- 4.1 The Contractors shall, immediately after the termination of the services or sooner, notify the Council and where practicable the Owners of the amount for which they demand salvage security (inclusive of costs expenses and interest) from each of the respective Owners.
- 4.2 Where a claim is made or may be made for special compensation, the owners of the vessel shall, on the demand of the Contractors whenever made, provide security for the Contractors’ claim for special compensation provided always that such demand is made within 2 years of the date of termination of the services.
- 4.3 The security referred to in clauses 4.1. and 4.2. above shall be demanded and provided in the currency specified in Box 4 of the Agreement or in United States Dollars if no such alternative currency has been agreed.
- 4.4 The amount of any such security shall be reasonable in the light of the knowledge available to the Contractors at the time when the demand is made and any further facts which come to the Contractors’ attention before security is provided. The arbitrator appointed under clause 5 hereof may, at any stage of the proceedings, order that the amount of security be reduced or increased as the case may be.
- 4.5 Unless otherwise agreed such security shall be provided:
- (i) to the Council,
  - (ii) in a form approved by the Council and
  - (iii) by person firms or corporations acceptable to the Council or acceptable to the Contractors.

- 4.9 The Contractors shall not arrest or detain the property salvaged unless:
- (i) security is not provided within 21 days after the date of the termination of the services or
  - (ii) they have reason to believe that the removal of the property salvaged is contemplated contrary to clause 4.8. or

  - (v) to conduct all such meetings by means of a video conference or telephone call;
  - (vi) on their own initiative, or upon the application of a party to correct any award (whether interim, provisional or final) or to make an additional award in order to rectify any mistake error or omission provided that (i) any such correction is made within 28 days of the date of publication of the relevant award by the Council (ii) any additional award is made within 56 days of the said date of publication or, in either case, such longer period as the Arbitrator may in their discretion allow;

- 6.5 The Arbitrator shall have power to make a provisional or partial award or awards including payments on account on such terms as may be fair and just.

- 6.6 If it be proved that an inducement has been offered to the Contractors in relation to the Agreement or at any stage thereafter, the Arbitrator shall have power to take account of this, including depriving the Contractors of their Award or part thereof, as they think fit.
- 6.7 The Arbitrator shall have the power to order one or more of the parties to provide security as referred to in clause 5.3 in a sum or sums and in a form to be determined by the Arbitrator. The said power may be exercised from time to time as the Arbitrator considers appropriate.

- 7.2 Service on such agent or representative by letter or e-mail shall be deemed to be good service on the party which has appointed that agent or representative.
- 7.3 Any party who fails to appoint an agent or representative as aforesaid shall be deemed to have renounced their right to be heard or adduce evidence.
- 7.4 Where an Owner of salvaged cargo has not appointed an agent or representative on their behalf to receive correspondence and notices, but security has been put up on behalf of the Owner of salvaged cargo, service of correspondence and notices upon the party or parties who have provided such security shall be deemed to constitute proper notification to such Owner of salvaged cargo.

## **8 Arbitration Procedure**

### ***Introduction***

- 8.1 Every arbitration where the security demand is US\$10 million or less will be dealt with on a fast-track documents-only ("FTDO") basis unless the Arbitrator orders otherwise.
- 8.2 The FTDO procedure will not apply in those cases where, upon application by one or more parties, the Arbitrator considers that an oral hearing is needed or appropriate. Such cases are likely to (but will not necessarily) include those involving allegations of bad faith, criticism of Contractors, complex factual issues and/or complex expert issues.
- 8.3 Every arbitration where the security demand is more than US\$10 million shall be dealt with in accordance with the Oral Hearing procedure unless the Arbitrator orders that it should be dealt with under the FTDO procedure. The arbitration shall take place in London unless (i) all represented parties agree to some other place for the whole or part of the Arbitration and (ii) any such agreement is approved by the Arbitrator on such terms as to the Arbitrator's travel and accommodation expenses as the Arbitrator may see fit to impose.

### ***Preliminary Meeting***

- 8.4 Within 6 weeks of being appointed or so soon thereafter as reasonably possible, the Arbitrator shall convene a preliminary meeting with the parties for the purpose of giving directions as to the manner in which the arbitration is to be conducted. This preliminary meeting shall be conducted either in person or by video conference.
- 8.5 The Arbitrator may dispense with the requirement for a preliminary meeting if the represented parties agree a consent order for directions which the Arbitrator is willing to approve. For the purposes of obtaining such approval, the Arbitrator must be provided by the Contractors or their representatives, with a brief summary of the case in the form of a check list, and with any other party providing such comments as they deem appropriate so that the Arbitrator is in a position to decide whether or not to approve the consent order.

