

## **POWERS OF CHARGING (AMENDMENT NO. 2) BYELAW (NO. 1 of 2023)**

---

### **Purpose**

The purpose of this byelaw is to amend certain provisions of the Powers of Charging Byelaw (No.12 of 1990) to (1) incorporate provisions previously contained in the Membership (Entrance Fees and Annual Subscriptions) Byelaw (No. 9 of 1987) and the Membership Central Fund & Subscriptions (Miscellaneous Provisions) Byelaw (No. 16 of 1993) which this byelaw revokes, and (2) update various references and provisions.

In relation to the provisions of the Membership (Entrance Fees and Annual Subscriptions) Byelaw (No. 9 of 1987) that are incorporated by this byelaw into the Powers of Charging Byelaw (No.12 of 1990), these have been amended to (1) remove certain arcane consequences for non-payment of annual subscriptions and entrance fees, (2) combine provisions relating to consequences of non-payment and other miscellaneous provisions so that they apply equally to (i) annual subscriptions and entrance fees, and (ii) charges, (3) extend the powers of the Council to obtain information to apply to all members of the Lloyd's community rather than just members of the Society, and (4) update various out-of-date references and provisions.

In relation to the provisions of the the Membership Central Fund & Subscriptions (Misc. Provisions) Byelaw (No. 16 of 1993) that are incorporated by this byelaw into the Powers of Charging Byelaw (No.12 of 1990), these have been amended to (1) update the model meeting arrangements for members that could be required in circumstances where the Council seeks to increase the level of annual subscriptions or contributions to the Central Fund and/or New Central Fund beyond a level previously capped via an undertaking of the Council, and (2) update various out-of-date references and provisions.

This byelaw also amends the Definitions Byelaw (No. 7 of 2005) by adding definitions for the terms 'auction', 'Central Fund' and 'member of the Lloyd's community'.

## Appendix 1 – Amendments to the Powers of Charging Byelaw

# POWERS OF CHARGING BYELAW

---

## Commencement

This byelaw commenced on 6 December 1990.

## Amendments

This byelaw was amended by  
Powers of Charging (Amendment) Byelaw (No. 21 of 1998)  
Powers of Charging (Amendment No. 2) Byelaw (No. 1 of 2023).

## Explanatory Note

(This note does not form part of the byelaw)

This byelaw allows the Council to charge from time to time in respect of the provision of services, the carrying out of functions under Lloyd's Acts, byelaws and regulations and the furthering of the objects of the Society.

The byelaw also provides for the payment of entrance fees and annual subscriptions to be paid by underwriting agents and members of the Society.

The byelaw requires, as a condition of underwriting insurance business at Lloyd's, that members pay such charges, entrance fees and annual subscriptions as prescribed from time to time by the Council. In addition, the Council may charge interest on late payments.

In addition, the byelaw authorises the Council to enter into agreements and undertakings capping members' subscriptions and contributions to the New Central Fund. In the event that the Council wishes to increase the level of annual subscriptions or contributions to the New Central Fund above the level of any such cap, the byelaw provides a special general meeting mechanism through which, if the agreement or undertaking so provides, approval must be obtained from a majority of the members liable to pay the increased subscription or contribution. The byelaw makes provision for the holding and conduct of such meetings.

Words and terms shown in italics have the meaning set out in the Definitions Byelaw (No.7 of 2005).
