Lloyd's Systemic Risk Masterclass: Insuring the Uninsurable

Date: Tuesday 23rd February

Learning outcomes

Specifically, attendees should leave confident in understanding the following:

- ✓ What is the insurance industry's role in protecting society against systemic risks?
- ✓ How can the insurance industry write components of systemic risk sustainably?
- ✓ What does this mean for insurance customers?
- ✓ What skills, systems & processes do insurance professionals require to create new sustainable solutions that protect against systemic risks?
- ✓ What does terrorism risk have in common with systemic risks, what doesn't it? How did insurers and government collaborate to provide a sustainable market for terror insurance, and what lessons can we learn when looking at systemic risks today?
- ✓ What do I need to do as an underwriter / broker / claims professional?
- ✓ What do we need to do as an industry?
 - Review existing cover & gaps
 - Customer education & engagement
 - Invest in new functional capabilities, data sources