- 8.6 Should any party wish to contend that the FTDO procedure should not be followed in a case where the security demand is US\$10 million or less or that the oral hearing procedure should not be followed in a case where the security demand is greater than US\$10 million, then this must be raised by that party at the preliminary meeting and determined by the Arbitrator at or following that meeting. In determining the manner in which the arbitration is to be conducted, the Arbitrator shall have regard to:
- (i) the interests of unrepresented parties; and
  - (ii) the Overriding Objective set out in clause 2.

## **9 The FTDO procedure**

- 9.1 Where the arbitration is dealt with on the FTDO basis the following procedure will normally be followed.
- 9.2 By the dates fixed by the Arbitrator:

### ***Documents***

- (i) The Contractors will provide to the Arbitrator and all other Respondent Interests a bundle, not exceeding 100 pages, which comprises the documents and statements upon which it intends to rely. These 100 pages will not include the LOF, the Certificate of Redelivery, any Daily Progress Reports (or equivalent), any Schedules of Values, the Contractors' status bundle, and key personnel CV's which can be provided in addition.
- (ii) The Respondent Interests shall provide to the Arbitrator and all other parties bundles of documents, not exceeding 75 pages for each Respondent Interest, upon which they intend to rely. These documents shall not include any of the documents that have been disclosed by the Contractors.

### ***Submissions***

- (iii) The Contractors will provide to the Arbitrator and all other Respondent Interests submissions not exceeding 6,000 words to the Arbitrator and to the other parties. These submissions will include the Contractors case on all relevant matters, including interest, currency adjustment and costs.
- (iv) The Respondent interests will then provide submissions to the Arbitrator, the Contractors and to any other parties on the following basis (i) where there is a single interest, not exceeding 6,000 words, (ii) where there are multiple parties; not exceeding 4,000 words per Respondent. These submissions will include the Respondents' case on all relevant matters, including those matters raised by the Contractors in their submissions, and will also address interest, currency adjustment and costs. Where there is more than one Respondent the Respondents will cooperate with each other in order to avoid the duplication of submissions.
- (v) The Contractors will then provide to the Arbitrator and all other Respondent Interests their submissions in reply to the matters raised by the Respondent Interests. These submissions will not exceed 4,000 words.

### ***The Award***

- 9.3 The Arbitrator will, as soon as reasonably possible thereafter, send the Award and Reasons to the Salvage Arbitration Branch of Lloyd's for publication.
- 9.4 The Arbitrator's Award shall (subject to any appeal as provided for below) be final and binding on all the parties concerned whether they were represented at the arbitration or not and shall be published by the Council.

### ***Costs and Fees***

- 9.5 The Arbitrator's fees for an FTDO arbitration will be determined according to the charges capped and published from time to time by the Salvage Arbitration Branch of Lloyd's. The Arbitrator will be entitled to charge separately in respect of any fees incurred in respect of work not included within the scope of the FTDO arbitration.
- 9.6 The Arbitrator shall have power to order any party to pay the costs of any other party and to determine the amount of such costs. The maximum costs recoverable by any party to an FTDO arbitration will be those capped and published from time to time by the Salvage Arbitration Branch of Lloyd's. The reasonable costs and disbursements of obtaining security or of enforcing a lien or liens or of the preliminary meeting, are not within the scope of the maximum costs recoverable under this paragraph. Notwithstanding the foregoing, the Arbitrator shall have reserved to them the power to make costs orders in such amount as they deem fit against any party that they consider is causing costs to be incurred unnecessarily.
- 9.7 The Salvage Arbitration Branch of Lloyd's is entitled to recover its capped charges as published from time to time and this will include the cost of publishing the Award. The Salvage Arbitration Branch of Lloyd's will be entitled to charge separately in respect of any fees incurred in respect of work not included within the scope of the FTDO arbitration.

## **10 The Oral Hearing Procedure**

10.1 Where the arbitration is dealt with by way of an oral hearing, the following procedure will normally be followed.

### ***Order for Directions***

10.2 The initial order for directions shall include:

- (i) a date for disclosure of documents;
- (ii) a date for proof of values;
- (iii) a date by which any party must identify any issue(s) in the case which are likely to necessitate the service of pleadings;
- (iv) a date for a progress meeting or additional progress meetings unless all represented parties with reasonable notice agree that this is unnecessary;
- (v) unless otherwise agreed and ordered by the Arbitrator, a date for the hearing and estimates for the time likely to be required by the Arbitrator to read evidence in advance and for the length of the hearing;
- (vi) any other matters considered by the Arbitrator to be appropriate to be included in the initial order.

