

► Important information about Syndicate Reports and Accounts

Access to this document is restricted to persons who have given the certification set forth below. If this document has been forwarded to you and you have not been asked to give the certification, please be aware that you are only permitted to access it if you are able to give the certification.

The syndicate reports and accounts set forth in this section of the Lloyd's website, which have been filed with Lloyd's in accordance with the Syndicate Accounting Byelaw (No. 8 of 2005), are being provided for informational purposes only. The syndicate reports and accounts have not been prepared by Lloyd's, and Lloyd's has no responsibility for their accuracy or content. Access to the syndicate reports and accounts is not being provided for the purposes of soliciting membership in Lloyd's or membership on any syndicate of Lloyd's, and no offer to join Lloyd's or any syndicate is being made hereby. Members of Lloyd's are reminded that past performance of a syndicate in any syndicate year is not predictive of the related syndicate's performance in any subsequent syndicate year.

You acknowledge and agree to the foregoing as a condition of your accessing the syndicate reports and accounts. You also agree that you will not provide any person with a copy of any syndicate report and accounts without also providing them with a copy of this acknowledgment and agreement, by which they will also be bound.

Managing Agent's report for the 2023 closing year of account

For the 36 months ended 31 December 2025

The Directors of Statera Managing Agency Ltd (Statera), the Managing Agent of Syndicate 4242 at the date of approval of these Syndicate Underwriting Year Accounts, present their report and the audited Syndicate Underwriting Year Accounts of Syndicate 4242 for the 2023 closed year of account for the 36 months ended 31 December 2025.

Asta Managing Agency Ltd acted as Managing Agent for Syndicate 4242 until 29 December 2025. The managing agency was transferred to Statera with effect from 30 December 2025. Accordingly, Statera is responsible for approving and signing these Syndicate Underwriting Year Accounts.

This report is prepared in accordance with the Lloyd's Syndicate Byelaw (No 8 of 2005). It accompanies the underwriting year accounts prepared on an underwriting year basis of accounting as required by Statutory Instrument No 1950 of 2008, the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008.

Underwriting year results

The Syndicate generated a profit of \$41.9m after standard personal expenses on gross written premiums of \$401.4m for the 2023 underwriting year.

Principal activities and review of the business

The Syndicate transacts general insurance and reinsurance business in the United Kingdom (U.K.) within the Lloyd's of London market under the oversight of the Managing Agent. It underwrites portfolios of insurance and reinsurance through binding authority agreements with managing general agents.

For the 2023 year of account, the Syndicate wrote Specialty Treaty Reinsurance, Alternative Risk Binders, Cyber, Directors and Officers, Global D&F, Energy, and US Binders. A breakdown of premium placement is shown below:

	2023 Underwriting Year
	\$'000
Gross written premiums:	
Alternative Risk Binders	73,220
Cyber and Tech E&O	12,311
Directors and Officers	23,580
Energy	20,230
Errors and Omissions	37,002
Global D&F	68,727
Specialty treaty reinsurance	69,860
US Binders	96,500
	<hr/>
	401,430
	<hr/>
Profit for the closed year of account	41,947
Loss ratio	45.19%
Net combined ratio (financial basis)	86.98%

Managing Agent's report for the 2023 Closing Year of Account continue

Directors

Details of the Directors of the Managing Agent that were serving at the year end and up to the date of signing of the financial statements are provided on page 1. Changes to the Directors and Officers were as follows:

P Allen	Appointed 23 October 2025
C Bulmer	Appointed 23 October 2025
P Chubb	Appointed 23 October 2025
A Ganger	Appointed 23 October 2025
H Marsden	Appointed 23 October 2025
J Scofield	Appointed 23 October 2025
K Shah	Appointed 9 December 2025

Disclosure of Information to the Auditor

So far as each person who was a director of the Managing Agent at the date of approving the report is aware, there is no relevant audit information, being information needed by the Syndicate auditor in connection with the auditor's report, of which the auditor is unaware. Having made enquiries of fellow directors of the Managing Agent and the Syndicate's Auditors, each director has taken all the steps that he or she ought to have taken as a director to become aware of any relevant audit information and to establish that the Syndicate's auditor is aware of that information.

The board of directors of the Managing Agent has overall responsibility for the establishment and oversight of the Syndicate's risk and capital management.

Approved by the Board of Directors and signed on behalf of the Board.

