

Switzerland

We're back with Lloyd's Multinational Around the World tour, taking you on a virtual journey across our global network. Next stop: Switzerland

With the exception of life, sickness and legal expenses Lloyd's is licensed to write all non-life insurance in Switzerland. We have a team in Zurich to help you navigate the Swiss market and provide market-specific expertise.

- Local documentation available in Italian, French and German via our Summary of Coverage service
- Benefit from improved operational efficiencies, reducing funding requirements on Swiss-related business
- Lloyd's Switzerland optimises market access by supporting intermediaries in establishing twin-binders via Liechtenstein, enabling swift access to EEA and Non-EEA capacity simultaneously
- Support in the central administration of Swiss Stamp Duty