### ***Disclosure of Documents***

10.3 Unless otherwise agreed or ordered, disclosure shall be limited to the following classes of document:

- (i) logs and any other contemporaneous records (including all electronic data and notebooks) maintained by the Respondents' personnel and personnel employed by the Contractors (Including any subcontractors) and their respective surveyors or consultants in attendance during all or part of the salvage services;
- (ii) working charts, photographs, video or film records;
- (iii) contemporaneous documents, including all email messages (plus attachments), facsimiles and telexes;
- (iv) survey reports;
- (v) documents relevant to the proof of:
  - (a) out of pocket expenses
  - (b) salvaged values
  - (c) the particulars and values of all relevant salving tugs or other craft and equipment
- (vi) statements of witnesses of fact or other privileged documents on which the party wishes to rely.

### ***Expert Evidence***

10.4 No expert evidence shall be adduced in the arbitration without the Arbitrator's permission.

10.5 The Arbitrator shall not give such permission unless satisfied that expert evidence is reasonably necessary for the proper determination of an issue arising in the arbitration.

10.6 Save in exceptional circumstances, no party shall be given permission to adduce evidence from more than one expert in each field requiring expert evidence.

10.7 Any application for permission to adduce expert evidence must be made at the latest within 14 days after disclosure of relevant documents has or ought to have been given.

### ***Mediation***

10.8 The Arbitrator shall ensure that in all cases the represented parties are informed of the benefit which might be derived from the use of mediation.

### ***Hearing of the Arbitration***

10.9 The Arbitrator shall not, unless agreed by all represented parties, fix or accept a date for the hearing of the Arbitration unless the Arbitrator will have sufficient time to read the principal evidence, hear the Arbitration and produce the Award to the Council for publication in a reasonable period after the conclusion of the hearing.

- 10.10 The date fixed for the hearing shall be maintained unless application to alter the date is made to the Arbitrator within 14 days of the completion of discovery or unless the Arbitrator, in the exercise of their discretion, considers that an adjournment is necessary or desirable in the interests of justice or fairness.
- 10.11 Unless all parties represented in the arbitration agree otherwise the Arbitrator shall relinquish their appointment if a hearing date cannot be agreed, fixed or maintained in accordance with paragraph 10.9 and/or 10.10 above due to the Arbitrator's commitments. In that event the Council shall appoint another Arbitrator who is able to meet the requirements of these paragraphs.

### ***The Award***

- 10.12 **Currency.** Awards in respect of salvage remuneration or special compensation (including payments on account) shall be made in the currency specified in Box 4 of the Agreement or in United States dollars if no such alternative currency has been agreed.
- 10.13 **Interest.** Unless the Arbitrator in their discretion otherwise decides, the Contractors shall be entitled to interest on any sums awarded in respect of salvage remuneration or special compensation (after taking into consideration any sums already paid to the Contractors on account) from the date of termination of the services until the date on which the Award is published by the Council and at a rate to be determined by the Arbitrator.
- 10.14 In the usual case the Contractors will be entitled to simple interest. The Arbitrator may, however, exercise their statutory power to make an award of compound interest if the Contractors have been deprived of their salvage remuneration or special compensation for an excessive period whether as a result of the Respondents' misconduct or in other exceptional circumstances.
- 10.15 If the sum(s) awarded to the Contractors (including the fees and expenses referred to above) are not paid to the Contractors or to the Council by the payment date specified in the Award, the Contractors shall be entitled to additional interest on such outstanding sums from the payment date until the date payment is received by the Contractors or the Council (both dates inclusive) and at a rate which the Arbitrator shall in their absolute discretion determine in their Award.
- 10.16 **Currency Correction.** In considering what sums of money have been expended by the Contractors in rendering the services and/or in fixing the amount of the Award and/or Appeal Award, the Arbitrator or Appeal Arbitrator shall to such an extent and insofar as it may be fair and just in all the circumstances, give effect to the consequences of any change or changes in the relevant rates of exchange which may have occurred between the date of termination of the services and the date on which the Award or Appeal Award is made.
- 10.17 **Final and binding.** The Arbitrator's Award shall (subject to any appeal as provided for below) be final and binding on all the parties concerned, whether they were represented at the arbitration or not, and shall be published by the Council.