Director
20 February 2026

Statement of Managing Agent's responsibilities

The directors of the Managing Agent are responsible for preparing the Syndicate underwriting accounts in accordance with applicable law and regulations.

The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 requires the directors of the Managing Agent to prepare their syndicate underwriting accounts for each financial year. Under that law they have elected to prepare the underwriting accounts in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* and The Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005).

Under Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008, the directors of the Managing Agent must not approve the underwriting accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Syndicate and of the profit or loss of the Syndicate for that period. In preparing these financial statements, the directors of the Managing Agent are required to:

- select suitable accounting policies and then apply them consistently.
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the annual accounts; and
- assess the syndicate's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to cease trading, or have no realistic alternative but to do so.

The directors of the Managing Agent are responsible for keeping adequate accounting records that are sufficient to show and explain the Syndicate's transactions and disclose with reasonable accuracy at any time the financial position of the Syndicate and enable them to ensure that the financial statements comply with the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors of the Managing Agent are responsible for the maintenance and integrity of the Syndicate and financial information included on the Syndicate's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report to the Members of Syndicate 4242

Opinion

We have audited the syndicate underwriting year accounts for the 2023 year of account of syndicate 4242 ('the syndicate') for the three years ended 31 December 2025 which comprise the Income Statement, the Statement of Comprehensive Income, the Statement of Members' Balances, the Statement of Financial Position, the Statement of Cash Flows and the related notes 1 to 16, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and FRS 103 "Insurance Contracts" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the syndicate underwriting year accounts:

- give a true and fair view of the profit for the 2023 closed year of account;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 and have been properly prepared in accordance with the Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the syndicate underwriting year accounts section of our report. We are independent of the syndicate in accordance with the ethical requirements that are relevant to our audit of the syndicate underwriting year accounts in the UK, including the FRC's Ethical Standard as applied to other entities of public interest, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – closure of the 2023 year of account

We draw attention to the Basis of preparation Note 1 which explains that the 2023 year of account of syndicate 4242 has closed and all assets and liabilities transferred to the 2024 year of account by reinsurance to close at 31 December 2025.

As a result, the syndicate underwriting year accounts for the 2023 year of account of syndicate 4242 have been prepared under basis other than going concern.

Our opinion is not modified in respect of this matter.

Other information

The other information comprises the information included in the annual report, other than the syndicate underwriting year accounts and our auditor's report thereon. The managing agent is responsible for the other information contained within the annual report .

Our opinion on the syndicate underwriting year accounts does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the syndicate underwriting year accounts or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the syndicate underwriting year accounts themselves. If,

Independent auditors' report continued

based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where The Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005) requires us to report to you, if in our opinion:

- the managing agent in respect of the syndicate has not kept adequate accounting records; or
- the syndicate underwriting year accounts are not in agreement with the accounting records.

Responsibilities of the managing agent

As explained more fully in the Statement of Managing Agent's Responsibilities set out on page 4, the managing agent is responsible for the preparation of the syndicate underwriting year accounts in accordance with The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 and The Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005) and for being satisfied that they give a true and fair view, and for such internal control as the managing agent determines is necessary to enable the preparation of the syndicate underwriting year accounts that are free from material misstatement, whether due to fraud or error.

In preparing the syndicate underwriting year accounts, the managing agent is responsible for assessing the syndicate's ability to realise its assets and discharge its liabilities in the normal course of business, disclosing, as applicable, any matters that impact its ability to do so.

Auditor's responsibilities for the audit of the syndicate underwriting year accounts

Our objectives are to obtain reasonable assurance about whether the syndicate underwriting year accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these syndicate underwriting year accounts.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the managing agent and management.

Our approach was as follows:

- We obtained a general understanding of the legal and regulatory frameworks that are applicable to the syndicate and determined that the most significant are direct laws and regulations related to elements of Lloyd's Byelaws and Regulations, and the financial reporting framework (UKGAAP) and requirements referred to by Lloyd's in the Instructions. Our considerations of other laws and regulations that may have a material effect on the syndicate underwriting year accounts included permissions and supervisory requirements of Lloyd's of London, the Prudential Regulation Authority ('PRA') and the Financial Conduct Authority ('FCA').

