## 1. Changes in managing agents' fees or profit commissions

### 1.1 *Unaligned syndicates*

A managing agent that wishes to change its fees or profit commissions in respect of an unaligned syndicate (including unaligned SPAs) must make an initial application for

---

conditional consent to give notice of termination under the relevant managing agent's agreements by sending an application to Lloyd's, for the attention of Kevin Lazarus (+44 (0)20 7327 6737 / [kevin.lazarus@lloyds.com](mailto:kevin.lazarus@lloyds.com)) by no later than 30 April 2018 (see paragraph 11B Agency Agreements Byelaw). A copy of the application should also be sent to members' agents and direct corporate participants where applicable. A full application must then be made in accordance with the requirements set out in Annex 1 by no later than 20 June 2018.

It is in the best interests of managing agents, members and Lloyd's if agreement in respect of changes in fees or profit commissions can be reached prior to any application to Lloyd's. Managing agents and members' agents should use their best endeavours to establish whether agreement can be reached and for that reason Lloyd's will expect parties to enter into any relevant discussions at the earliest practical opportunity. Where agreement has not been reached between the parties Lloyd's will expect the parties to set out clearly for Lloyd's the specific areas of disagreement along with a summary of the parties' positions on those areas.

Syndicates which are unaligned, but where each member of the syndicate has individually agreed in writing to the change in fees or profit commission, may follow the process for aligned syndicates below.

### *1.2 Aligned syndicates (and where there is agreement between all the parties)*

In the case of fully aligned syndicates (including aligned SPAs) or where there is agreement between the managing agent and all the members of the syndicate such change may be made at any time during the year without prior application being made to Lloyd's. Managing agents must, however, continue to report all changes to fees or profit commission to Lloyd's Market Services (by email to [syndicatestamps@lloyds.com](mailto:syndicatestamps@lloyds.com)) for the purposes of updating the Register of Agent Charges. It is the responsibility of managing agents to ensure that where the fees or profit commission is changed by consent that the change is properly documented and managing agents should retain evidence of consent from all the members of the syndicate.

In circumstances where there is no agreement as to the fee or profit commission change managing agents must follow the same process as set out for unaligned syndicates above.

### *1.3 Register of Agent Charges return form*

Managing agents for both aligned and unaligned syndicates are asked to send their updated Register of Agent Charges return form to Market Services by the end of September. All returns should be sent via Lloyd's Secure Store. Further information regarding the submission process will be issued by Market Services nearer the time. Any enquiries should be directed to Sally Dunning ((+44 (0)1634 39 2486 / [sally.dunning@lloyds.com](mailto:sally.dunning@lloyds.com)) or Claire Sheahan (+44 (0)1634 39 2904 / [claire.sheahan@lloyds.com](mailto:claire.sheahan@lloyds.com))

## 2. Changes in members' agents fees or profit commissions

A members' agent that wishes to effect a change to its fees or profit commission must make an application for conditional consent to give notice of termination under the relevant members' agent's agreements by sending an application to Kevin Lazarus by no later than 30 April 2018. Lloyd's will then discuss with the members' agent how the application should be taken forward.

It is for members' agents to deal with changes in fees or profit commission in the most administratively convenient manner (subject always to their agency obligations and paragraph 11A of the Agency Agreements Byelaw).

## 3. Syndicate mergers

### 3.1 *Unaligned syndicate*

A managing agent that wishes to effect a syndicate merger (other than where all of the syndicates in question are wholly aligned) must follow the requirements set out in schedule 1 to the Major Syndicate Transactions Byelaw. Notice of intention to effect a syndicate merger must be given to Paul Thornton (+44 (0)20 7327 6281 / [paul.thornton@lloyds.com](mailto:paul.thornton@lloyds.com)) by no later than 30 April 2018. A copy of the notice should also be sent to members' agents and direct corporate participants where applicable.

### 3.2 *Aligned syndicates*

A managing agent that wishes to effect a syndicate merger where all of the syndicates in question are wholly aligned should contact Paul Thornton.

## 4. Minority buy-outs

A managing agent which wishes to effect a minority buy-out for the 2019 year of account must make an application to Lloyd's, for the attention of Paul Thornton by no later than 30 April 2018 for conditional consent to give notice of termination under the relevant managing agent's agreements. Applications must be made in accordance with paragraph 11B of the Agency Agreements Byelaw and schedule 2, paragraph 2 of the Major Syndicate Transactions Byelaw. Managing agents are reminded that they should provide members' agents and direct corporate participants with a copy of their application and give them 21 days from the point of despatch to make representations to Lloyd's (for the attention of Paul Thornton).

Where Lloyd's grants conditional consent to the giving of notice of termination, managing agents must give notice of that conditional consent to members' agents and direct corporate participants by 30 June 2018 (or such later date as Lloyd's may agree to).

Managing agents must ensure that, when making the capacity offer which precedes a minority buy-out, they comply with the Capacity Offer Rules. It is intended that the Rules for 2018 will be issued to the market in the second quarter of 2018 and will include a table of

the 2018 prescribed dates relating to capacity offers and minority buy-outs. Managing agents proposing to effect minority buy-outs in 2018 should contact Paul Thornton at the earliest opportunity.

Following the capacity offer, if the conditions set out in paragraph 2 of the Major Syndicate Transactions Byelaw are met, application may be made to Lloyd's for permission to effect the minority buy-out. Requests for minority buy-outs are considered by the Capacity Transfer Panel. Guidance on minority buy-outs is set out in [Regulatory Bulletin 041/2000](#) "Guidance on Minority Buy-Outs" issued on 18 April 2000.

## **5. Syndicate Cessation**

A managing agent that wishes to effect a syndicate cessation (other than where the syndicate in question is wholly aligned) must follow the requirements set out in schedule 4 to the Major Syndicate Transactions Byelaw.

Notice of intention to effect a syndicate cessation must be given to Lloyd's, for the attention of Paul Thornton, as soon as a managing agent has a firm intention of ceasing to accept new or renewal business on behalf of a syndicate managed by it in circumstances such as to constitute a syndicate cessation and by no later than 31 August 2018. A copy of the notice should also be sent to members' agents and direct corporate participants where applicable.

## **6. Any other proposed variations to the standard agency agreements.**

Underwriting agents are reminded that any proposed variation to the standard agency agreements requires Lloyd's consent. In the event that an underwriting agent proposes to make a variation they are invited to contact Kevin Lazarus at the earliest opportunity.

## **7. Further Information**

Any questions with regard to changes to managing agent's fees or profit commissions should be directed to Kevin Lazarus (+44 (0)20 7327 6737/[kevin.lazarus@lloyds.com](mailto:kevin.lazarus@lloyds.com)).

Any questions with regard to syndicate mergers, syndicate cessations and minority buy-outs should be directed to Paul Thornton (+44 (0)20 7327 6281/[paul.thornton@lloyds.com](mailto:paul.thornton@lloyds.com)).