## **11 Appeals and Cross Appeals**

- 11.1 Any party may appeal from an Award by giving written notice to the Council to be received no later than 21 days after the date upon which the Award was published by the Council.
- 11.2 On receipt of a Notice of Appeal the Council shall refer the appeal to the Appeal Arbitrator as designated by the Council ("the Appeal Arbitrator").
- 11.3 Any party who has not already given Notice of Appeal under clause 11.1 may give a Notice of Cross Appeal to the Council within 21 days of that party having been notified that the Council has received Notice of Appeal from another party.
- 11.4 Notice of Appeal or Cross Appeal shall be given to the Council by letter or e-mail.
- 11.5 If any Notice of Appeal or Notice of Cross Appeal is withdrawn prior to the hearing of the Appeal Arbitration, that appeal arbitration shall nevertheless proceed for the purpose of determining any matters which remain outstanding.
- 11.6 In all cases grounds of appeal or cross appeal will be given to the Appeal Arbitrator within 21 days of the Notice of Appeal or Cross Appeal unless an extension of time is agreed.
- 11.7 Any respondent to an appeal who intends to contend that the Award of the Arbitrator should be affirmed on grounds other than those relied upon by the Arbitrator shall give notice to that effect specifying the grounds of their contention within 14 days of receipt of the grounds of appeal unless an extension of time is agreed.
- 11.8 The Appeal Arbitrator's Award shall be published by the Council.

### ***An Appeal in a FTDO arbitration***

- 11.9 Where an Appeal is brought from an Award made under the FTDO procedure the following procedure will be adopted.
- 11.10 Within 14 days after service of the Notice of Appeal or, where applicable, any Cross Appeal, the Appellants shall provide the Appeal Arbitrator with a bundle consisting of:
- (i) The documents provided to the Arbitrator pursuant to the FTDO procedure, and
  - (ii) The submissions of the parties at first instance, including the Contractors' Reply (if any); and
  - (iii) Their submissions on Appeal not exceeding 4,000 words. The submissions on Appeal shall include the appellants' case on interest, currency adjustment and costs.
- 11.11 Within 14 days thereafter the Respondents to the Appeal and Cross Appeal shall provide to the Appeal Arbitrator their submissions on Appeal or on any Cross-Appeal, each not exceeding 4,000 words. These submissions will include the Respondents' case on interest, currency adjustment and costs. Where there is more than one Respondent they will cooperate with each other to the fullest possible extent with a view to avoiding duplication of submissions on Appeal.
- 11.12 Within 10 days thereafter, the Appellants shall provide to the Appeal Arbitrator their submissions in reply not exceeding 2,500 words, alternatively a letter stating that they do not intend to provide submissions in reply.
- 11.13 As soon as reasonably possible thereafter the Appeal Arbitrator will send the Appeal Award and Reasons to the Salvage Arbitration Branch of Lloyd's.
- 11.14 The Appeal Arbitrator's fees for an FTDO appeal will be determined according to the charges capped and published from time to time by the Salvage Arbitration Branch of Lloyd's. The Appeal Arbitrator will be entitled to charge separately in respect of any fees incurred in respect of work not included within the scope of the FTDO arbitration.
- 11.15 The Appeal Arbitrator shall have power to order any party to pay the costs of any other party and to determine the amount of such costs. The maximum costs recoverable by any party to an FTDO appeal arbitration will be those capped and published from time to time by the Salvage Arbitration Branch of Lloyd's. The reasonable costs and disbursements of obtaining security or of enforcing a lien or liens are not within the scope of the maximum costs recoverable under this paragraph.
- 11.16 The Salvage Arbitration Branch of Lloyd's is entitled to recover its capped charges as published from time to time and this will include the cost of publishing the Award on Appeal. The Salvage Arbitration Branch of Lloyd's will be entitled to charge separately in respect of any fees incurred in respect of work not included within the scope of the FTDO appeal arbitration.

### ***An Appeal from an Award following an Oral Hearing***

- 11.17 Where an appeal is brought from an Award made after an oral hearing the Appeal Arbitrator will give directions for the appeal.