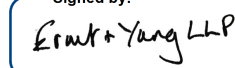

Independent auditors' report continued

- We obtained a general understanding of how the syndicate is complying with those frameworks by making enquiries of management, internal audit, and those responsible for legal and compliance matters of the syndicate. In assessing the effectiveness of the control environment, we also reviewed significant correspondence between the syndicate, Lloyd's of London and other UK regulatory bodies; reviewed minutes of the Board and Risk Committee of the managing agent; and gained an understanding of the managing agent's approach to governance. We also performed procedures to understand the culture of compliance and governance including the obtainment and review of the code of conduct, employee handbook and whistleblowing policy. Furthermore in order to assess the internal views of risks and their likelihoods, we have reviewed the risk register and risk event summary for the syndicate.
- For direct laws and regulations, we considered the extent of compliance with those laws and regulations as part of our procedures on the related syndicate underwriting year accounts' items.
- For both direct and other laws and regulations, our procedures involved: making enquiries of the directors of the managing agent and senior management for their awareness of any non-compliance of laws or regulations, enquiring about the policies that have been established to prevent non-compliance with laws and regulations by officers and employees, enquiring about the managing agent's methods of enforcing and monitoring compliance with such policies, and inspecting significant correspondence with Lloyd's, the FCA and the PRA.
- The syndicate operates in the insurance industry which is a highly regulated environment. As such the Senior Statutory Auditor considered the experience and expertise of the engagement team to ensure that the team had the appropriate competence and capabilities, which included the use of specialists where appropriate.
- We assessed the susceptibility of the syndicate's underwriting year accounts to material misstatement, including how fraud might occur by considering the controls that the managing agent has established to address risks identified by the managing agent, or that otherwise seek to prevent, deter, or detect fraud. We also considered areas of significant judgement, complex transactions, performance targets, economic or external pressures and the impact these have on the control environment. Where this risk was considered to be higher, on the valuation of net IBNR reserves and estimated premium income, we performed audit procedures to address each identified fraud risk. These procedures included testing manual journals and were designed to provide reasonable assurance that the syndicate underwriting year accounts were free from fraud or error.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the syndicate's members, as a body, in accordance with The Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005) and The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008. Our audit work has been undertaken so that we might state to the syndicate's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the syndicate and the syndicate's members as a body, for our audit work, for this report, or for the opinions we have formed.

Signed by:

Notes to the financial statements

For the 36 months ended 31 December 2025

1. Basis of preparation

The Syndicate underwriting year accounts have been prepared under the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 ("the Lloyd's Regulations") and in accordance with the Syndicate Accounting Byelaw (No. 8 of 2005) and applicable Accounting Standards in the United Kingdom, including relevant disclosures of Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK ("FRS 102") and Financial Reporting Standard 103 Insurance Contracts ("FRS 103").

The financial statements are prepared under the historical cost convention except for certain financial instruments which are measured at fair value.

The financial statements are prepared in USD which is the functional and presentational currency of the Syndicate and rounded to the nearest \$'000.

These Syndicate Underwriting Year Accounts are prepared for the 2023 year of account, which represents a separate annual venture of Syndicate 4242. The 2023 year of account has been closed by reinsurance to close ('RITC') into the 2024 year of account of Syndicate 4242 at 31 December 2025. The premium payable for the RITC is recognised within reinsurance premiums payable to close the account and the related movements are reflected in these accounts. Following closure, the remaining liabilities and related risks of the 2023 year of account are transferred to the 2024 year of account, subject to the terms of the RITC.

2. Accounting policies

Significant accounting estimates and judgements

In preparing these financial statements, the directors of the Managing Agent have made judgements, estimates and assumptions that affect the application of the Syndicate's accounting policies and the reported amounts of assets, liabilities, income and expenses.

The measurement of the provision for claims outstanding involves judgements and assumptions about the future that have the most significant effect on the amounts recognised in the annual accounts.

The provision for claims outstanding comprises the estimated cost of settling all claims incurred but unpaid at the balance sheet date, whether reported or not. This is a judgemental and complex area due to the subjectivity inherent in estimating the impact of claims events that have occurred but for which the eventual outcome remains uncertain. In particular, judgement is applied when estimating the value of amounts that should be provided for claims that have been incurred at the reporting date but have not yet been reported ("IBNR") to the Syndicate.

