Deadlines

The submission dates are as noted above. All returns must be submitted by no later than 2:00pm of the deadline date. Any return submitted after that time will be considered to be late. The 2016 and 2017 forecasts as a percentage of capacity will be released to the Stock Exchange and included on Lloyds.com on Wednesday 15 August 2018.

QMA forms and instructions

The instructions for the Q2 2018 QMA have not changed from those issued for the Q4 2017 and

remain as “2017 version 2.1”. The instructions are available on the QMA home page on the CMR site. FAQs will again be available and commence from 13 July 2018.

At Q2 2018, unlike in previous years, there is no unaudited QMA submission. The only submission is expected on Thursday 9 August 2018 at 2:00pm and this is subject to auditor review. Hard copies of QMA910 and QMA930 are expected to accompany the submission in accordance with the QMA instructions.

QSR and QAD forms and instructions

The QSR and QAD forms and instructions are now available for download from the CMR site. The changes from Q1 2018 are not significant and are summarised at the start of the instructions.

As the members’ Solvency II balances collected in the QSR002 and QSR210 are used for the members’ release test in Autumn 2018 and for the 2019 capital setting process, an audit report (QSR930) is required to cover these forms only. This has been provided with the instructions.

Accordingly, as summarised above, the unaudited QSR and QAD for Q2 2018 must be submitted by 26 July 2018. The audit report must be provided by 30 August 2018. A revised QSR is only required to be submitted if either the QSR002 or QSR210 has changed from the original submission following the audit; in this case the revised QSR must also be submitted by 30 August 2018.

QMA, syndicate accounts and Pillar 3 deadlines for 2018 year-end

A list of the key submission deadlines for the 2018 year-end and 2019 Qs 1-3 will be included in the Q3 2018 major losses/exchange rates bulletin. However, to assist managing agents plan their year-end work the following deadlines are confirmed:

Agents are reminded that if they have any major loss to be reported on QMA800u that does not have an XIS catastrophe code they need to ensure that the loss has been allocated a major loss code. Any agent wishing to request a new major loss code should send an e-mail to the Lloyd's-MRD-ReturnQueries address and the relevant procedures and template will be provided by return. The deadline for submission of requests for new major loss codes to Market Finance is Friday 27 July 2018.

Major loss codes

No major loss codes have yet been assigned by Lloyd's for 2018.

Please note:

Major loss codes relating to 2017 and prior are still maintained in the database. Syndicates are asked to report on major losses in accordance with the QMA800u instructions.
