On demand support from the Multinational team

The Multinational team acts as a knowledge partner between managing agents and ICICI Lombard

Crystal+ and Lloyd's International Trading Advice (LITA) team can provide detailed guidance on this arrangement

Overview of available routes to access the Indian market at Lloyd's:

01 Lloyd's India

Lloyd's managing agents can access the Indian market by setting up a service company on the Lloyd's India platform as an onshore reinsurer.

02 Lloyd's GIFT City

Our newly authorised GIFT City license provides another route to access the Indian market for Lloyd's managing agents, by setting up a service company on the Lloyd's GIFT City platform.

03 Cross Border Reinsurance

Lloyd's underwriters can continue to access the Indian reinsurance market on a cross-border basis from reinsurance hubs like London.

Our partnership with ICICI Lombard in India complements Lloyd's Multinational proposition.
