

Important information about Syndicate Reports and Accounts

Access to this document is restricted to persons who have given the certification set forth below. If this document has been forwarded to you and you have not been asked to give the certification, please be aware that you are only permitted to access it if you are able to give the certification.

The Syndicate reports and accounts set forth in this section of the Lloyd's website, which have been filed with Lloyd's in accordance with the Syndicate Accounting Byelaw (No. 8 of 2005), are being provided for informational purposes only. The Syndicate reports and accounts have not been prepared by Lloyd's, and Lloyd's has no responsibility for their accuracy or content. Access to the Syndicate reports and accounts is not being provided for the purposes of soliciting membership in Lloyd's or membership on any Syndicate of Lloyd's, and no offer to join Lloyd's or any Syndicate is being made hereby. Members of Lloyd's are reminded that past performance of a Syndicate in any Syndicate year is not predictive of the related Syndicate's performance in any subsequent Syndicate year.

You acknowledge and agree to the foregoing as a condition of your accessing the Syndicate reports and accounts. You also agree that you will not provide any person with a copy of any Syndicate report and accounts without also providing them with a copy of this acknowledgment and agreement, by which they will also be bound.

Run Off Manager's Report for the 2020 Closing Year of Account

Syndicate overview

Victor Syndicate 2288 (Syndicate) was established in January 2020 to underwrite general insurance and reinsurance business within the Lloyd's market under the oversight of Asta Managing Agency Limited (Asta). It was decided that 2288 should cease underwriting from 11:59pm on 31 December 2021 and enter orderly run-off.

The Syndicate only wrote business underwritten through Victor Insurance Holdings, Inc. (Victor) group entities. Syndicate 2288 had a unique business model, being a 'virtual syndicate' without a physical location at Lloyd's in London. The business leveraged the capabilities of Victor and Asta, while using technology to access and underwrite industry and product focused on small and medium sized enterprises (SME) business.

The majority of the Syndicate's portfolio was business underwritten in association with Victor's International Catastrophe Insurance Managers, LLC (ICAT). ICAT specialises in underwriting property insurance located in areas of the United States (US) that are prone to hurricanes and earthquakes. Coverage supported by 2288 included natural catastrophe perils, all other perils, general liability, and equipment breakdown business.

The Syndicate also wrote smaller binders in terms of premium with Victor coverholders in the United Kingdom and The Netherlands. These binders supported SME focused property owner's business, commercial property, commercial liability, cargo and land-based equipment risks.

Syndicate run-off

Syndicate 2288 entered run-off at the end of the 2021 year-of-account (YoA) at 11:59pm on 31 December 2021. The Syndicate made this decision on 24 November 2021 following challenges in securing third-party capital to support the Syndicate's approved 2022 Syndicate Business Forecast (SBF). Following this decision, the Syndicate successfully executed on the Lloyd's approved run off plan for the orderly closure of the Syndicate and the transfer of planned 2022 contracts for Victor coverholders, including ICAT, to other capacity providers, including the Syndicate's 2021 capital providers.

Key contributors to the Syndicate's decision to enter run-off included:

- 2020 Results
- Third-Party Capital
- Changing Reinsurer Catastrophe Risk Appetite
- Lloyd's Catastrophe Risk Appetite

The key areas of activity for 2022 and the rest of the Syndicate's run-off have been and will be to continue to manage claims professionally to the highest standard set by Lloyd's, Asta, and Victor, while continuing to meet all obligations to policyholders. The Syndicate's objective is now to establish an appropriate and cost-effective long-term run-off plan that serves the best interests of policyholders and capital providers including Reinsurance-to-close (RITC)

Run Off Manager's Report for the 2020 Closing Year of Account continued

options for the closure of the 2021 YoA. Following 36 months of development, the 2020 YoA will imminently RITC into the 2021 YoA.

In the run-off plan for 2023, the Syndicate will continue to be managed by Asta, with day-to-day policyholder management and claims managed by Victor coverholders and existing claims providers. All of these parties continue to trade forward. This will ensure the maintenance of service standards and continuity for policyholders and brokers.

