FAL Online

Overview and glossary of terms

Background

The new Funds at Lloyd's (FAL) Online portal provides a central location to view and download FAL Member portfolio data. There is also additional functionality to exchange secure information via a document upload application and secure messaging service.

Please note, FAL Online does not support any robotic or web scraping activities, as detailed in our terms and conditions.

Please see FAQs for details of how to sign up.

Accessing the Portal

To access the portal, navigate to www.lloyds.com and select 'Log in' from the navigation bar at the top right hand side of the screen.

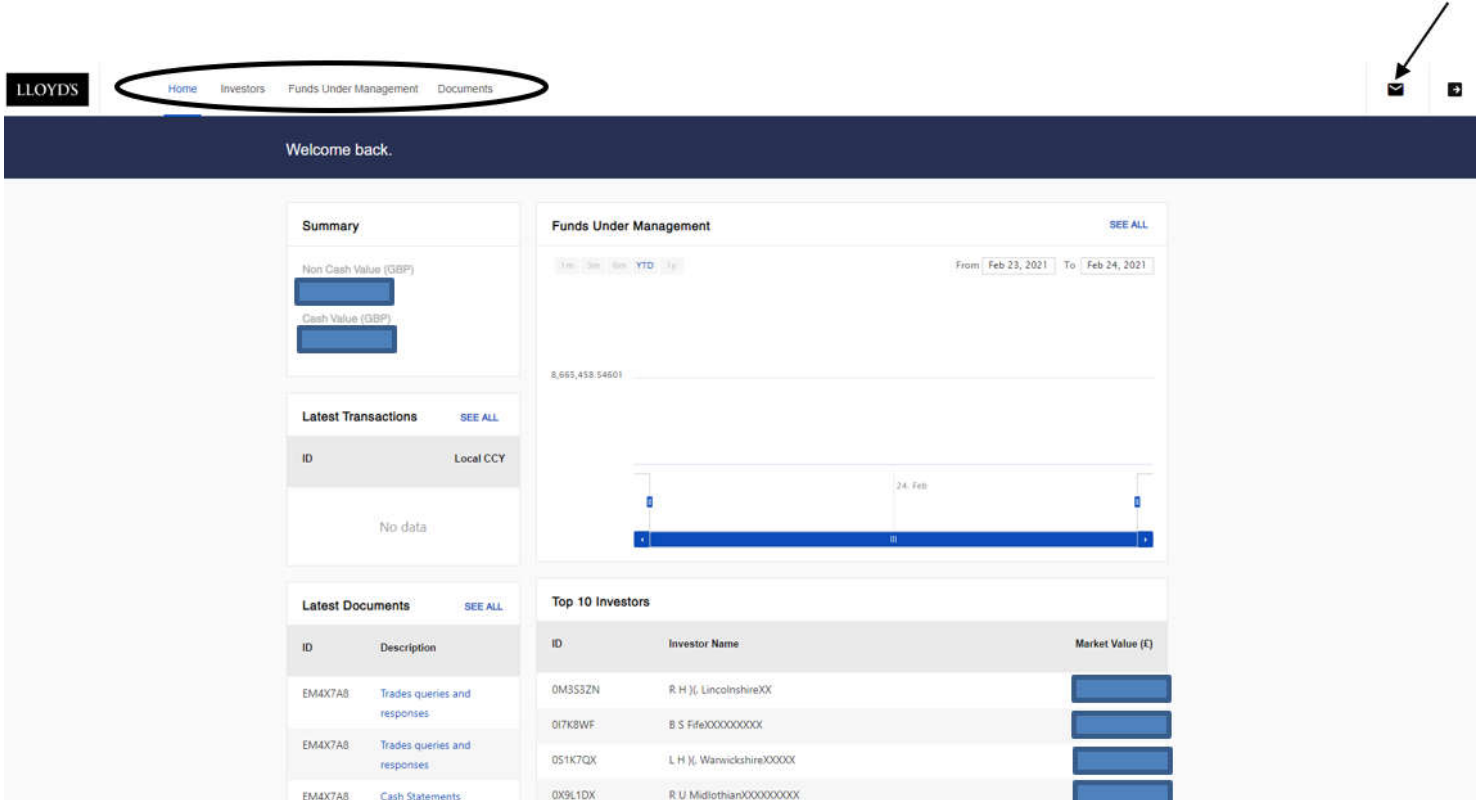

Sign in using your username and password. Once your account profile area has loaded, select the 'FAL Online' link from the Lloyd's Tools menu.

Navigation Menu

Upon login, you will land on a central dashboard, where you can navigate to any page.

The main navigation menu is populated at the top left of the page, along with the secure messaging feature, which is located to the top right of your screen (denoted by the email envelope icon).

