

Accessing Summary of Coverage

01 Sign Market User Agreement

Organisations will need to sign the market user agreement to access the service. To view and sign this agreement, please contact multinational@lloyds.com. Once organisations have signed the market user agreement, they can access the service through the Lloyd's Market Support Centre portal.

02 Users Request Access to Market Support Centre

If users don't currently have access to the Market Support Centre, please request access [here](#).

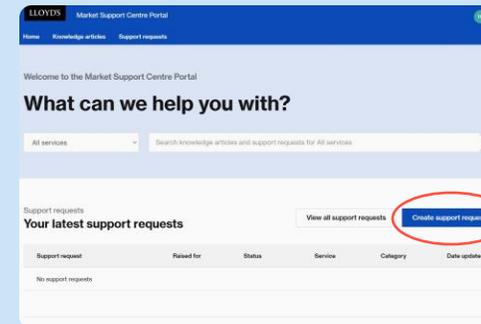

There are two access methods:

1. If your organisation is registered for LIMOSS SSO, you will need to register for a LIMOSS account, and request access to the Market Support Centre portal through LIMOSS.
2. If your organisation is not registered for LIMOSS, please [request access](#) to the Market Support Centre portal using your Lloyd's identity account.

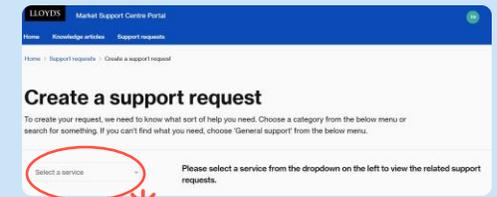

If you have a technical issue with access to the Market Support Centre, please raise a support request [here](#).