Regards,

Managing Agent's Report for the 2020 Closing Year of Account

For the 36 months ended 31 December 2022.

The Directors of Asta Managing Agency Ltd (Asta) present their report at 31 December 2022 for the 2020 closed year of account.

This report is prepared in accordance with the Lloyd's Syndicate Byelaw (No 8 of 2005) and applicable accounting standards in the United Kingdom, comprising FRS 102 "The Financial Reporting Standard applicable to the United Kingdom and Republic of Ireland". It accompanies the underwriting year accounts prepared on an underwriting year basis of accounting as required by Statutory Instrument No 1950 of 2008, the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 ("Lloyd's Regulations 2008").

Underwriting year results

The Syndicate generated losses of \$48,914,729 after standard personal expenses on gross written premiums of \$86,129,520 for the 2020 underwriting year.

Principle activities and review of the business

A full disclosure on the principle activities of the Syndicate can be found within the Managing Agent's report within the annual accounts on page 4.

The Syndicate ceased underwriting new risks from 11:59pm on 31 December 2021 and the Syndicate was put into run-off.

Because of this the Directors have decided to prepare the financial statements on a basis other than that of a going concern.

Directors and Officers

Details of the Directors of the Managing Agent that were serving at the year end and up to the date of signing of the financial statements are provided on page 1. Changes to Directors and officers from the last report were as follows:

N J Burdett**	Resigned 13 July 2022
M D Mohn	Resigned 13 July 2022
L J M McMaster	Appointed 12 September 2022
J M Tighe	Resigned 23 November 2022
D J G Hunt	Resigned 1 December 2022
E M Catchpole	Appointed 1 January 2023
D B Jones	Appointed 23 February 2023
S P A Norton	Resigned 23 February 2023

Company Secretary**

Disclosure of information to the auditors

So far as each person who was a Director of the Managing Agent at the date of approving the report is aware, there is no relevant audit information, being information needed by the Syndicate auditor in connection with the auditor's report, of which the auditor is unaware. Having made enquiries of fellow Directors of the Agency and the Syndicate's Auditors, each Director has taken all the steps that he or she ought to have taken as a Director to become aware of any relevant audit information and to establish that the Syndicate's auditor is aware of that information.

The Board of Directors of the Managing Agent has overall responsibility for the establishment and oversight of the Syndicate's risk and capital management.

Approved by the Board of Directors and signed on behalf of the Board.

C V Barley
Director
27 February 2023

Statement of Managing Agent's responsibilities

The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 require the Managing Agent to prepare Syndicate underwriting year accounts at 31 December in respect of any underwriting year which is being closed by reinsurance to close which give a true and fair view of the result of the underwriting year at closure. Detailed requirements in respect of the underwriting year accounts are set out in the Lloyd's Syndicate Accounting Byelaw (No 8 of 2005).

In preparing the Syndicate underwriting year accounts, the Managing Agent is required to:

- select suitable accounting policies and apply them consistently throughout each underwriting year and from one underwriting year to the next. Where items affect more than one underwriting year, the Managing Agent must ensure that the Syndicate treats the affected member equitably. In particular, the premium charged for reinsurance to close should be equitable between the reinsured and reinsuring members of the Syndicate;
- take into account all income and charges relating to a closed year of account without regard to the date of receipt or payment;
- make judgements and estimates that are reasonable and prudent; and
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in these accounts.

The Managing Agent is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Syndicate and enable it to ensure that the Syndicate underwriting year accounts comply with the Lloyd's Regulations 2008 and Syndicate Accounting Byelaw. It is also responsible for safeguarding the assets of the Syndicate and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Managing Agent is responsible for the maintenance and integrity of the corporate and financial information included on the business website. Legislation in the UK governing the preparation and dissemination of the financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report to the Members' of Victor Syndicate 2288

Report on the audit of the syndicate underwriting year accounts for the 2020 closed year of account for the three years ended 31 December 2022

Opinion

In our opinion the syndicate underwriting year accounts of Syndicate 2288 (the 'syndicate'):

- give a true and fair view of the loss for the 2020 closed year of account.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008. and in accordance with the Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005).