Home Dashboard

Below the navigation menu, is the home dashboard, which contains the following features:

Summary

A combined GBP total FAL value (cash and non-cash) for all the clients who have provided you with access. Please note that any non-GBP cash or assets have been converted to reflect a GBP value.

Latest Transactions

These are the most recent cash and stock movements, transacted for clients who have provided you with access. Click 'SEE ALL' for a full breakdown of transactions.

Insights from Lloyd's

Links to Lloyds.com articles, which may be of interest to you.

Insights from Lloyd's

Complex Risk Platform

A digital, end-to-end platform that complements face-to-face negotiation to submit, quote, bind, issue, endorse and renew complex risks for insurance and reinsurance business. This will evolve over time from a 'document-plus-data' to a 'data-first' solution.

Future at Lloyd's blueprint

The Future at Lloyd's will support this new way of working by continuing the digitalisation of the market.

Services hub

The services hub is at the heart of Lloyd's future value proposition, building on existing capabilities and providing new, innovative services that offer value to market participants, customers and a competitive advantage for Lloyd's.

Investors

This page displays a list of Lloyd’s clients and corresponding fund and profile information. If you are an Investment Manager (IM) or dealing broker, the list will contain all the Investor portfolios, for which you have been appointed by the client. If you are not an IM or dealing broker, the list will contain all the client portfolios you have been granted access to.

The search options at the top of each column, allow you to search for a particular member, using either the Investor ID (Member Number), Investor Name (Member Name), Fund code/name or member Status (e.g. Active, Resigned).

ID	Investor Name	Fund	Status

Funds Under Management

The Funds Under Management page shows asset information.

Assets can be viewed by Asset Class, Sub Asset class or Currency (GBP equivalent value), by selecting the relevant tab.

You can also backdate the graph and holdings view to any previous date, using the 'As of' field at the top of the page.

Asset Class

Non Cash Value (GBP) | Cash Value (GBP) | As of 11/05/2021

Asset Class	Value (GBP)
Government Bonds	~1,150,000,000
Investment Funds	~350,000,000
Cash and Deposits	~200,000,000
Equity	~100,000,000
Members Funds Cash	~100,000,000
Corporate Bonds	~100,000,000
Collateralised Securities	~100,000,000

*****IMPORTANT INFORMATION RELATING TO VALUATIONS *****

Valuations for a given day may change if Member Services backdate transactions.

When you first access the asset holdings page, you will be presented with a default view, which is fully customisable. Additional field headings can be applied by clicking on the cog icon and dragging and dropping the headings back and forth between the transaction data table and the cog headings list.

The screenshot shows a table with the following columns: Asset Code, Asset Description, ISIN, Total Qty, Total Value GBP, and Local Ccy. The table contains data for '00101 General Deposit IA' with various values. A settings panel on the right includes fields for 'As of', 'Asset Class', 'CUSIP', 'Classification', 'Exchange Rate', 'Expiry Date', 'Fund Description', 'Fund Ref', 'IA Donated To', 'IA Received From', and 'IA Value Local Ccy'. Arrows indicate the interaction between the table and the settings panel.

Please note, you will only be able to view around 8 field headings at a time within the portal view, to ensure data is still readable. After this, any additional headings will begin disappearing out of view, however data from the additional fields can still be accessed within the portal view by selecting the 3 dots to the far right of the table. Please note, if you drag additional fields to the right, they will maintain the order you have dragged them in. You can confirm the order, by clicking on the three dots. The full table of data can also be extracted to an Excel workbook (.xlsx format).

The screenshot shows a table with 8 columns: Asset Code, Fund Description, Asset Description, ISIN, Total Qty, Total Value GBP, Local Ccy, and As of. The table contains data for '00101 General Deposit IA' with a value of 5,600,000.00. A settings panel on the right includes fields for 'As of', 'Asset Class', 'CUSIP', 'Classification', 'Exchange Rate', 'Expiry Date', 'Fund Description', 'Fund Ref', 'IA Donated To', 'IA Received From', and 'IA Value Local Ccy'. An arrow points from the 'As of' field in the table to the 'As of' field in the settings panel.

FAL Online

Overview and glossary of terms

Holdings can be 'grouped' by any of the available field headings (unless there is no data populated within that column).