## **12 Provisions as to Payment**

- 12.1 When publishing the Award the Council shall call upon the party or parties concerned to pay all sums due from them which are quantified in the Award (including the fees and expenses referred to in clause 5.2) not later than 28 days after the date of publication of the Award ("the payment date").
- 12.2 If the sums referred to in clause 12.1 (or any part thereof) are not paid within 56 days after the date of publication of the Award (or such longer period as the Contractors may allow) and provided the Council has not received Notice of Appeal or Notice of Cross Appeal the Council shall realise or enforce the security given to the Council under clause 4.5 by or on behalf of the defaulting party or parties subject to the Contractors' providing the Council with any indemnity the Council may require in respect of the costs the Council may incur in that regard.
- 12.3 In the event of an appeal and upon publication by the Council of the Appeal Award the Council shall call upon the party or parties concerned to pay the sum(s) awarded. In the event of non-payment and subject to the Contractors providing the Council with any costs indemnity required as referred to in clause 12.2 the Council shall realise or enforce the security given to the Council under clause 4.5 by or on behalf of the defaulting party.
- 12.4 If any sum(s) shall become payable to the Contractors in respect of salvage remuneration or special compensation (including interest and/or costs) as the result of an agreement made between the Contractors and the Owners or any of them, the Council shall, if called upon to do so and subject to the Contractors providing to the Council any costs indemnity required as referred to in clause 12.2 realise or enforce the security given to the Council under clause 4.5 by or on behalf of that party.

- 12.5 Where (i) no security has been provided to the Council in accordance with clause 4.5 or (ii) no Award is made by the Arbitrator or the Appeal Arbitrator (as the case may be) because the parties have been able to settle all matters in issue between them by agreement, the Contractors shall be responsible for payment of the fees and expenses referred to in clause 5.2. Payment of such fees and expenses shall be made to the Council within 28 days of the Contractors or their representatives receiving the Council's invoice failing which the Council shall be entitled to interest on any sum outstanding at UK Base Rate prevailing on the date of the invoice plus 2% per annum until payment is received by the Council.
- 12.6 If an Award or Appeal Award directs the Contractors to pay any sum to any other party or parties including the whole or any part of the costs of the Arbitration and/or Appeal Arbitration the Council may deduct from sums received by the Council on behalf of the Contractors the amount(s) so payable by the Contractors unless the Contractors provide the Council with satisfactory security to meet their liability.
- 12.7 Save as aforesaid every sum received by the Council pursuant to this clause shall be paid by the Council to the Contractors or their representatives whose receipt shall be a good discharge for it.
- 12.8 Without prejudice to the provisions of clause 4.5 the liability of the Council shall be limited to the amount of security provided to it.

### **13 Awards**

- 13.1 The Council will ordinarily make available the Award or Appeal Award and Reasons on [www.lloyds.com](http://www.lloyds.com) (the website) except where the Arbitrator or Appeal Arbitrator has ordered, in response to representations by any party to the Award or Appeal Award, that there is a good reason for deferring or withholding them. Any party may apply to make such representations to the Arbitrator (with all other parties in copy) provided a written notice of its intention to do so is received by the Council no later than 21 days after the date on which the Award or Appeal Award was published by the Council.
- 13.2 Subject to any order of the Arbitrator or Appeal Arbitrator, the Award, or Appeal Award, and Reasons will be made available on the website as soon as practicable after expiry of the 21 day period referred to in clause 13.1.
- 13.3 In the event of an appeal being entered against an Award, the Award and Reasons shall not be made available on the website until either the Appeal Arbitrator has issued their Appeal Award or the Notice of Appeal is withdrawn subject always to any order being made in accordance with clause 13.1.

### **14 Special Cargo Provisions**

- 14.1 Where:
- (i) A settlement agreement or settlement agreements have been reached between the Contractors and some Owners of salvaged cargo, and
  - (ii) The total value of the cargo(es) owned by those Owners comprises at least 75% by value of the salvaged cargo represented in accordance with clause 7 of these clauses,

The Arbitrator shall have the power at any time to call for (unless privileged) and take into account the terms of any such settlement agreement(s) and to give to it or them such weight as seems to the Arbitrator to be appropriate when assessing the salvage award against the Owners of all unrepresented cargo who have not settled at the time of the said agreement.

- 14.2 Where the cost of proceeding against a contributing cargo interest is likely to be disproportionate to its liability for salvage, the Arbitrator may at any stage of the proceedings order and direct that all such contributing cargo interests with a total salvaged value of their interests (which may be estimated or actual) below a figure to be decided by the Arbitrator shall be omitted from the salvaged fund and excused from liability for salvage.

### **15 General Provisions**