We have audited the syndicate underwriting year accounts which comprise:

- the Income Statement
- the statement of financial position;
- statement of member's balance;
- the statement of cash flows and
- the related notes 1 to 19.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "the Financial Reporting Standard applicable in the UK and Republic of Ireland", the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 and the Lloyd's Syndicate Accounting Byelaw (no. 8 of 2005).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the syndicate annual financial statements section of our report.

We are independent of the syndicate in accordance with the ethical requirements that are relevant to our audit of the syndicate underwriting year accounts in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – financial statement prepared other than on going concern basis

We draw attention to Managing Agent's report in the financial statements, which indicates that the financial statement have been prepared on basis other than that of a going concern. Our opinion is not modified in respect of this matter.

Independent auditor's report to the members of Syndicate 2288 continued

Other information

The other information comprises the information included in the annual report, other than the syndicate underwriting year accounts and our auditor's report thereon. The run off manager is responsible for the other information contained within the annual report. Our opinion on the syndicate underwriting year accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the syndicate underwriting year accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Managing Agent

As explained more fully in the managing agent's responsibilities statement, the managing agent is responsible for the preparation of the syndicate underwriting year accounts and for being satisfied that they give a true and fair view and for such internal control as the managing agent determines is necessary to enable the preparation of syndicate underwriting year accounts that are free from material misstatement, whether due to fraud or error.

In preparing the syndicate underwriting accounts, the managing agent is responsible for assessing the syndicate's ability to realise its assets and discharge its liabilities in the normal course of business, disclosing, as applicable, any matters that impact its ability to do so.

Auditor's responsibilities for the audit of the syndicate underwriting year accounts

Our objectives are to obtain reasonable assurance about whether the syndicate underwriting year accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these syndicate underwriting year accounts.

A further description of our responsibilities for the audit of the syndicate underwriting year accounts is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material

Independent auditor's report to the members of Syndicate 2288 continued

misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the syndicate and its control environment, and reviewed the syndicate's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management, internal audit, finance, and actuarial about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory frameworks that the syndicate operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included Statutory Instrument No 1950 of 2008, The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 ("Lloyd's Regulations 2008"); and
- do not have a direct effect on the underwriting year accounts but compliance with which may be fundamental to the syndicate's ability to operate or to avoid a material penalty. These included the requirements of Solvency II.

We discussed among the audit engagement team including relevant internal specialists such as actuarial, and IT regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the underwriting year accounts.

As a result of performing the above, we identified the greatest potential for in the following areas, and our specific procedures performed to address them are described below:

- Valuation of technical provisions in relation to catastrophe events includes assumptions and methodology requiring significant management judgement and involves complex calculations, and therefore there is potential for management bias. There is also a risk of overriding controls by making late adjustments to the technical provisions. In response to these risks we involved our actuarial specialists to develop independent estimates of the technical provisions and we tested the late journal entries to technical provisions.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing underwriting year accounts disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the underwriting year accounts;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

Independent auditor's report to the members of Syndicate 2288 continued

Report on other legal and regulatory requirements

Opinions on other matters prescribed by The Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Run off Manager's report and the managing agent's report for the financial year for which the syndicate underwriting year accounts are prepared is consistent with the syndicate underwriting year accounts; and
- the Run off manager's report and the managing agent's report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the syndicate and its environment obtained in the course of the audit, we have not identified any material misstatements in Run off manager's report and the managing agent's report.