Asset Code	Fund Description	Asset Description	ISIN	Total Qty	Total Value GBP	Local Ccy
0G5K5GD M S Denbighshire IA Funds for 0P5N1QK L B . Radnorshir						
	00101 General Deposit IA			5,600,000.00		USD
	00101 General Deposit IA			6,800,000.00		USD
	00101 General Deposit IA			8,000,000.00		USD
	00101 General Deposit IA			9,600,000.00		USD
	00101 General Deposit IA			94,409.49		USD
0G5K5GD M S Denbighshire Own Funds						
	00101 General Deposit			-	-	USD

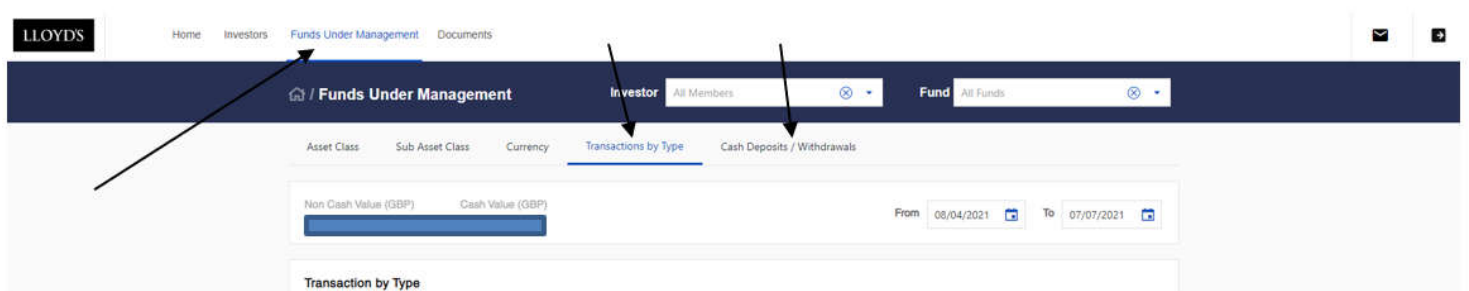

Groupings can be made by dragging and dropping the relevant field heading from the existing valuation table or from any of the headings listed against the icon, to the bar above the valuation data table. In the above example, holdings have been grouped by Investor.

Once you have customised the table, as per your requirements, click 'save' in the cog menu to retain this view for subsequent logins. Click on 'Reset' to remove the saved settings and reset it back to the default view.

To extract the valuation data to an Excel workbook (.xlsx format), click on the download icon at the top of the data table.

Transactions

To access the transactions page, click on the 'Funds Under Management' link on the main navigation menu.

From here, you can view either 'Transactions by Type' (the default view) or you can click on 'Cash Deposits/Withdrawals' to view cash portfolio movements only.

FAL Online

Overview and glossary of terms

You can also change different variables to fit your viewing requirements, for example you can filter on a specified fund using the drop down feature (default option to display 'All Funds') and alter the 'From' and 'To' dates according to the date period you select.

When you first access the transactions page, you will be shown a default view, which is fully customisable. Additional field headings can be applied by selecting the cog icon and dragging and dropping the headings back and forth between the transaction data table and the cog headings list.

In the below example, 'Asset Code' is being dragged from the additional heading options which are listed against the cog icon and dropped into the current transaction table.

The screenshot displays a financial portal interface. At the top, there is a bar chart with two data series: 'Interest Income (413.39)' in orange and 'Deposits/Payments (14,545,553.72)' in teal. Below the chart is a 'Transaction Type' dropdown menu. The main part of the interface is a table with the following columns: Fund Description, Transaction Date, Post Date, Asset Code, Transaction Value GBP, and Local CCY. The table is grouped into 'Capital Events' and 'Deposits/Payments'. A settings panel on the right side, titled 'Reset Save X', contains a list of fields that can be dragged into the table: Asset Class, Asset Code, Asset Description, CUSIP, Cash Transaction Type, Clearing Date, Exchange Rate, Fund Ref, ISIN, Life/Non-Life, and Member Code. The 'Asset Code' field is currently being dragged into the table header.

Fund Description	Transaction Date	Post Date	Asset Code	Transaction Value GBP	Local CCY
Capital Events					
00123 General Deposit	02/01/2020	02/01/2020			USD
00123 General Deposit	02/01/2020	02/01/2020			USD
Deposits/Payments					
00123 General Deposit	01/07/2020	01/07/2020			USD

00101 General Deposit	24/07/2020	24/07/2020			USD
00101 General Deposit	24/07/2020	24/07/2020			USD
00123 General Deposit	07/07/2020	07/07/2020			USD
00123 General Deposit	07/07/2020	07/07/2020			USD

Please note, you will only be able to view around 8 field headings at a time within the portal view, before any additional headings will begin disappearing out of view. Please note, if you drag additional fields to the right, they will maintain the order you have dragged them in. You can confirm the order, by clicking on the three dots. however the full table of data can be extracted to an Excel workbook (.xlsx format).

Transactions can be 'grouped' by any of the available field headings (unless there is no data populated within that column). For example, you cannot group your transaction view by exchange rate, if all your transactions have been processed in GBP, as no data will be present in this column.

