Subject	AGENCY AGREEMENTS (2006 EDITIONS)
Subject areas	
Attachments	Order Form
Action points	Managing and Members Agents to place orders for standard agency agreements
Deadlines	None

The standard forms of the Managing Agent's agreements (general and corporate member) and every Managing Agent's agreement which was in force on 1 January 2005 were amended effective on and from that date so as to permit the distribution of open year surpluses. The printed versions of the standard forms of agency agreement have been amended to take account of these changes and also to correct some typographical errors.

Agents who require copies of the revised standard forms of agency agreement may obtain copies of these documents by completing the attached order form and returning it to the Members' Services Unit together with a cheque made payable to the Corporation of Lloyd's.

The cost of each copy of the following agreements is £20:

- (a) the standard form of Members' Agent's Agreement (incorporating the standard forms of the agents' agreement and the Managing Agent's Agreement (general)); and
- (b) the standard form of Managing Agent's Agreement (corporate member).

Any queries should be addressed to Sally Dunning on Lloyd's extension 2486. This bulletin has been sent to all Managing Agents and Members' Agents.

Christine Allcott
Manager,
Members Services Unit.
