

Beazley, Markel and Newline Asia launch D&O Capacity Pooling Arrangement

With Lloyd's support, Beazley, Markel and Newline Asia have launched the D&O Capacity Pooling Arrangement in response to Asia market conditions.

KEY FEATURES

- **Capacity:** USD 30m any one risk
- **Strong Financial Rating** A+ from S&P/ AA- from Fitch/ A from A.M Best
- **Reduced Administration:** Any one of the syndicate can be lead and the rest to follow

The initiative will provide enhanced efficiency to brokers looking to access capacity in the Asia region. Brokers working with the lead participating syndicates; significantly cutting down the time spent in placing any given risk with a larger capacity requirement. This ease of communication is carried through to the claims handling stage.