Groupings can be made by dragging and dropping the relevant field heading from the existing transactions table or from any of the headings listed against the cog icon, to the bar above the transaction data table. In the case of the below example, transactions have been grouped by Transaction Type e.g. Capital Events, Deposits/Payments, Asset Trading etc.

FAL Online

It is not compulsory to select a 'grouping' option. If you wish to view all data without a 'grouping', you just need to ensure all field headers are dragged into the main table, as per the below example.

Drag a column header here to group grid records

Post Date	Asset Code	Transaction Value ...	Asset Cl...	CUSIP	Cash Transaction Ty...	Clearing Date	Exchange R...	Fund Ref
02/01/2020		7,343,335.88	[Redacted]		Capital Account	02/01/2020	1.32	0T7F7FN.00123
02/01/2020		7,343,335.88	[Redacted]		Capital Account	02/01/2020	1.32	0T7F7FN.00123
21/05/2020		(16,806.40)	[Redacted]		Capital Account	21/05/2020	1.23	0T7F7FN.01101
21/05/2020		(16,806.40)	[Redacted]		Capital Account	21/05/2020	1.23	0T7F7FN.01101
08/06/2020		(2,563,365.11)	[Redacted]		Capital Account	08/06/2020	1.27	0T7F7FN.00123

Once you have customised the table, as per your desired field headings, you can click 'save' in the cog menu to retain this view for subsequent logins.

To extract the transactions data to an Excel workbook (.xlsx format), click on the download icon  at the top of the data table.

Notes on Transactions

- **Rounded Figures** – within the portal view, transaction data is rounded to two decimal places. If reconciling transactions, please ensure that the data is extracted to Excel. The Excel workbook will display 2 decimal places by default; however, you can click into each cell to see the true number of decimal places.

Interavailable Funds

Definition from the Glossary of Terms

*Also known as IA - Interavailable Arrangement. This is an arrangement whereby the Lloyd's deposit for general insurance business supports the underwriting of two or more different members (investors). Parties to the arrangement are defined as either the **donor** member (investor) or the **recipient** member (investor).*

As an appointed Investment Manager (IM) or interested party, you may look after a client who is party to an Interavailable Arrangement. You may have clients who are either a donor or a recipient or you may look after clients on both sides of the arrangement.

It is important to note that IA positions are now visible to you in the FAL Online portal.

*******IMPORTANT INFORMATION RELATING TO IA*******

Please note that although IA received assets are considered for certain FAL business practices, assets are only available for trading purposes from the donor client's portfolio.

To illustrate the FAL Online IA data, we are going to look at views for two clients – a donor and a recipient. In the examples provided, the IM or interested party has access to both the donor and recipient client:

DONOR / [M S Denbighshire](#)

RECIPIENT / [L B Radnorshir](#)

1) Function: Viewing within the portal (individual Investor view)

Portal Page: Investors

DONOR / [M S Denbighshire](#)

If you are the appointed IM for a donor, any funds being donated by means of an interavailable arrangement will be marked as 'IA' within the 'Fund' name on the 'Investors' page.

This is because the Broker Agreement is in place against the donor client, whose assets are available for trading.

To distinguish between the client's 'own funds' and funds which have been made available under IA, the fund will be displayed across two investor lines, shown in the below screenshot for IA donor **M S Denbighshire** - '00101 General Deposit' (client's own funds) and '00101 General Deposit IA' (the IA funds).

Home [Investors](#) Funds Under Management Documents

Home / Investors

Investors			
ID	Investor Name	Fund	Status
0G5K5GD	M S Denbighshire	00101 General Deposit	Not Underwriting
0G5K5GD	M S Denbighshire	00101 General Deposit IA	Not Underwriting

RECIPIENT / L B Radnorshir

If you are the appointed IM for a recipient, the IA funds will only be marked against the donor's portfolio, as in the above donor example.

This is because the Broker Agreement is in place against the donor client and assets are therefore not available for trading from the recipient client's side.

In the below screenshot, you will see that IA recipient **L B Radnorshir** has no marked IA funds on the Investors page.

0P5N1QK	L B . Radnorshir	00156 General Deposit	Active	Broker Agreements
0P5N1QK	L B . Radnorshir	00125 General Deposit	Active	Broker Agreements
0P5N1QK	L B . Radnorshir	00145 General Deposit	Active	Broker Agreements
0P5N1QK	L B . Radnorshir	00101 General Deposit	Active	Broker Agreements

2) Function: Viewing within the portal (individual Investor view)

Portal Page: Funds Under Management (*Asset Class, Sub Asset Class and Currency' views*)

DONOR / M S Denbighshire

Any funds which have been made IA under the donor view, will be displayed across two investor lines – firstly, the client's IA funds line, for any assets which have been donated to a recipient and secondly, the client's 'Own Funds.'

