**4 November 2024**

The following disclosure has been received from Alpha Insurance Analysts Limited, a Lloyd's members' agent.

### **Deceased Name – Mini Auction**

Alpha Insurance Analysts Limited has been notified of the recent death of an unlimited liability member. Legal documentation is required before the Name's capacity can be entered into the auctions. If this is received in time, the Name's capacity will be entered for sale into Auction 3 and Lloyd's Auction Official has agreed that Alpha may hold a mini auction after Auction 3 in November to sell any unsold capacity. Alternatively, a mini auction will be held to sell all the Name's capacity after Auction 3 and before the year end.
