchanged for 2006 or to advise that an application to increase charges has been submitted.

The charging details supplied will be used to compile the Register of Agents' charges 2006, which will be issued in July 2005. The cost of the publication will be £20.

If you require a copy of this publication please complete the attached order form confirming to whom the Register should be sent.

Throughout the year amendments may be made to the Register and, as a matter of course, these updates will be despatched to all customers by e-mail.