Please note - The IA funds line will always display the name of the donor first and the recipient second, so when validating any data, please check this formatting to establish if the client portfolio you are viewing is the donor or recipient.

e.g. 0G5K5GD M S Denbighshire IA Funds for 0P5N1QK L B Radnorshir

In the below screenshot example, donor **M S Denbighshire** has donated an IShares position as part of an interavailable arrangement. This is therefore visible within the client's 'Own Funds', but also marked under 'IA Funds' for the recipient, L B Radnorshir.

Although the position is displayed twice, IA positions are only valued once across the IA line, to avoid any double counting.

Should you wish to sell a donor's position, the 'Total Quantity' of the holding will be populated within the IA line and the

value of the asset will be populated in the 'Total Value GBP' column. Both columns will be blank in the client's 'Own Funds' line. In the client's 'Own Funds' lines, any positions which have been made interavailable, will contain a value in the 'IA Value Local Ccy' field.

Below screenshot displays portfolio view when selecting the donor investor from the drop-down menu – M S Denbighshire:

Asset Description	ISIN	Total Qty	Total Value GBP	IA Value Local Ccy	Local Ccy
0G5K5GD M S Denbighshire IA Funds for 0P5N1QK L B . Radnorshir			12,891,317.10		
00101 General Deposit IA			12,891,317.10		
ISHARES ACC		3,230,000.00	12,891,317.10	-	USD
0G5K5GD M S Denbighshire Own Funds			-		
00101 General Deposit			-		
ISHARES ACC			-	18,233,350.00	USD
Total			12,891,317.10		

RECIPIENT / L B Radnorshir

Any funds which have been made interavailable to a recipient will be displayed within an 'IA Funds' line in the 'Investor' column. This may be in addition to the client's Own Funds.

Please note - The IA funds line will always display the name of the donor first and the recipient second, so when validating any data, please check this formatting to establish if the client portfolio you are viewing is the donor or recipient.

e.g. 0G5K5GD M S Denbighshire IA Funds for 0P5N1QK L B Radnorshir

As assets cannot be traded from the recipient portfolio, it is advised that when viewing a recipient member, to 'minimise' any 'IA Funds' from the recipient view. You can do this by selecting the down arrow marked against the IA line.

Below screenshot displays portfolio view when selecting the recipient investor from the drop-down menu – L B Radnorshir

Home / Funds Under Management

Investor: L B . Radnorshir

Fund: All Funds

Asset Description	ISIN	Total Qty	Total Value GBP	IA Value Local Ccy	Local Ccy
0G5K5GD M S Denbighshir IA Funds for 0P5N1QK L B . Radnorshir			59,931,164.18		
00101 General Deposit IA			59,931,164.18		
[Redacted]		5,600,000.00	3,959,304.01	-	USD
[Redacted]		6,800,000.00	4,807,726.30	-	USD

[Redacted]		9,600,000.00	6,787,378.30	-	USD
[Redacted]		94,409.49	66,749.26	-	USD
ISHARES ACC	[Redacted]	3,230,000.00	12,891,317.10	-	USD
PATCHAM BALANCED A USD NAV	IE00BNG8T677	259,031.92	25,762,540.62	-	USD
0P5N1QK L B . Radnorshir Own Funds			157,217,948.09		
00101 General Deposit			157,217,948.09		
[Redacted]		41,440,000.00	29,298,849.68	-	USD

In the screenshot, you can see the Ishares position, which has been donated from donor M S Denbighshire to recipient L B Radnorshir.

3) Function: Viewing within the portal (all Investors view)

Portal Page: Funds Under Management (*Asset Class, Sub Asset Class and Currency' views*)

DONOR / M S Denbighshire & RECIPIENT / L B Radnorshir

If the portal view you have selected is for 'all investors,' the IA Funds line will only be displayed once, plus any applicable 'Own Funds' lines.

Please note - The IA funds line will always display the name of the donor first and the recipient second, so when validating any data, please check this formatting to establish which client is the donor and which is the recipient.

e.g. 0G5K5GD M S Denbighshire IA Funds for 0P5N1QK L B Radnorshir

As with the individual view examples, the 'Total Value GBP' and 'Total Quantity' values have only been counted once. Assets are only available for trading, where values appear in these two columns. Therefore, there is no need to make any changes to your portal view in order to establish which assets are available for trading, however you may wish to 'minimise' any zero value 'Investor' lines from the table, to reduce the amount of data rows visible. You can do this by selecting the down arrow marked against any zero value lines – see arrow below.

