Type	Annual Event
From	Ian Wootten, Manager, Financial Processing and STFO Finance & Operations +44 (0)1634 392098 Ian.Wootten@lloyds.com
Date	27 October 2014
Deadline	As per the attached timetable

Please find attached a copy of this year's timetable (Appendix 1).

As in previous years, the American Custody Pricing Tolerance Standard, which is now being accepted as the industry standard for all Trustees in the USA will be applied (see Appendix 2). Similar arrangements have been instituted with the Canadian Trustee (see Appendix 3).

Agents should note the pricing sources that the Trustees will be using. If agents anticipate any problems with these prices, steps should be taken to ensure that Citibank and/or RBC Investor Services are supplied with an alternative valuation by 15 January 2015 and 12 January 2015 respectively. If no alternative valuations are received by the deadline, the initial prices obtained by the Trustees will automatically be applied.

Please note that if an alternative price is adopted for a particular security then it will be applied to all holdings within the Trust Fund.

Agents should take account of the tight timescale, which cannot be avoided, for all processing including queries. Please note that reports, as detailed on the timetable, will **not** be available for collection from Tenants & Couriers as in previous years, this is due to the

fact that we cannot guarantee a delivery date due to the reports coming through customs. Information is available online through Citidirect and the RBC Investor Services portal, but if you haven't received your reports within a week of the delivery dates shown please contact Donna Broughton on Lloyd's ext 2693 or by email Donna.Broughton@lloyds.com

US tax figures will be produced as they are needed to complete Names' US tax returns, but the information will be supplied direct to Lloyd's Tax Operations.

Any tax enquiries should be directed to Christine Allcott, Taxation Department on Lloyd's extension 2433.

Managing Agents and their investment advisers should be aware that SLTF, CRTF and U.S. Life Syndicate preliminary pricings and assets will be available electronically via Citidirect on 2 January 2015. The preliminary pricings and assets for the Canadian Trust Funds will be available electronically via RBC Investor Services Portal on 2 January 2015.

As in previous years any queries on the year end schedules should be faxed direct to the relevant Trustee on the attached pro-formas (Appendices 4 and 5).

Agents should note that it is critical that the final deadlines for sending queries to the Trustees are strictly adhered to in order to achieve this timetable for the whole Market.

Arrangements have been made for certificates of balance and assets held in respect of LDTF accounts (including pool accounts, sweep accounts and WALF balances) to be despatched direct to managing agents and their auditors on 16 January 2015 by Citibank London.

Please be advised that the reports from Citibank London will only be sent via email, with the attachments being password protected. Should you feel that you have not received a report that you requested in the first instance please contact Donna Broughton (Donna.Broughton@lloyds.com) or the STFO Team email (Lloyds-STFOMail@Lloyds.com) Further audit queries in respect of the above LDTF reports should be directed to the following:-
