Subject	Policy Forms and Wordings

In reference to the **Policy Forms and Wordings** section of the Lloyd's Canada Portal, it is to be noted that with the exception of certain automobile and habitational forms, which may be obtained by contacting Lineage@lloyds.ca, all other wordings now reside on the Lloyd's Wording Repository and are accessible through your Lloyd's Broker.

The Lloyd's Wording Repository (LWR) contains approved policy wordings and clauses regularly used within the Lloyd's market. Relocating the wordings from the Lloyd's Canada Portal to the LWR will eliminate any confusion that could arise from different versions of the same wording.