Matters on which we are required to report by exception

Under the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 and Lloyd's Syndicate Accounting Byelaw (no.8 of 2005) we are required to report in respect of the following matters if, in our opinion:

- the run off manager in respect of the syndicate has not kept adequate or proper accounting records; or
- the syndicate underwriting year accounts are not in agreement with the accounting records or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the syndicate's members, as a body, in accordance with regulation 6 of the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008. Our audit work has been undertaken so that we might state to the syndicate's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the syndicate's members as a body, for our audit work, for this report, or for the opinions we have formed.

Adam Knight (Senior Statutory Auditor)

For and on behalf of Deloitte LLP

Notes to the financial statements

For the 36 months ended 31 December 2022

1. Basis of preparation

The Syndicate underwriting year accounts have been prepared under the Insurance Accounts Directive (Lloyd's Syndicate and Aggregate Accounts) Regulations 2008 ("the Lloyd's Regulations") and in accordance with the Syndicate Accounting Byelaw (No. 8 of 2005) and applicable Accounting Standards in the United Kingdom, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") as issued in August 2014, and Financial Reporting Standard 103 "Insurance Contracts" ("FRS 103").

The financial statements are prepared in USD which is the reporting and presentational currency of the Syndicate and rounded to the nearest \$'000. The functional currency of the Syndicate is US Dollars.

Members participate on a Syndicate by reference to a year of account and each Syndicate year of account is a separate annual venture. These accounts relate to the 2020 year of account which has been closed by reinsurance to close at 31 December 2022. Consequently, the statement of financial position represents the assets and liabilities of the 2020 year of account at the date of closure and the income statement and statement of cash flows reflect the transactions for that year of account during the 36 months period until closure.

As permitted by FRS 103, the Syndicate continues to apply existing accounting policies that were applied prior to this standard for its insurance contracts.

As each Syndicate year of account is a separate annual venture, there are no comparative figures.

2. Accounting policies

Significant accounting estimates and judgements

In preparing these financial statements, the Directors of the Managing Agent have made judgements, estimates and assumptions that affect the application of the Syndicate's accounting policies and the reported amounts of assets, liabilities, income and expenses.

The measurement of the provision for claims outstanding involves judgements and assumptions about the future that have the most significant effect on the amounts recognised in the annual accounts.

The provision for claims outstanding comprises the estimated cost of settling all claims incurred but unpaid at the balance sheet date, whether reported or not. This is a judgemental and complex area due to the subjectivity inherent in estimating the impact of claims events that have occurred but for which the eventual outcome remains uncertain. In particular, judgement is applied when estimating the value of amounts that should be provided for claims that have been incurred at the reporting date but have not yet been reported (IBNR) to the Syndicate.

Accounting policies continued

The ultimate cost of outstanding claims is estimated using a range of techniques including actuarial and statistical projections, benchmarking, case by case review and judgement. Statistical techniques assume that past claims development experience can be used as a basis to project ultimate claims costs. Judgement is used to assess the extent to which past trends may not apply in the future. Case estimates are generally set by skilled claims technicians applying their experience and knowledge to the circumstances of individual claims.

Whilst the Directors consider that the gross provision for claims and the related reinsurance recoveries are fairly stated based on the information currently available to them, the ultimate liability will vary as a result of subsequent information and events.

Underwriting transactions

The underwriting accounts for each year of account are normally kept open for three years before the result on that year is determined. At the end of that three year period, outstanding liabilities can normally be determined with sufficient accuracy to permit the year of account to be closed by payment of a reinsurance to close premium to the successor year of account.

Gross premiums are allocated to years of account on the basis of the inception date of the policy. Commission and brokerage are charged to the year of account to which the relevant policy is allocated. Policies written under binding authorities, lineslips or consortium arrangements are allocated to the year of account into which the arrangement incepts. Additional and return premiums follow the year of account of the original premium. Premiums are shown gross of brokerage payable and exclude taxes and duties levied on them. Estimates are made for pipeline premiums, representing amounts due, but not yet notified to the Syndicate year of account.

Gross claims paid are allocated to the same year of account as that to which the corresponding premiums are allocated and include internal and external claims settlement expenses.