The ultimate cost of outstanding claims is estimated using a range of techniques including actuarial and statistical projections, benchmarking, case by case review and judgement. Statistical techniques assume that past claims development experience can be used as a basis to project ultimate claims costs. Judgement is used to assess the extent to which past trends may not apply in the future. Case estimates are generally set by skilled claims technicians applying their experience and knowledge to the circumstances of individual claims.

Accounting policies continued

Whilst the Directors consider that the gross provision for claims and the related reinsurance recoveries are fairly stated based on the information currently available to them, the ultimate liability will vary as a result of subsequent information and events.

Underwriting transactions

The underwriting accounts for each year of account are normally kept open for three years before the result on that year is determined. At the end of that three-year period, outstanding liabilities can normally be determined with sufficient accuracy to permit the year of account to be closed by payment of a reinsurance to close premium to the successor year of account.

Gross premiums are allocated to years of account on the basis of the inception date of the policy. Commission and brokerage are charged to the year of account to which the relevant policy is allocated. Policies written under binding authorities, lineslips or consortium arrangements are allocated to the year of account into which the arrangement incept. Additional and return premiums follow the year of account of the original premium. Premiums are shown gross of brokerage payable and exclude taxes and duties levied on them. Estimates are made for pipeline premiums, representing amounts due, but not yet notified to the Syndicate year of account.

Written premium is earned according to the risk profile of the policy. Unearned premiums represent the balance of premiums written in the period to the balance sheet date that relate to unexpired risks of policies in force at that date, calculated on the basis of established earnings patterns or time apportionment as appropriate.

Outwards reinsurance premiums ceded are attributed to the same year as the original risk.

Reinstatement premiums arise on certain non-proportional inwards and outwards reinsurance contracts when losses exceed specified levels and cover is reinstated. RIPs that are contractually due and/or invoiced at the reporting date are recognised as written and earned premium and are presented within debtors or creditors arising out of insurance and reinsurance operations. Expected or future RIPs cashflows arising on in-force contracts, including those associated with incurred but not reported losses, are reflected within reinsurance recoveries or reinsurance to closes premiums payable.

Gross claims paid are allocated to the same year of account as that to which the corresponding premiums are allocated and include internal and external claims settlement expenses. Reinsurance recoveries are allocated to the year of account to which the claim was charged.

The reinsurance to close premium is determined by reference to the outstanding technical provisions (including those for outstanding claims and unearned premiums, net of deferred acquisition costs and unexpired risks) relating to the closed year and to all previous closed years reinsured therein. Although this estimate of net outstanding liabilities is considered to be fair and reasonable, it is implicit in the estimation procedure that the ultimate liabilities will be at variance from the premium so determined. The reinsurance to close premium transfers the liability in respect of all claims, reinsurance premiums, return premiums and other payments in respect of the closing year (and previous closed years reinsured therein) to the members of the successor year of account and gives them the benefit of refunds, recoveries, premiums due and other income in respect of those years in so far as they have not been credited in these accounts. Please see note 16 for further information.

Accounting policies continued

The outstanding claims comprise amounts set aside for claims notified and claims incurred but not yet reported (“IBNR”).

Notified claims are estimated on a case-by-case basis with regard to the circumstances as reported, any information available from loss adjusters and previous experience of the cost of settling claims with similar characteristics. The amount included in respect of IBNR is based on statistical techniques of estimation applied by the Syndicate’s actuaries. These techniques generally involve projecting from past experience of the development of claims over time to form a view of the likely ultimate claims to be experienced for more recent underwriting, having regard to variations in the business accepted and the underlying terms and conditions. For the most recent years, where a high degree of volatility arises from projections, estimates may be based in part on output from rating and other models of the business accepted and assessments of underwriting conditions.

The provision for claims includes amounts in respect of internal and external claims handling costs.

The reinsurers’ share of provisions for claims is based on calculated amounts of outstanding claims and projections for IBNR, net of estimated irrecoverable amounts, having regard to the reinsurance programme in place for the class of business, the claims experience for the year and the current security rating of the reinsurance companies involved.

The Syndicate uses a number of statistical techniques to assist in making the above estimates. The two most critical assumptions as regards claims provisions are that the past is a reasonable predictor of the likely level of claims development and that the rating and other models used for current business are fair reflections of the likely level of ultimate claims to be incurred. The methods used, and the estimates made, are reviewed regularly.