FAL Online

4) Function: Extracting from the portal (all Investors view)

Portal Page: Funds Under Management (Asset Class, Sub Asset Class and Currency' views)

DONOR / M S Denbighshire & RECIPIENT / L B Radnorshir

When extracting data against an all Investors view, the data formatting will be replicated from the all Investors portal view, therefore please see function 3 for details on the formatting.

As the IA line will only be displayed once, you do not need to make any changes to the download file, as the quantities and values will not be double counted. Alternatively, if you do wish to remove any zero-value data, then if the following fields are blank, the entire row(s) can be discarded as unavailable for trading:

Documents

Viewing Documents

Recent document uploads can be accessed from the Home dashboard or you can select 'Documents' from the main navigation menu.

The screenshot shows the LLOYD'S FAL Online dashboard. At the top, there is a navigation bar with 'Home', 'Investors', 'Funds Under Management', and 'Documents' (indicated by an arrow). Below the navigation bar is a 'Welcome back.' message. The dashboard is divided into several sections:

- Summary:** Displays 'Non Cash Value (GBP)' and 'Cash Value (GBP)' with corresponding bar charts.
- Latest Transactions:** A table with columns 'ID' and 'Local CCY'. It lists transactions with IDs like '0F1M8XH.06601' and '0F1M8XH.00101'.
- Latest Documents:** A table with columns 'ID' and 'Description'. It shows a document with ID '0F1M8...' and description 'FAL Valuation' (indicated by an arrow).
- Funds Under Management:** A line chart showing value over time from Sep 14, 2020, to Dec 15, 2020. The y-axis ranges from 1,475k to 1,575k.
- Top 10 Investors:** A table with columns 'ID', 'Investor Name', and 'Market Value (£)'. It lists investors like 'H L J. MidlothianXXXXXX', 'N B Buteshir', and 'Y C NorfolkXXX'.

Who can view uploaded documents?

When a document is uploaded for or by Lloyd's, the following access criteria applies:

		Who can see the document				
		Uploader/Lloyd's	Member	Entity	IM	Agent
Uploaded for	Member	X	X			X
	Entity	X		X		
	IM	X			X	
	Agent	X				X

The screenshot shows the 'Documents' page in the LLOYD'S system. At the top, there is a navigation bar with 'Home', 'Investors', 'Funds Under Management', and 'Documents'. A search bar is present with 'All Categories' selected. Below the search bar is a table of documents. The table has columns for 'As Of', 'Category', 'Description', 'Entity ID', and 'Name'. Two documents are listed: one dated 28/01/21 and another dated 08/10/20. A 'Download Selected' button is visible to the right of the table.

To view a document upload from the Document page, click on the name of the file. Multiple files can be downloaded as a ZIP file by ticking the boxes to the left of the table, then clicking 'Download Selected.'

The search bar above the document table will find a specific document that has been uploaded by category or date range.

This screenshot shows the 'Documents' page with search filters applied. The 'Category' dropdown is set to 'Distribution/Results/SRF'. The 'From' date is '28/06/20' and the 'To' date is '30/01/21'. The table below shows a single document entry dated 25/09/20 with the description 'DRAFT Single Application form AA (1)_20200907024801' and the name 'DRAFT Single Application form AA (1)_20200907024801.docx'.

Overview and glossary of terms

LLOYD'S

As with the asset holdings and transactions screens, clicking on the Settings Cog  will allow you to remove or add field headings by clicking and dragging them into the Documents table.

Within the cog menu, click on 'Save' to retain the current configuration. Click on 'Reset' to remove the saved settings and reset it back to the default view.