The reinsurance to close premium is determined by reference to the outstanding technical provisions (including those for outstanding claims and unexpired risks) relating to the closed year. Although this estimate of net outstanding liabilities is considered to be fair and reasonable, it is implicit in the estimation procedure that the ultimate liabilities will be at variance from the premium so determined. The reinsurance to close premium transfers the liability in respect of all claims, return premiums and other payments in respect of the closing year to the members of the successor year of account and gives them the benefit of refunds, premiums due and other income in respect of those years in so far as they have not been credited in these accounts.

The outstanding claims comprise amounts set aside for claims notified and claims incurred but not yet reported (IBNR).

Accounting policies continued

Notified claims are estimated on a case by case basis with regard to the circumstances as reported, any information available from loss adjusters and previous experience of the cost of settling claims with similar characteristics. The amount included in respect of IBNR is based on statistical techniques of estimation applied by the Syndicate's actuaries. These techniques generally involve projecting from past experience of the development of claims over time to form a view of the likely ultimate claims to be experienced for more recent underwriting, having regard to variations in the business accepted and the underlying terms and conditions. For the most recent years, where a high degree of volatility arises from projections, estimates may be based in part on output from rating and other models of the business accepted and assessments of underwriting conditions.

The provision for claims includes amounts in respect of internal and external claims handling costs.

The Syndicate uses a number of statistical techniques to assist in making the above estimates. The two most critical assumptions as regards claims provisions are that the past is a reasonable predictor of the likely level of claims development and that the rating and other models used for current business are fair reflections of the likely level of ultimate claims to be incurred. The methods used, and the estimates made, are reviewed regularly.

A provision for unexpired risks is created where claims, related expenses and deferred acquisition costs, likely to arise after the balance sheet date in respect of contracts relating to the closing year of account, are expected to exceed the unearned premiums and premiums receivable under these contracts, after the deduction of any acquisition costs deferred. The unexpired risk provision is nil for the 2020 year of account.

Financial assets and liabilities

In applying FRS 102, the Syndicate has chosen to apply the recognition and measurement provisions of IAS 39 Financial Instruments: Recognition and Measurement (as adopted for use in the EU).

Financial assets and financial liabilities at fair value through profit and loss comprise financial assets and financial liabilities held for trading and those designated as such on initial recognition. Investments in shares and other variable yield securities, units in unit trusts, and debt and other fixed income securities are designated as at fair value through profit or loss on initial recognition, as they are managed on a fair value basis in accordance with the Syndicate's investment strategy.

Financial instruments are recognised when the Syndicate becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Syndicate's contractual rights to the cash flows from the financial assets expire or if the Syndicate transfers the financial asset to another party without retaining control of substantially all risks and rewards of the asset. A financial liability is derecognised when its contractual obligations are discharged, cancelled, or expire.

Accounting policies continued

Regular way purchases and sales of financial assets are recognised and derecognised, as applicable, on the trade date, i.e. the date that the Syndicate commits itself to purchase or sell the asset.

A financial asset or financial liability is measured initially at fair value plus, for a financial asset or financial liability not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

Financial assets at fair value through profit or loss are measured at fair value with fair value changes recognised immediately in profit or loss. Net gains or net losses on financial assets measured at fair value through profit or loss includes foreign exchange gains/losses arising on their translation to the functional currency but excludes interest and dividend income.

At each reporting date the Syndicate assesses whether there is objective evidence that financial assets not at fair value through profit or loss are impaired. Financial assets are impaired when objective evidence demonstrates that a loss event has occurred after the initial recognition of an asset, and that the loss event has an impact on the future cash flows on the asset that can be estimated reliably.

Objective evidence that financial assets are impaired includes observable data that comes to the attention of the Syndicate about any significant financial difficulty of the issuer, or significant changes in the technological, market, economic or legal environment in which the issuer operates.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

An impairment loss recognised reduces directly the carrying amount of the impaired asset. All impairment losses are recognised in profit or loss. An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. For financial assets measured at amortised cost the reversal is recognised in profit or loss.

