

# Solutions for an Accessible Workplace Event

We're inviting you to an assistive technology event in support of **International Day of Persons with Disabilities.**

Aviva, iDawn, British Disability Forum and RenaissanceRe are proud to present the first London Market Exhibition for technology. The event will bring together resources and support which enable a more accessible and inclusive workplace for persons with disabilities and neurodivergent individuals.

**When:** Dec 5<sup>th</sup>, 10:00-15:00 GMT

**Where:** Aviva: St Helens, 1 Undershaft, London EC3P 3DQ

**Why:** An opportunity to browse and speak directly with exhibitors from companies that provide solutions to people using assistive and accessibility technologies in the workplace.

## The following companies will be in attendance:

[iDawn](#), [Business Disability Forum](#), [GAIN](#), [Lexxic](#), [Microsoft](#), [Microlink](#), [Phonak](#), [SignVideo](#), [Signapse](#), [Texthelp](#), [Thrive](#), [Xrai.glass](#) and more.

### Important information
