### Programme Objective

For participants it aims to build the skills, relationships and confidence to help them effectively manage their future careers.

Please note, this is not a leadership development programme that covers leadership ideas and concepts. It is a programme designed to help our future talent know how to leverage the skills, role models and opportunities that will enable them to manage their career.

## Roles and Commitments

### Manager

- Be careful not to de-prioritise their learning by adding to their workload which gets in the way
- Coach them on how they can manage their learning and workload
- Post-programme, meet to agree a plan on how the participant will apply their learning going forward and check-in monthly to see how things are going

### Sponsor

Work closely with your participant, meeting them during the programme (suggested bi-monthly) to understand their strengths and career aspirations; leverage your networks and position to create new career opportunities. They will be required to attend the Launch event and a Mid-point sponsor event.

- 2) Provide tangible career enhancing opportunities
- 3) Help sponsees turn their uniqueness into leadership capital.