Investment return

Investment return comprises all investment income, realised investment gains and losses and movements in unrealised gains and losses, net of investment expenses, charges and interest.

Dividend income is recognised when the right to receive income is established. Usually this is the ex-dividend date for equity securities. For the purpose of separately presenting investment income and unrealised gains and losses for financial assets at fair value through profit or loss, interest income is recognised as it accrues on the next coupon payment.

For investments at fair value through profit or loss, realised gains and losses represent the difference between the net proceeds on disposal and the purchase price.

Accounting policies continued

Unrealised gains and losses on investments represent the difference between the fair value at the balance sheet date and their purchase price. Movements in unrealised investment gains and losses comprise the increase/decrease in the reporting period in the value of the investments held at the reporting date and the reversal of unrealised investment gains and losses recognised in earlier reporting periods in respect of investment disposals of the current period, or the valuation at the beginning of the year; as well as the reversal of previously recognised unrealised gains and losses in respect of investment disposed of in the current period.

Investment return is initially recorded in the non-technical account. The return is transferred in full to the general business technical account to reflect the investment return on funds supporting underwriting business.

Syndicate operating expenses & profit commission

Costs incurred by the Managing Agent in respect of the Syndicate are charged to the Syndicate and included within the relevant profit and loss account heading. Where expenses do not relate to any specific year of account, they are apportioned between years of account on a basis which reflects the benefit obtained by each year of account from each type of expense.

Where expenses are incurred jointly by the Managing Agent and the Syndicate, they are apportioned as follows:

- Salaries and Related Costs
According to time of each individual spent on Syndicate matters.
- Accommodation Costs
According to number of personnel.
- Other Costs
As appropriate in each case.
- Profit Commission
Profit commission is charged by the Managing Agent at a rate of 5% of profit subject to the operation of a deficit clause. Such commission does not become payable until after the appropriate year of account closes, normally at 36 months. Profit commission on naturally open years is accrued on the basis of earned profit to date.
- Pensions
The Managing Agent operates a defined contribution pension scheme and its recharges to the Syndicate in respect of salaries and related costs include an element for pension costs. These pension costs are expensed in full in the period to which the recharge relates.

Amounts recharged by the Managing Agent include costs arising from the use of assets in the period. These rental costs are expensed in full in the period to which the recharge relates.

Accounting policies continued

Taxation

Under Schedule 19 of the Finance Act 1993 managing agents are not required to deduct basic rate income tax from trading income. In addition, all UK basic income tax deducted from Syndicate investment income is recoverable by managing agents and consequently the distribution made to members or their members' agents is gross of tax. Capital appreciation falls within trading income and is also distributed gross of tax. It is the responsibility of members to agree and settle their individual tax liabilities with HM Revenue & Customs.

Members resident overseas for tax purposes are responsible for agreeing and settling any tax liabilities with the taxation authorities of their country of residence.

Foreign currencies

The Syndicate's functional currency is USD and presentational currency is USD.

Transactions denominated in currencies other than the functional currency are initially recorded in the functional currency at the exchange rate ruling at the date of the transactions. Monetary assets and liabilities (which include all assets and liabilities arising from insurance contracts including unearned premiums and deferred acquisition costs) denominated in foreign currencies are retranslated into the functional currency at the exchange rate ruling on the reporting date.

Exchange differences are recorded in the non-technical account.

The same exchange rates have been used for the income statement and balance sheet, therefore there is no other comprehensive income.

3. Risk management

Effective from 31 December 2022, the RITC process means that Insurance, Financial, Credit, Liquidity, Market and Capital risks are transferred to the accepting 2021 Year of Account of the Syndicate. Accordingly, these Underwriting Year accounts do not have any associated disclosures as required by section 34 of FRS 102. Full disclosures relating to these risks are provided in the main Annual Accounts of the Syndicate.