A provision for unexpired risks is created where claims, related expenses and deferred acquisition costs, likely to arise after the balance sheet date in respect of contracts relating to the closing year of account, are expected to exceed the unearned premiums and premiums receivable under these contracts, after the deduction of any acquisition costs deferred.

Acquisition costs, comprising commission and other internal and external costs related to the acquisition of new insurance contracts are deferred to the extent that they are attributable to premiums at the balance sheet date.

Financial assets and liabilities

In applying FRS 102, the Syndicate has chosen to apply the recognition and measurement provisions of IAS 39 Financial Instruments: Recognition and Measurement (as adopted for use in the UK).

Financial assets and financial liabilities are classified at initial recognition as either fair value through profit and loss or designated at amortised cost. Investments in shares and other variable yield securities, units in unit trusts, and debt and other fixed income securities are designated as at fair value through profit or loss on initial recognition, as they are managed on a fair value basis in accordance with the Syndicate’s investment strategy.

Accounting policies continued

Financial instruments are recognised when the Syndicate becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Syndicate's contractual rights to the cash flows from the financial assets expire or if the Syndicate transfers the financial asset to another party without retaining control of substantially all risks and rewards of the asset. A financial liability is derecognised when its contractual obligations are discharged, cancelled, or expire.

Regular purchases and sales of financial assets are recognised and derecognised, as applicable, on the trade date, i.e. the date that the Syndicate commits itself to purchase or sell the asset.

A financial asset or financial liability is measured initially at fair value plus, for a financial asset or financial liability not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

Financial assets at fair value through profit or loss are measured at fair value with fair value changes recognised immediately in profit or loss. Net gains or net losses on financial assets measured at fair value through profit or loss includes foreign exchange gains/losses arising on their translation to the functional currency but excludes interest and dividend income.

A financial asset initially measured at the transaction price and subsequently measured as amortised cost uses the effective interest method. The interest rate used is generally that as stated in the loan agreement/bond (if applicable) or a standard market rate for a similar product. The unwinding of the associated discount is subsequently recognised in the statement of profit or loss.

At each reporting date the Syndicate assesses whether there is objective evidence that financial assets not at fair value through profit or loss are impaired. Financial assets are impaired when objective evidence demonstrates that a loss event has occurred after the initial recognition of an asset, and that the loss event has an impact on the future cash flows on the asset that can be estimated reliably.

Objective evidence that financial assets are impaired includes observable data that comes to the attention of the Syndicate about any significant financial difficulty of the issuer, or significant changes in the technological, market, economic or legal environment in which the issuer operates.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

An impairment loss recognised reduces directly the carrying amount of the impaired asset. All impairment losses are recognised in profit or loss. An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. For financial assets measured at amortised cost the reversal is recognised in profit or loss.

Investment return

Investment return comprises all investment income, realised investment gains and losses and movements in unrealised gains and losses, net of investment expenses, charges and interest.

Accounting policies continued

Dividend income is recognised when the right to receive income is established. Usually this is the ex-dividend date for equity securities. Interest income on financial assets measured at amortised cost is recognised using the effective interest method. For the purpose of separately presenting investment income and unrealised gains and losses for financial assets at fair value through profit or loss, interest income is recognised as it accrues on the next coupon payment.

For investments at fair value through profit or loss, realised gains and losses represent the difference between the net proceeds on disposal and the purchase price. For investments measured at amortised cost, realised gains and losses represents the difference between the net proceeds on disposal and the latest carrying value (or if acquired after the last reporting date, the purchase price).

Unrealised gains and losses on investments represent the difference between the fair value at the balance sheet date and their purchase price. Movements in unrealised investment gains and losses comprise the increase/decrease in the reporting period in the value of the investments held at the reporting date and the reversal of unrealised investment gains and losses recognised in earlier reporting periods in respect of investment disposals of the current period, or the valuation at the beginning of the year; as well as the reversal of previously recognised unrealised gains and losses in respect of investment disposed of in the current period.

Investment return is initially recorded in the non-technical account. The return is transferred in full to the general business technical account to reflect the investment return on funds supporting underwriting business.

Syndicate operating expenses & profit commission

Costs incurred by the Managing Agent in respect of the Syndicate are charged to the Syndicate and included within the relevant profit and loss account heading. Where expenses do not relate to any specific year of account, they are apportioned between years of account on a basis which reflects the benefit obtained by each year of account from each type of expense.