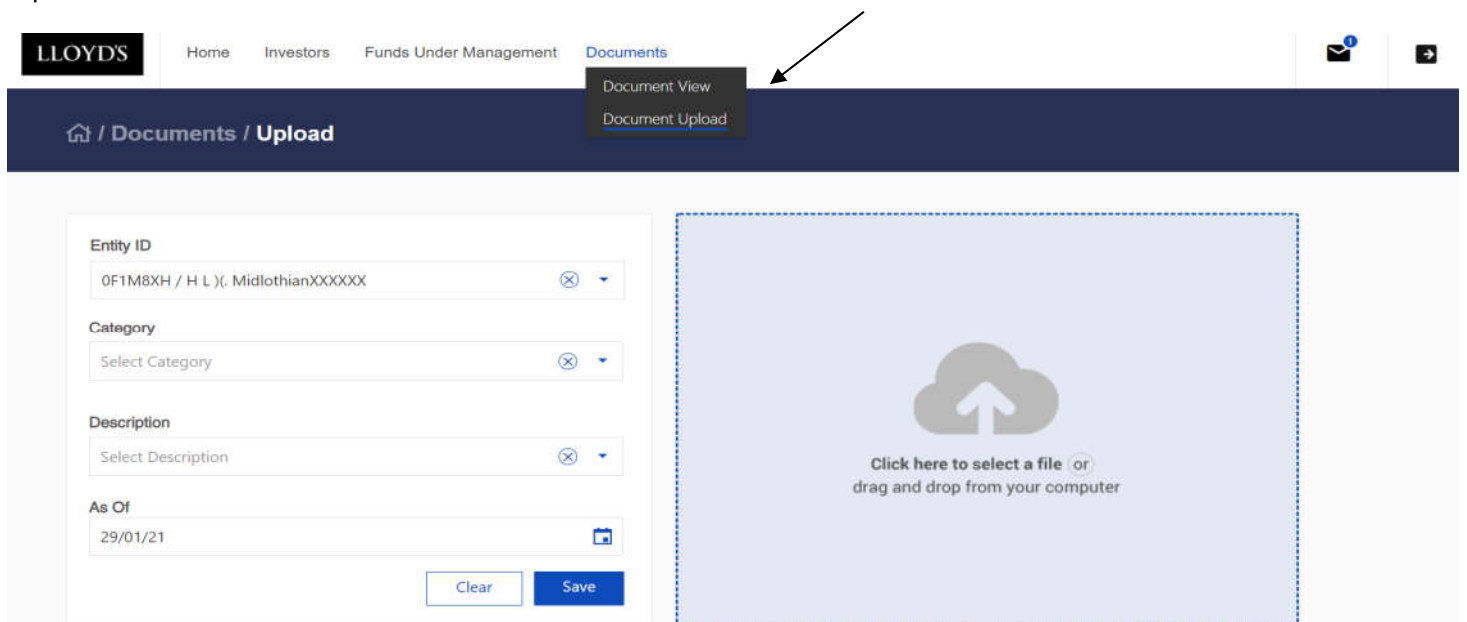

The screenshot shows the LLOYD'S Documents page. At the top, there is a navigation bar with 'Home', 'Investors', 'Funds Under Management', and 'Documents'. Below this is a dark blue header with a home icon, 'Documents', and an 'Upload Documents' button. The main content area has a filter section with 'Category' (Distribution/Results/SRF), 'From' (28/06/20), and 'To' (30/01/21) fields, followed by an 'Apply' button. Below the filters is a table titled 'Documents' with columns: 'As Of', 'Category', 'Description', 'Entity ID', and 'Name'. The table contains two rows of data. To the right of the table is a 'Download Selected' button and a settings cog icon. A context menu is open over the cog icon, showing 'Reset' and 'Save' options, and a list of fields to be displayed: 'Entity ID / Name', 'Entity Name', 'Upload Time', and 'Uploaded By'.

Up to 5,000 documents are shown on the Documents page. If you wish to view older documents, please use the From and To filter at the top of the page.

Uploading a Document

To upload a document, click on 'Documents' from the navigation menu, followed by Document Upload. There is also an 'Upload Documents' button available in the 'Document View' screen.

The screenshot shows the LLOYD'S Documents Upload page. At the top, there is a navigation bar with 'Home', 'Investors', 'Funds Under Management', and 'Documents'. Below this is a dark blue header with a home icon, 'Documents / Upload', and a dropdown menu with 'Document View' and 'Document Upload' options. The main content area has a form with fields for 'Entity ID' (0F1M8XH / H L)(MidlothianXXXXXX), 'Category' (Select Category), 'Description' (Select Description), and 'As Of' (29/01/21). There are 'Clear' and 'Save' buttons at the bottom of the form. To the right of the form is a large blue dashed box containing a cloud icon with an upward arrow and the text: 'Click here to select a file or drag and drop from your computer'.

FAL Online

Overview and glossary of terms

To upload, choose a category and description from the drop-down menus. The category chosen will ensure the document goes to the correct team.

Please ensure that the document you are uploading contains the Investor ID (Member Number) or designation within the title. Enter a date by manually typing or selecting from the calendar. The date can be in the past or future.

Click on 'Click here to select a file' or drag and drop a file directly into the blue box. A preview of the file type and name will be displayed. Only one file can be uploaded at a time, however multiple files can be uploaded within a ZIP file.

Supported document types are .jpg .png .gif .doc .docx .xlsx .ppt .pptx .mdb .pdf .zip .wav and .mp3. Microsoft Excel 97-2003 .xls documents are not supported.

Click on Save to upload the document. A pop-up confirmation message will confirm if the upload has been successful. The document will now be visible in the Document View screen.

	As Of	Category	Description	Entity ID	Name
<input type="checkbox"/>	29/01/21	Resigning membership	Perpetuity process	0F1M8XH	Test_20201102084215.xlsx
<input type="checkbox"/>	28/01/21	Statements	FAL Valuation	0F1M8XH	Test_20201102084215.xlsx

Please note, Lloyd's will not be notified that a document has been uploaded. If it is urgent, please email the relevant team to advise it's there.