4. Particulars of business written

An analysis of the underwriting result before investment return is set out below:

	Gross Premiums Written and Earned \$'000	Gross Claims Incurred \$'000	Net Operating Expenses \$'000	Reinsurance Balance \$'000	Total \$'000
Fire and other damage to property	70,725	(110,594)	(23,030)	5,334	(57,565)
Third-party liability	850	(265)	(277)	64	372
Reinsurance Acceptances	14,555	(2,351)	(4,739)	1,097	8,562
	<u>86,130</u>	<u>(113,210)</u>	<u>(28,046)</u>	<u>6,495</u>	<u>(48,631)</u>

All business is written in the United Kingdom.

Gross operating expenses are the same as net operating expenses.

5. Analysis of result by year of account

	2020 Pure Year \$'000	2020 Total \$'000
Technical account balance before allocated investment return and net operating expenses	(20,585)	(20,585)
Brokerage and commission on gross premium	<u>(22,632)</u>	<u>(22,632)</u>
	(43,217)	(43,217)
Net other expenses	(5,414)	(5,414)
Investment income	70	70
	<u>(5,344)</u>	<u>(5,344)</u>
Balance on technical account	<u>(48,561)</u>	<u>(48,561)</u>

6. Reinsurance to close premium payable net of reinsurance

	Reported \$'000	IBNR \$'000	Total \$'000
Gross outstanding losses	(6,404)	(13,448)	(19,852)
Reinsurance recoveries anticipated	3,402	10,343	13,745
Net outstanding losses	<u>(3,002)</u>	<u>(3,105)</u>	<u>(6,107)</u>

7. Net operating expenses

	\$'000
Acquisition costs	(22,632)
Administration expenses	(5,888)
Reinsurance commissions and profit participations	474
	<u>(28,046)</u>

8. Auditor's remuneration

	\$'000
Audit of these financial statements	137
Other services pursuant to Regulations and Lloyd's Byelaws	138
Other non-audit services	63
	<u>338</u>

9. Investment income

	\$'000
Income from financial investments	80
Net losses on realisation of investments	-
Net unrealised losses on investments	(10)
Investment managers fees	-
	<u>70</u>

10. Financial investments

	Market Value \$'000	Cost \$'000
Holdings in collective investment schemes	3,833	3,833
Debt securities and other fixed income securities	-	-
Overseas deposits as investments	200	200
	<u>4,033</u>	<u>4,033</u>

There was no material change in fair value for financial instruments held at fair value (other than derivatives) attributable to own credit risk in the current or comparative period.

The following table shows financial investments recorded at fair value analysed between the three levels in the fair value hierarchy.

Financial investments continued

	Level 1	Level 2	Level 3	Total
	\$'000	\$'000	\$'000	\$'000
31 December 2022				
Shares and other variable yield securities and units in unit trusts	-	2,809	1,024	3,833
Debt securities and other fixed income securities	-	-	-	-
Overseas deposits	-	200	-	200
Total	-	3,009	1,024	4,033

Included in the level 1 category are financial assets that are measured by reference to published quotes in an active market. A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry Syndicate, pricing service or regulatory agency and those prices represent actual and regularly occurring market transactions on an arm's length basis.

Included in the level 2 category are financial assets measured using a valuation technique based on assumptions that are supported by prices from observable current market transactions. For example, assets for which pricing is obtained via pricing services but where prices have not been determined in an active market, financial assets with fair values based on broker quotes, investments in private equity funds with fair values obtained via fund managers and assets that are valued using the Syndicate's own models whereby the significant inputs into the assumptions are market observable.

Included in the level 3 category, are financial assets measured using a valuation technique (model) based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Therefore, unobservable inputs reflect the Syndicate's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk). These inputs are developed based on the best information available, which might include the Syndicate's own data. The only asset in this category is the loan provided to the Lloyd's Central Fund.