Where expenses are incurred jointly by the Managing Agent and the Syndicate, they are apportioned as follows:

- **Salaries and Related Costs**
According to time of each individual spent on Syndicate matters.
- **Accommodation Costs**
According to number of personnel.
- **Other Costs**
As appropriate in each case.
- **Profit Commission**
Profit commission is charged by the Managing Agent at a rate of 5% of profit subject to the operation of a deficit clause. Such commission does not become payable until after the appropriate year of account closes, normally at 36 months. Profit commission on naturally open years is accrued on the basis of earned profit to date.

Accounting policies continued

- Pensions
The Managing Agent operates a defined contribution pension scheme and its recharges to the Syndicate in respect of salaries and related costs include an element for pension costs. These pension costs are expensed in full in the period to which the recharge relates.

Amounts recharged by the Managing Agent include costs arising from the use of assets in the period. These rental costs are expensed in full in the period to which the recharge relates.

Offsetting

The Syndicate sets off and presents its financial assets and liabilities net where:

- (i) each it and another party owes the other determinable amounts,
- (ii) it has the right to set off the amount owed with the amount owed by the other party,
- (iii) it intends to set off, and
- (iv) the right of set off is enforceable at law.

Taxation

Under Schedule 19 of the Finance Act 1993 managing agents are not required to deduct basic rate income tax from trading income. In addition, all UK basic income tax deducted from Syndicate investment income is recoverable by managing agents and consequently the distribution made to members or their members agents is gross of tax. Capital appreciation falls within trading income and is also distributed gross of tax. It is the responsibility of members to agree and settle their individual tax liabilities with HM Revenue & Customs.

Members resident overseas for tax purposes are responsible for agreeing and settling any tax liabilities with the taxation authorities of their country of residence.

Foreign currencies

The Syndicate's functional currency and presentation currency is USD.

Transactions denominated in currencies other than the functional currency are initially recorded in the functional currency at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities (which include all assets and liabilities arising from insurance contracts including unearned premiums and deferred acquisition costs) denominated in foreign currencies are retranslated into the functional currency at the closing rate.

Exchange differences are recorded in the non-technical account.

3. Risk management

At 31 December 2025 the 2023 year of account is closed by reinsurance to close into the 2024 year of account of Syndicate 4242. Accordingly, the underwriting and reserving risk arising from policies written in the 2023 year of account is transferred to the 2024 year of account, together with the associated assets and liabilities, subject to the terms of the RITC. Further qualitative risk disclosures are included in the Syndicate Annual Report and Accounts.

4. Particulars of business written

An analysis of the underwriting result before investment return is set out below:

	Gross Premiums Written and Earned \$'000	Gross Claims Incurred \$'000	Net Operating Expenses \$'000	Reinsurance Balance \$'000	Total \$'000
Accident & Health	0	0	0	0	0
Motor (third party liability)	7,712	(4,543)	(2,351)	(674)	144
Motor (other classes)	4,392	(2,611)	(1,244)	(410)	127
Marine, Aviation and Transport	5,640	(3,513)	(1,229)	(998)	(100)
Fire and other damage to property	182,133	(56,065)	(48,581)	(62,935)	14,552
Third party liability	73,359	(38,154)	(12,864)	(18,715)	3,626
Credit and suretyship	15,318	(9,705)	(4,100)	(1,242)	271
	<u>288,554</u>	<u>(114,591)</u>	<u>(70,369)</u>	<u>(84,974)</u>	<u>18,620</u>
Reinsurance acceptances	112,869	(43,903)	(27,109)	(30,114)	11,743
Total	<u>401,423</u>	<u>(158,494)</u>	<u>(97,478)</u>	<u>(115,088)</u>	<u>30,363</u>

Included in the net operating expenses are reinsurance commissions of \$44.6m All premiums were concluded in the UK.

5. Analysis of result by year of account

	Prior Years \$'000	2023 \$'000	Total combined \$'000
Technical account balance before allocated investment return and net operating expenses	0	127,841	127,841
Brokerage and commission on gross premium	0	(117,844)	(117,844)
	<u>0</u>	<u>9,997</u>	<u>9,997</u>
Net other expenses	0	20,366	20,366
Investment income	0	10,044	10,044
Balance on technical account	<u>0</u>	<u>40,407</u>	<u>40,407</u>

The 2022 year of account closed into Syndicate 3500, managed by Riverstone Managing Agency. Therefore no prior years were reinsured by the 2023 YOA of this syndicate.

