SYSTEM FUNCTIONS

What information is available to view in FAL online?

You can view your members' profiles which includes some personal details and funding requirements. You can also view Funds at Lloyd's valuation. Transaction details are not currently available. These will follow in the coming months as FAL online is developed further.

Is the information real time?

The information available within FAL online is at close of business on the previous working day. Further system enhancements are scheduled during 2021, after which the information will be real-time.

What should I do if some of the information displayed is incorrect?

If any the information displayed is incorrect, please email falonline@lloyds.com and we will investigate it.

I cannot see details for all of the Members I expected to.

Please email FALonline@lloyds.com with details and we will investigate why you cannot see all of the members you were expecting to.

FAL VALUATIONS**How do I view a Valuation?**

From the Home screen click on Members & Third Parties. Your list of Members will be displayed and from there you can view a Members FAL valuation of profile.

How do I customise my valuation report?

On the screen that displays Funds at Lloyd's click on the cog at the right of the screen, this will display a series of additional fields that you can drag onto the display and place at the appropriate position in the display. You can remove fields by clicking on the cog and dragging unwanted fields back to the box on the right side of the screen. You can change the order in which the fields appear on the screen by clicking and dragging the field to the appropriate position.

Asset Code	Asset Description	Total Qty	IA Qty	Non-IA Qty	Total Value GBP	Local CCY
<input type="text"/>	<input type="text"/>					<input type="text"/>

Changes made to the format of my on screen valuation have not been retained

After you have made changes to the format of your valuation you must click 'Save' on the box at the right of screen to ensure the new format is retained.

What historical valuations are available?

A valuation for the last working day of each month is available for the last 10 years.

How are quantities and prices displayed?

Quantities are displayed to 2 decimal places and prices are displayed to 5 decimal places. In instances where a holding has more than 2 decimal places the value displayed may not equal holding times price but is the correct value for the holding.

What happens if I select a future valuation date?

If a future valuation date is requested no data will be displayed

How are Interavailable holdings displayed?

For a donor member you will see the interavailable holdings and values along with details of the recipient member in the 'IA funds' section of the valuation. You will see the interavailable funds again in the 'own funds' section of the valuation, and to avoid a double valuation count, these holding have a zero value.

For a recipient member you will see the interavailable holdings and values in the 'IA fund' section of their valuation along with details of the donor member.

Can I see FAL transactions?

Transactions are not yet available to view in FAL online. Current users of Members Access can continue to view transactions using that platform

Can I download a valuation to my own device?

Yes, you can download valuations in excel format to your own device.

In what format are the valuations download?

The valuations are downloaded in Microsoft excel format (.xlsx).

How do I download valuation reports onto my own device?

On the screen that displays a Member's Funds at Lloyd's click on the down arrow at the right of the screen next to the cog. This will open the valuation in excel format and you can save it to your own device.

If you want to download valuations for all of your Members click on 'SEE ALL' in the top right hand corner of the Home screen. Ensure that there is no filter applied to the following screen and then click on the down arrow at the right of the screen next to the cog. This will open the valuation in excel format and you can save it to your own device.

SECURE MESSAGING

How do I know Lloyd's Member Services have sent a message or document to my portal within FAL online?

You will receive an email, to the email address you used to register for FALonline, to alert you to the documents waiting to be viewed.

How do I access the Secure Messaging area of FAL online?

Click on the envelope symbol at the top right hand side of the screen and this will take you to the secure messaging area. From here you can view messages sent to you, compose new messages to Member Services and attach documents to your message.

DOCUMENT EXCHANGE

How do I view any documents that have been sent to my portal within FAL online?

You can view your latest documents on the Home page and click on SEE ALL to view all of your documents. Alternatively, you can click on 'Documents' at the top of the home screen and select 'Document View'

How do I view documents within a specific timescale?

From the home screen click on 'Documents' at the top of the page and select 'Document View'. You will now be able to search on documents by type and specify the date range of the documents you wish to view.

Why have no documents been displayed for the timescale specified?

Check that the 'From' and 'To' dates have been entered correctly. If an incorrect date range has been entered (e.g. 'From' date is later than the 'To' date) no documents will be displayed. No error message is generated at present to advise of an incorrect date range.

How do I send a document to Member Services?

Documents can be sent to Member Services by attaching them to a secure message as detailed in the question above relating Secure Messaging.

They can also be sent using the document upload facility by clicking 'Documents' on the top of the home page and select 'Document Upload'. There is a prompt to help you upload your file and assign information to direct the document to the appropriate team in Member Services. Once you have completed this click 'Save'.

What types of files can I send to Member Services?

Documents attached to emails or uploaded using the document facility can be in the following formats:

.jpg. png .gif .doc .docx .xlsx. .ppt .pptx .mdb .pdf .zip .wav .mp3

Please note .xls (Microsoft Excel 97-2003) documents are not supported and cannot be uploaded.