Secure Messaging

Viewing messages

To access the secure messaging feature, select the envelope  icon on the top right-hand side of the navigation menu. This will open the 'Received' messages page, which will display in order of the most recent.

Clicking on a message will display the message history and an option to reply to the message.

Clicking on the 'Sent' tab will display previously sent messages and 'Drafts' will display any messages saved as a draft. Any draft messages which have been sent will move to the "Sent" area once actioned.

Sending messages

Messages will be sent directly to the relevant team at Lloyd's.

To send a message, click on the New Message button on the top right of the screen. This will open a pop-up window, where you will be prompted to enter the message details. All fields must be entered, otherwise the message will not send. A team can be selected from the drop-down box under the 'To' field.

Compose New Message ✕

Message

Hi

Please find the file attached.

[Add Attachment](#)

[Save Draft](#) [Send](#)

To add an attachment, click 'Add Attachment' and locate the relevant file from your desktop, or drag and drop your file in to the blue box. Click Save to add the attachment to the message.

The supported file types are .jpg .png .gif .doc .docx .xlsx .ppt .pptx .mdb .pdf .zip .wav and .mp3. Microsoft Excel 97-2003 .xls documents are not supported.

Please note - unfortunately, there is currently no search functionality in the secure messaging application, therefore if uploading a document, it is advisable to use the Document Upload page, rather than attaching via a secure message.

Document Upload

Hi
Please find the file attached.

[Add Attachment](#)

[Test_20201102084248.xlsx](#) ✕

[Save Draft](#) [Send](#)

Click on 'Send' to send the message or 'Save Draft' if you wish to send the message at a later date or time.
A pop-up message will confirm it has been successfully sent.

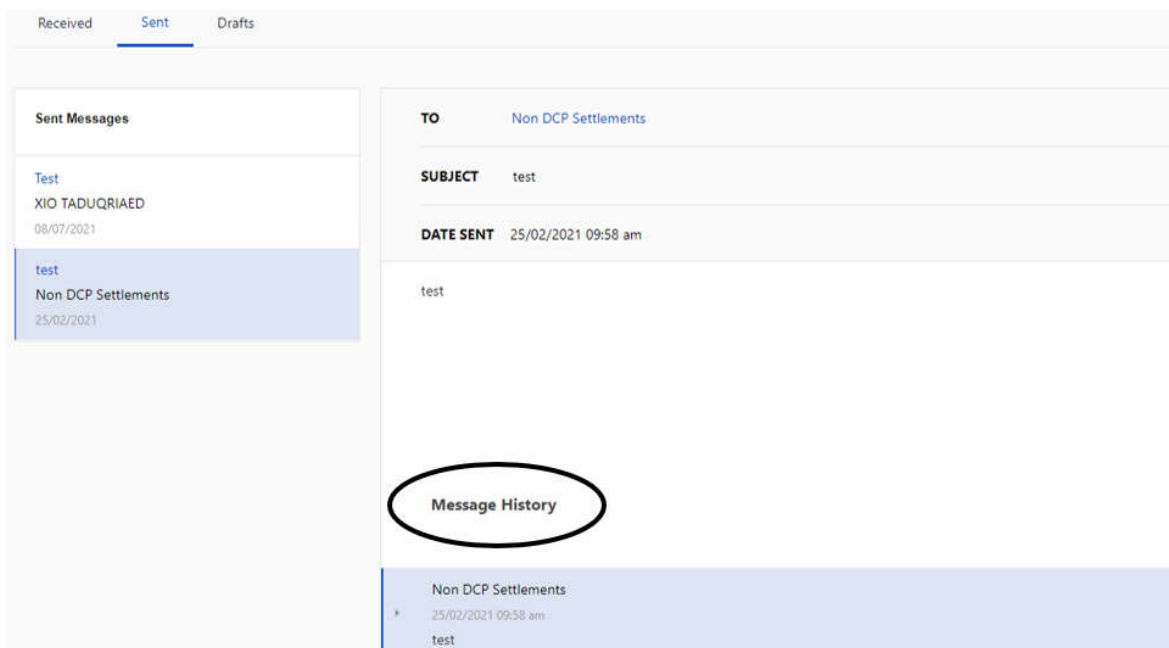

Replying to a message

A reply can be sent to any received message by clicking into the message and entering text into the text box underneath the message display.

Clicking on the 'Add Attachment' button will open the usual attachment box to add a file.

Once the message is ready to send, click on the 'Reply' button underneath the message history. If there are two or more messages within a chain, the Message History will be displayed when accessing the message.

Glossary of Terms

Advisor	This could be an Investment Manager, Solicitor, accountant etc.