6. Reinsurance to close premium payable net of reinsurance

	Reported \$'000	IBNR \$'000	Total \$'000
Gross outstanding losses	(24,763)	(71,505)	(96,268)
Reinsurance recoveries anticipated	7,581	27,049	34,630
Net outstanding losses	<u>(17,182)</u>	<u>(44,456)</u>	<u>(61,638)</u>

During 2025 the Syndicate refined its presentation of reinstatement premiums so that expected or future RIPs cashflows on in-force contracts are included within outstanding losses (gross and reinsurance recoveries). RIPs that are contractually due and/or invoiced at the reporting date continue to be presented within debtors or creditors.

7. Net operating expenses

	\$'000
Acquisition costs	(117,844)
Administration expenses	(24,234)
Reinsurance commissions and profit participations	44,600
	<u>(97,478)</u>

The closed year profit is stated after charging the following Auditor's remuneration:

	\$'000
Audit of the financial statements	(407)
Other services pursuant to Regulations and Lloyd's Byelaws	0
Other services relating to actuarial review	(88)
	<u>(495)</u>

8. Investment income

	\$'000
Income from investments	7,335
Unrealised gains on investments	1,486
Unrealised losses on investments	(603)
	<u>8,218</u>
Investment management expenses	(63)
Realised gains on investments	1,945
Realised losses on investments	(56)
	<u>1,826</u>
Net investment return	<u>10,044</u>

Included in income above, is an amount of \$162k in respect of income on investments and, realised gains of \$67k held at amortised cost. All other amounts are in respect of investments held at fair value.

9. Investments

	Held value \$'000	Cost \$'000
Holdings in collective investment schemes at fair value through profit or loss	30,403	30,403
Debt securities and other fixed income securities at fair value through profit or loss	26,166	23,528
Debt securities and other fixed income securities at amortised cost	34,856	31,343
Loans and deposits with credit institutions	0	0
Overseas deposits as investments	5,253	5,254
	96,678	90,528

There was no material change in fair value for financial instruments held at fair value attributable to own credit risk in the current or comparative period.

The following table shows financial investments recorded at fair value analysed between the three levels in the fair value hierarchy.

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total Fair Value \$'000	Held at amortised cost \$'000	Total \$'000
31 December 2025						
Holdings in collective investment schemes	30,403	0	0	30,403	0	30,403
Debt securities and other fixed income securities	11,595	14,571	0	26,166	34,856	61,022
Loans and deposits with credit institutions	0	0	0	0	0	0
Overseas deposits as investments	566	4,687	0	5,253	0	5,253
Total	42,564	19,258	0	61,822	34,856	96,678

Included in the level 1 category are financial assets that are measured by reference to published quotes in an active market. A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry Syndicate, pricing service or regulatory agency and those prices represent actual and regularly occurring market transactions on an arm's length basis.

Included in the level 2 category are financial assets measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions. For example, assets for which pricing is obtained via pricing services but where prices have not been determined in an active market, financial assets with fair values based on broker quotes, investments in private equity funds with fair values obtained via fund managers and assets that are valued using the Syndicate's own models whereby the significant inputs into the assumptions are market observable.

Included in the level 3 category, are financial assets measured using a valuation technique (model) based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Therefore, unobservable inputs reflect the Syndicate's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk). These inputs are developed based on the best information available, which might include the Syndicate's own data.

10. Non-cash consideration received as part of RITC received

The 2022 year of account closed into Syndicate 3500, managed by Riverstone Managing Agency. Therefore no RITC premium was received by the 2023 YOA of this syndicate.

11. Movement in cash and portfolio investments net of financing

	At 1 January 2023	Received within RITC Premium	Cash flow	Unrealised gains & losses & foreign exchange	At 31 December 2025
	\$'000	\$'000	\$'000	\$'000	\$'000
Cash	0	0	9,538	0	9,538
Investments	0	0	95,795	883	96,678
	<u>0</u>	<u>0</u>	<u>105,333</u>	<u>883</u>	<u>106,216</u>

12. Debtors arising out of insurance and reinsurance operations

	\$'000
Due from ceding insurers (within one year)	302
Due under reinsurance contracts ceded (within one year)	277
Due from direct intermediaries (within one year)	16,550
	<u>17,129</u>

