**market communication**

Date: 13 May 2022

Reference: 2022/043

Enquiries to: DXC London Market Comms

Email: [DXCLONDONMARKETCOMMS@DXC.COM](mailto:DXCLONDONMARKETCOMMS@DXC.COM)

**RE: DOCUMENT STORAGE SITE FOR DXC DIGITAL SOLUTIONS (JOINT SOLUTION PLAN AND PROPORTIONAL TREATY PROJECT)**

DXC is pleased to advise that we have developed a central Sharepoint site for access to key documents that support adoption of our digital solutions. These include technical specifications, Market webinar materials and other supporting documentation.

If you have received this communication and would like access, please email [DXCLONDONMARKETCOMMS@DXC.COM](mailto:DXCLONDONMARKETCOMMS@DXC.COM) and provide:

- Your email address
- Your company name
- Your role within the business

You will receive a follow up email requesting your approval to the Terms of Use Policy and an option to be added to our mailing list. Once this has been received, we will then send you the link to the Sharepoint site.

A review will take place every 90 days and any inactive accounts will be revoked.

For those companies that have already signed up to access via Proportional Treaty project there is no further action required.

This is a temporary solution to allow you access to important documents to help you understand the impact of planned changes and what you will need to do to start preparing. We will be improving the way to gain access to this, and to future information, and will revert in due course.

If you have any questions, please email [DXCLONDONMARKETCOMMS@DXC.COM](mailto:DXCLONDONMARKETCOMMS@DXC.COM)
