The Business Case

At Lloyd's our strength lies in the diversity of our people. Their talent means we continue to innovate and provide insurance that supports the economic growth and resilience of communities, cities and countries, enabling human progress. Lloyd's is committed to developing the ethnic minority talent in the Lloyd's market as part of a wider action plan. We know that ethnic minority talent is under-represented across the Lloyd's market and particularly in management and leadership positions.

Only 6% of the total top management positions in the UK are held by individuals from ethnic minority groups, meaning unfortunately many role models simply aren't visible, and finding leaders who reflect your identity is challenging. Hearing and sharing lived experiences and meeting inspirational role models is so key to the career progression of talented ethnic minority individuals – accompanied with effective sponsorship and support from managers and their organisations. These are all things this programme provides, alongside peer-to-peer support and a network built on understanding and empowerment.

Programme Objective

The "Accelerate" programme aims to improve the pipeline of ethnic minority future talent within the Corporation and the Market, through a modular based development programme targeted at individuals identified as future talent.

For participants it aims to build the skills, relationships and confidence to help them effectively manage their future careers.

Please note, this is not a leadership development programme that covers leadership ideas and concepts. It is a programme designed to help our future talent know how to leverage the skills, role models and opportunities that will enable them to manage their career.

Roles and Commitments

Manager

Support your employee during and after this challenging learning programme. Check-in with the participant regularly to talk about what they have learned and what support they need from you

- Attend the Launch Event and other events as required
- Ensure that your participant has the space to fully engage with their learning
- Be careful not to de-prioritise their learning by adding to their workload which gets in the way
- Coach them on how they can manage their learning and workload
- Post-programme, meet to agree a plan on how the participant will apply their learning going forward and check-in monthly to see how things are going

Sponsor

Work closely with your participant, meeting them during the programme (suggested bi-monthly) to understand their strengths and career aspirations; leverage your networks and position to create new career opportunities. They will be required to attend the Launch event and a Mid-point sponsor event.

Having a **Senior Leader** take on the sponsor role is critical to the success of this programme, to reinforce the organisations investment in its future talent. The sponsor must be someone different to the Line Manager.

We need sponsors who:

- 1) Are fully invested in the upward movement of their sponsee
- 2) Provide tangible career enhancing opportunities
- 3) Help sponsees turn their uniqueness into leadership capital.
