Applications for the Lloyd's Market Charity Awards are now open!

The Lloyd's Market Charity Awards recognise individuals across the Lloyd's corporation and Lloyd's market who have made a significant contribution to charity through volunteering and fundraising. The Lloyd's of London Foundation (previously Lloyd's Charities Trust) recognises these amazing individuals in the Lloyd's market through an unrestricted donation to their supported charity.

In 2023, Lloyd's of London Foundation will be giving out nine awards to individuals who have gone above and beyond for a charity they care about. The prize given will be a donation between £5,000 to £20,000 made to their charity.