13. Creditors arising out of insurance and reinsurance operations

	\$'000
Due under reinsurance contracts ceded (within one year)	(29,978)
Due from direct Intermediaries (within one year)	(3)
	<u>(29,981)</u>

14. Disclosure of interests

Managing Agent's interest

During 2025, Asta was the Managing Agent for the following syndicates on behalf of third-party capital providers:

- Syndicates 1322, 1609, 1618, 1699, 1892, 1947, 1984, 1985, 1988, 2525, 2689, 3123, 4242 and 4747,
- Special Purpose Arrangement 1416,
- Syndicates-in-a-Box 1796, 1902, 1922, 1966, 2427, 2880, 3456 and 5183.

Disclosure of interests continued

During 2025, Asta took on management of the following syndicates:

- Syndicate 1618 on 1 January 2025
- Syndicate 1984 on 1 April 2025
- Syndicate 1947 on 1 July 2025

During 2025, Asta ceased to be the Managing Agent for the following syndicates:

- Syndicate 2786 on 1 July 2025
- Syndicate 4242 on 29th December 2025
- Special Purpose Arrangement 1416 on 29th December

Asta also provides administrative services to syndicates and special purpose arrangements, also undertaking several ancillary roles for other clients.

From the 30th December, the Managing Agency of the Syndicate changed from Asta to Statera Managing Agency who is also the managing agent for Syndicate 4242's SPA Syndicate 1416.

Alcor Underwriting London Ltd., Alcor Underwriting Bermuda Limited, Brace Underwriting Ltd., Tegron Specialty Ltd., Satinwood Underwriting Ltd., Chord Reinsurance Ltd., Munitus Insurance Ltd., Redriff Underwriting Ltd., Convergence Credit Ltd. and Horace Underwriting Ltd. are all majority owned entities of the Octave Group providing coverholder services to the Syndicate.

Alitus Intermediaries Ltd. provides reinsurance management services to the Syndicate and Capital management services to the Managing Agency.

The Financial Statements of the Managing Agency can be obtained by application to the Registered Office (see page 1).

15. Related parties

Asta provided service and support to Syndicate 4242 in its capacity as Managing Agent until 29th December 2025. The 2023 year of account was charged managing agency fees of \$2.2 million. The 2023 year of account was charged managing agency profit commission of \$2.1m

Asta also recharged \$2.7 million of professional services to the 2023 year of account.

From 30th December 2025, Statera Managing Agency became the Managing Agent for Syndicate 4242. No fees were charged in the year.

Statera Managing Agency Ltd is a subsidiary of Octave Specialty Group, Inc. a company listed on the New York Stock Exchange. Beat Syndicate Services Ltd, a company registered in England and Wales, is a member of the Group that provides staff and services to Syndicate 4242 and SPA 1416. The amounts charged were \$8.1m. Octave Services Ltd, another Group member, also provides services to the Syndicate. \$2.6m expenses were charged to the 2023 year of account.

16. Post balance sheet event

In 2026, the Syndicate will distribute the profits relating to the 2023 YOA to members. The Directors have evaluated events after the balance sheet date up to 20 February 2026, being the date on which these Syndicate Underwriting Year Accounts were approved. Subsequent to 31 December 2025, the 2023 year of account has been closed by reinsurance to close into the 2024 year of account of Syndicate 4242. Other than matters arising from this closure, no adjusting or significant non-adjusting events have been identified that require disclosure in these accounts.

Summary of Closed Year Results - unaudited

as at 31 December 2025

Year of Account	2016	2018	2019	2020	2021	2022	2023
Syndicate allocated capacity (£'000)	95,000	110,000	165,000	165,000	225,000	225,000	260,000
Syndicate allocated capacity (\$'000)	120,650	150,700	222,750	198,000	285,750	281,250	351,000
Number of Underwriting members	11	15	15	12	11	10	9

Notes

1. The summary of closed year results has been prepared from the audited accounts of the Syndicate. This summary however is not audited.
2. Personal expenses have been stated at the amount which would be incurred pro rata by individual Names writing the illustrative premium income in the Syndicate irrespective of any minimum charge applicable. Corporate members may be charged at different rates. Foreign tax, which may be treated as a credit for personal tax purposes, has been excluded.
3. As regards the 2023 year of account, an illustrative share of £10,000 represents 0.00385% of the respective allocated capacity.
