The purpose of this bulletin is to announce a change to the distribution of market bulletins.

Based upon feedback received from the market, a number of issues were highlighted regarding the varying approaches to the way bulletins were distributed. In order to ensure that the mailing lists are effectively managed going forward; we intend to maintain a more tightly focussed distribution process targeting:

- Managing Agents – compliance officers
- Members' Agents – compliance officers
- Lloyd's Names' Associations – ALM / HPG
- Lloyd's Brokers – compliance officers
- Trade Associations - LMA / LMBC
- Ratings Agencies
- Recognised Auditors

Market bulletins will continue to be distributed via email to these groups as hyperlinks to the searchable archive on the Lloyd's website. If you fall outside of the target distribution above or have not received this bulletin via e-mail, and wish to receive market bulletins electronically in future, could you please contact: [james.christopherson@lloyds.com](mailto:james.christopherson@lloyds.com)

Please note that the present distribution emails will cease from 2 January 2007.
