Lloyd's Agencies in New Zealand

At the request of the Lloyd's Agency in Wellington, Flinders Cook Ltd, we have agreed that their Christchurch office be reduced to a sub-Agency under the control of Wellington. Flinders Cook have a number of offices throughout New Zealand all of which are ultimately controlled by their head office in Wellington. This decision therefore brings our network in line with their operations. The territory for Wellington will now include Wanganui-Manawatu, Wellington and Hawkes Bay regions on North Island and all of South Island including Stewart Islands.

Lloyd's Agency, Guadalajara

The company name of the Lloyd's Agency at Guadalajara, Mexico has changed to Professional Claim Adjusters S.A. de C.V. All contact details remain the same with the exception of the emails listed below.
