Please copy this bulletin to those within your organisation who are responsible for completing and reviewing the returns for overseas business processed outside of XIS and LDR (Non-XIS overseas business).

The date for submission of these returns is 11 July 2017. They must be submitted electronically using SecureStore.

Failure by any one syndicate to provide data by this deadline jeopardises Lloyd's ability to meet external regulators' deadlines for the entire market. Hence, these returns are subject to the Lloyd's Overseas Returns Fining Policy (see Market Bulletin Y4843, dated 1 December 2014.)

Recalculation of Lloyd's Canadian, Australian and Lloyd's South African Trust Funds – 30 June 2017

The funding requirements for the Lloyd's Canada Trust Fund (LCTF), Lloyd's Australia Trust Fund (LAusTF) and the Lloyd's South African Trust Fund (LSATF) will be recalculated as at 30 June 2017. Any business not processed through XIS or captured by Lloyd's Direct Reporting (LDR), for any class underwritten in any of these territories must be recorded on the forms available for download at the link above, in accordance with the instructions attached at Appendix 1.

In order to rationalise the reporting burden on those syndicates making submission for South African data, from Q2 2017 onwards there will be a single collection of such data. You will no longer be required to submit the both the summarised data, and then a week later the detailed information. Instead the data will be collected on the new, more detailed, basis of reporting, but at the earlier date (11 July).

All data must be in original currency. Please ensure that any currencies reported are shown as a 3 letter alphanumeric currency code based on ISO 4217 e.g. AUD, CAD GBP, USD, ZAR.

Please check the correctness of the data prior to submission as resubmissions after the deadline will be regarded as late.

If you have any queries on Canada, please contact Kishan Patel Lloyd's extension +44 (0)20 7327 5080. For queries on South Africa or Australia please contact me on Lloyd's extension +44 (0)20 7327 5490 or Hayley Youles +44 (0)20 7327 5299.

Nil returns are only required if you submitted figures last quarter and now have no data to report.
