REF: Y5063

<b>Title</b>	France – Reporting of medical legal liability business
<b>Purpose</b>	To inform syndicates writing French medical malpractice legal liability business of the annual reporting requirement and submission deadline.
<b>Type</b>	Event
<b>From</b>	Stephen Yates, Senior Manager, International Reporting, International Regulatory Affairs
<b>Date</b>	7 February 2017
<b>Deadline</b>	31 March 2017

## Purpose of bulletin

This bulletin is to advise those syndicates who have written or assumed direct French medical malpractice legal liability business during 2016 and prior years, that they are required to report details of this business to Lloyd's France in the prescribed format by 31 March 2017. Lloyd's France will then combine all returns and provide one submission to the French regulator, "L'Autorité de contrôle prudentiel et de resolution" (ACPR).

Syndicates who have previously reported medical malpractice legal liability business to Lloyd's France, but who have now ceased writing the business will need to continue to report this run off business. Where business has been transferred to another syndicate, arrangements will need to be made for the appropriate entity to report the business to Lloyd's France.

## Background

Under the provisions of Article 1 of the Decree of 24 June 2008 issued by the Minister of Health and the Minister of Economy, Industry and Employment, insurers providing medical malpractice insurance to health professionals for risks located in France are required to submit an annual return to the French Regulator, the ACPR. Lloyd's has agreed with the ACPR that syndicates will complete the templates with both their Freedom of Services and Freedom of Establishment business.

## Reporting requirements

Those syndicates who have relevant business to report should contact Lloyd's France as soon as possible to obtain a copy of the template for completion.

Guidance regarding the completion of the spreadsheets is available in the Medical Malpractice Reporting Manual 2017, which is available on [Crystal](#) and has recently been updated. Users may need to log on to their Lloyds.com account to view the Manual.

Please note that the spreadsheets must not be altered in any way; formulas must not be overwritten and no data should be entered in shaded cells. Given the nature of the data required, Lloyd's requires that syndicates obtain internal actuarial review of the completed templates.

## Further information

Copies of the template are available from [Stephanie.LeNinivin@Lloyds.com](mailto:Stephanie.LeNinivin@Lloyds.com). If syndicates do have relevant business to report, please contact Stéphanie as soon as possible.

Completed templates must be returned to [Stephanie.LeNinivin@Lloyds.com](mailto:Stephanie.LeNinivin@Lloyds.com) by **31 March 2017**, along with the contact details of the person who performed the actuarial review of the templates.
