

MARKET BULLETIN

From Admissions Function, General Counsel's Division

Date 14 November 2005

Reference Y3673

Subject **Campion McCall Ltd (IMC/852)**

The Directors of Campion McCall Limited have advised the FSA and Lloyd's that they are putting the Company into member's voluntary liquidation. This is a solvent liquidation.

The Company has requested a Variation of Permission from the Financial Services Authority to reflect the fact that it is not placing any new business. However, the revised permission does allow the Company to assist in the administration and performance of contracts of insurance in relation to the running off of existing business. Campion McCall Limited and Lloyd's have agreed that the Company's registration as a fully accredited Lloyd's Broker would be terminated on the same day as the Variation of Permission was granted by the FSA, being 11th November, 2005.

After consultation with clients, all of the business previously handled by Campion McCall Ltd, together with many of the staff, has been transferred to other intermediaries.

For further information, please contact Mr. William Campion, Chairman, on 0207 377 8585 or by post to 22-23, Widgate Street, London E1 7HX in the first instance.