11. Debtors arising out of insurance operations

	\$'000
Due within one year	2,259
Due after one year	-
	<u>2,259</u>

12. Debtors arising out of reinsurance operations

	\$'000
Due within one year	6,517
Due after one year	-
	<u>6,517</u>

13. Creditors arising out of reinsurance operations

	\$'000
Due within one year – Reinsurance accepted	3,023
	<u>3,023</u>

14. Cash and cash equivalents

	\$'000
Cash at bank and in hand	697
	<u>697</u>

15. Disclosure of interests

Managing Agent's interest

During 2022 Asta was the Managing Agent for twelve Syndicates, two Special Purpose Arrangements and six Syndicates in a Box. Syndicate 1609, 1699, 1729, 1892, 1980, 1988, 2288, 2525, 2689, 2786, 3268 and 4242 as well as Special Purpose Arrangements 1416 and 6131 and Syndicates in a Box 4747, 1796, 1902, 2880, 3456 and 5183 were managed on behalf of third party capital providers.

On 1 January 2022, Asta took on the management of Syndicate 1699.

On 1 January 2022, Asta took on the management of Syndicate in a box 1902.

On 10 February 2022, Asta took on management of Syndicate in a box 2880.

On 10 February 2022, Asta reinsured to close Syndicate 1980 into Riverstone Syndicate 3500.

On 22 March 2022, Asta took on the management of Syndicate in a box 3456.

On 13 May 2022, Asta migrated the management of 3268 to IQUW.

On 10 June 2022, Asta took on the management of Syndicate in a box 5183.

On 18 July 2022, Asta took on the management of Syndicate in a box 1796.

On 1 October 2022, Asta migrated Syndicate 1729 and SPA 6131 to Dale Managing Agency.

On 1 January 2023, Asta took on the management of Syndicate 1985.

On 1 January 2023, Asta took on the management of Syndicate 1322.

The agency also provides administrative services to Syndicates and Special Purpose Arrangements, also undertaking several ancillary roles for other clients.

The Financial Statements of the Managing Agency can be obtained by application to the Registered Office (see page 1).

16. Related parties

Asta provides services and support to Syndicate 2288 in its capacity as Managing Agent. The 2020 year of account was charged Managing Agency fees of \$717k. Asta also recharged \$3.7m worth of service charges to the 2020 year of account.

As at 31 December 2022, nothing was owed to Asta in respect of this service.

The ultimate parent company of Asta Managing Agency Ltd is Tennessee Topco Limited following the acquisition of Asta Capital Limited by the Davies Group Limited on 13 July 2022.

From time to time, syndicates managed by Asta enter into (re)insurance contracts with one another. All such transactions are subject to Asta's internal controls which ensure that all are compliant with Lloyd's Related Party Byelaw provisions. All transactions are entered into on an arms-length basis.

17. Off-balance sheet items

The Syndicate has the use of a \$15m letter of credit facility provided by Barclays Bank Plc (Barclays). The Syndicate has utilised \$0.0m of this facility.

To support the US trust fund requirements the 2020 year of account is utilising \$7.2m of letters of credit provided by reinsurers.

18. Funds at Lloyd's

Every member is required to hold capital at Lloyd's which is held in trust and known as Funds at Lloyd's (FAL). These funds are intended primarily to cover circumstances where Syndicate assets prove insufficient to meet participating members' underwriting liabilities.

The level of FAL that Lloyd's requires a member to maintain is determined by Lloyd's based on PRA requirements and resource criteria. FAL has regard to a number of factors including the nature and amount of risk to be underwritten by the member and the assessment of the reserving risk in respect of business that has been underwritten. Since FAL is not under the management of the Managing Agent, no amount has been shown in these annual accounts by way of such capital resources. However, the Managing Agent is able to make a call on the members' FAL to meet liquidity requirements or to settle losses.

19. Post balance sheet event

The Syndicate will pay a \$2.1m surplus to members in Q2 2023.

Summary of Closed Year Results - unaudited

as at 31 December 2022

Year of Account	2020
Syndicate allocated capacity (£'000)	56,798
Syndicate allocated capacity (\$'000)	68,158
